SECTION 1 RECOGNITION, SUCCESSORSHIP AND MERGERS

1.A. RECOGNITION

1.A.1.

The Union, having been certified by the National Mediation Board, is hereby recognized by the Company as the collective bargaining representative of the craft or class of Flight Attendants in the employ of the Company to represent such employees and to negotiate and conclude an Agreement with the Company covering rates of pay, rules and working conditions, in accordance with the Railway Labor Act.

1.A.2.

The Company recognizes the right of the Flight Attendants in its employ to perform Flight Attendant work of the nature they have customarily and traditionally performed; provided, however, that nothing herein shall be deemed to limit or restrain the Company's existing right to revise duties from time to time as the Company deems necessary for the needs of the service and provided, further, that nothing herein shall be construed to limit in any way the Company's right to assign supervisory or other personnel to perform non-Flight Attendant functions. Supervisory or other personnel of the Company shall not perform Flight Attendant work, except in emergencies, for instruction purposes, or as otherwise provided in this Agreement.

1.B. SUCCESSORSHIP AND MERGERS

1.B.1.

This Agreement shall be binding upon any successor or assign of the Company unless and until changed in accordance with the provisions of the Railway Labor Act as amended. For purposes of this Paragraph, a successor or assign shall be defined as an entity which acquires all or substantially all of the assets or equity of the Company through a single transaction or multi-step related transactions.

1.B.2.

No contract or other legally binding commitment involving the transfer of ownership or control pursuant to a successorship transaction, whether by sale, transfer or lease of the Company or substantially all of its assets, will be signed or otherwise entered into unless it is agreed as a material and irrevocable condition of entering into, concluding and implementing such transaction that the rates of pay, rules and working conditions set forth in this Agreement will be assumed by the successor employer, and employees on the then current Flight Attendant Seniority List will be employed in accordance with the provisions of this Agreement. The Company shall give notice of the existence of this Agreement to any purchaser, transferee, lessee, or assignee of the operation covered by this Agreement or any substantial part thereof. Such notice shall be in writing with a copy to the Union, at the time the seller, transferor, or lessor executes a definitive agreement with respect to a transaction as herein described.

1.B.3.

In the event of a merger of airline operations between the Company and another air carrier the Company will require, as a condition of any such operational merger that provisions be included requiring that the surviving

carrier provide for fair and equitable integration of the pre-merger Flight Attendant seniority list in accordance with the McCaskill-Bond Amendment, 42 U.S.C. Section 42112.

1.B.4.

In the event of a merger of airline operations, this Agreement shall be considered to be amendable as provided in the Duration Section of this Agreement and Section 6 of the Railway Labor Act. Integration of the Flight Attendant groups shall not occur until the applicable seniority lists are merged pursuant to procedures as described above, and agreement is reached over rates of pay, rules, and working conditions for the post-merger craft or class. Prior to such agreement, the terms and conditions of this Agreement shall continue to apply to the employees whose names appear on the Flight Attendant System Seniority List.

1.B.5.

The following additional requirements shall be applicable in the event of a merger, purchase or acquisition involving the Company, regardless of the identity of the surviving carrier or whether formerly separate operations are to be integrated.

1.B.5.a.

Unless and until any operational merger is finally effectuated, the Union will continue to be recognized as the representative of the pre-merger Company Flight Attendants, so long as such recognition is consistent with the Railway Labor Act and any applicable rulings or orders of the National Mediation Board. Recognition of a post-merger representative shall be governed by the Railway Labor Act and by any applicable rulings or orders of the National Mediation Board.

1.B.5.b.

Subject to applicable securities and other laws and regulations, the Company will review with the Union the details of any material agreements relating to successorship transactions in a timely manner, provided that no financial or other confidential business information need be disclosed unless suitable arrangements are made for protecting the confidentiality and use of such information.

1.B.5.c.

In advance of any operational integration, the Company or surviving carrier, if different than the Company, will accept the integrated seniority list accomplished in accordance with the McCaskill-Bond Amendment, 42 U.S.C. Section 42112.

1.B.5.d.

The inflight operations of the Company and those of the other air carrier shall be kept separate unless and until the processes described in Paragraphs B.3. and B.4. above, are completed. During such time of separate operations, Flight Attendants shall not be interchanged without the Union's written consent.

1.B.5.e.

Until the processes described in Paragraphs B.3. and B.4. above are completed, no employee covered by this Agreement shall be furloughed as an effect of the merger, purchase or acquisition.

1.B.5.f.

The Company or surviving carrier, if different than the Company, shall meet promptly with the Union upon request to negotiate the implementation of the requirements of this Paragraph.

1.B.6.

The Company agrees to arbitrate any grievance filed by the Union alleging a violation of this Section on an expedited basis directly before the System Board of Adjustment sitting with a neutral arbitrator mutually acceptable to both parties. If a mutually agreed upon arbitrator cannot be selected within three (3) days of the filing, an arbitrator will be selected pursuant to Section 24 of this Agreement (System Board of Adjustment). The dispute shall be heard no later than thirty (30) days following the submission to the System Board (subject to the availability of the arbitrator) and shall be decided no later than thirty (30) days following submission, unless the parties agree otherwise in writing.

3.A.4.

Flight Attendants may elect to list for both a non-revenue standby seat and jumpseat authority. However, Flight Attendants who elect to be boarded using their non-revenue stand-by flying benefit do so in lieu of jumpseating and forfeit their jumpseat privileges at the time they do so.

