

G. Cabin Air Quality

United Airlines will monitor aircraft environmental systems, and ensure these systems perform to FAA and appropriate air quality standards.

If Flight Attendants are scheduled to work an aircraft being operated with environmental systems which are deferred, they will be informed of the problem prior to its first flight and all flights thereafter, until the malfunction is repaired. Flight Attendant air quality and environmental complaints will be acknowledged by the Company within two (2) business days, and a response will be provided to the Flight Attendant within ten (10) business days, with a copy to the MEC President/designee.

**SECTION 32
SAVINGS CLAUSE**

Should any part or provision of this Agreement be rendered invalid by reason of any existing or subsequently enacted legislation, such invalidation of any part or provision of this Agreement shall not invalidate the remaining portions thereof, and they shall remain in full force and effect. In the event of any invalidation, either party may, upon thirty (30) days notice, request negotiation for modification or amendment of this Agreement and negotiations shall commence within fifteen (15) days from receipt of said notice.