6.G. ERRORS IN A LINE AWARD

If an error(s) in a line of flying causes a Lineholder to lose flight time credit and they cannot be reassigned to a pairing(s) which departs on the same day as the original pairing and arrives within six (6) hours of the arrival time of the original pairing, such Lineholder shall be fully paid and credited for the flight time credit loss. A Lineholder so reassigned shall be paid what they actually flew or the flight time credit lost, whichever is greater. Priority will be given to reassigning Flight Attendants to pairings in the same operation.

6.I. LINE GUARANTEE

6.I.1.

In the event a Lineholder involuntarily loses all or any part of their pairing(s) in their original or adjusted line of flying during the month (except for time lost due to end-of-month schedule conflicts - see Paragraph 2 below), their projected line value shall remain as it was immediately prior to the loss of flight time. 6.J. MONTH END OVERLAP

In the event of a month-end overlap pairing where the Flight Attendant is eligible for pay protection, sufficient pay and flight time credit of either the pairing flown or the scheduled pairing dropped will be moved from the new month to the old month to protect the scheduled flight time which was necessary to be dropped in the old month and to assure the greater pay and time credit on a full pairing comparison basis.

6.K.1.

Any credit time accrued as a result of the duty period guarantees shall be applied as an extension to the last segment of the duty period in which the credit was accumulated.

6.L. FLIGHT TIME LIMITATIONS

6.L.1.

Ninety-five (95) hours of credited flight time shall constitute the maximum for a Lineholder Flight Attendant in a month. One hundred (100) hours of credited flight time shall constitute the maximum for a Reserve Flight Attendant.

6.L.3.

6.L.4.

Notwithstanding the provisions of Paragraph 6.L.1 above, a Flight Attendant who is awarded a line of flying for a full month shall fly the pairing(s) in such line of flying provided they do not exceed ninety-five (95) hours actual flight time maximum.

6.L.5.

Notwithstanding the provisions of Paragraph 6.L.1 above, if a Lineholder flies a line with a first of the month overlap pairing which causes them to be projected over the maximum credited hours as would be applicable for the new month, they shall fly the pairing(s) in the new month provided they do not exceed the applicable maximum hours on an actual basis in the new month.

6.L.6.

A Lineholder Flight Attendant may not be reassigned if, as a result of this action, their monthly flight time would be projected over ninety-five (95) hours credited flight time maximum. A Reserve Flight Attendant may not be assigned if, as a result of this action, their monthly flight time would be projected over one hundred (100) hours credited flight time maximum.

6.L.7.

6.L.8.

When a Flight Attendant is assigned to flight duty after the beginning date of a bid month, the maximum credited hours for the month shall be reduced on a prorated basis, proportionate to the ratio that the remaining days in said month bears to the total number of days in said month.

In the case of "1 in 7" problems due to schedule selection, the Flight Attendant should contact Inflight Scheduling prior to the first day of the schedule month for rescheduling. Failure to do this will result in waiving the "1 in 7" Rule. If it is necessary for a Flight Attendant to drop a pairing because of the "1 in 7" Rule, preference as to which pairing is to be dropped will be subject to the concurrence of the Flight Attendant and Inflight Scheduling. In the event of failure to reach agreement, the pairing to be dropped will be subject to the approval of the Crew Resource Manager/designee.

6.U.3.c.

A Flight Attendant will be provided eight (8) hours Place of Lodging minimum rest at the layover hotel.

6.U.3.d.

The above off-duty periods may be reduced by one hour under this Paragraph when such off-duty period extends to or beyond 0200 Standard Time on the designated day when the change is made from Standard Time to Daylight Time, unless such reduction would result in a legal rest below the established FAA minimum.

Every hour or portion thereof in excess of the first hour shall be paid at five (5) times their actual hourly rate.

6.X.3.

Such compensation is for pay purposes only and may not be used to offset any other guarantees. The Company is prohibited from negotiating with Flight Attendants for any compensation or incentive to obtain Flight Attendant concurrence.

6.X.4.

Non-stop flights scheduled with 12:01 block hours or more shall be restricted to a two (2) hour additional extension, including flights as specified in Paragraph 6.S.3. above.

6.Y. MISCELLANEOUS

6.Y.1.

If on a regular basis on a layover on a domestic pairing, prompt transportation is not available as provided in Paragraph 6.U.3.a. above, and after attempting to solve the problem, the Company is unable to provide regular prompt transportation, the Company shall reschedule the layover to eleven (11) hours.

6.Y.2.

When a Flight Attendant is scheduled out of one airport and into another airport serving their Home Domicile, time spent by the Flight Attendant transferring between such airports shall not be considered as rest time.

6.Y.3.

The Company will not contact Flight Attendants during rest periods at layover points except as set forth below.

6.Y.3.a.

If it becomes necessary to notify Flight Attendants of irregularities, or in those cases where a Flight Attendant is at a layover point and does not yet have a return assignment, every attempt will be made to give the assignment prior to the commencement of the rest period.

6.Y.3.b.

If this is not possible, the Flight Attendant will not be contacted until at least eight (8) hours after commencing their legal rest; except that if the departure time of the reassigned flight permits, the contact will not be made until the required legal rest has been satisfied.

SECTION 7 SCHEDULING

7.A. CONSTRUCTION OF LINES OF FLYING

7.A.1.

Except as provided in Paragraph 7.F.1. below, all flying assigned to each Base shall be shown in lines of flying and posted for bid.

7.A.1.a.

The Company shall not be required to make up lines of flying equal to less than seventy-one (71) hours.

7.A.2.

The timeline for pairing construction, bidding, adjustments, trip trading, and open time distribution shall be as established in Appendix A to this Section.

7.A.3.

Lines of flying shall be constructed so that the average of all lines at each Base is not less than sixty-nine (69) hours.

7.A.4.

Domestic and International lines of flying shall be constructed so that the average of all lines at each Base is not more than eighty-eight (88) hours credited flight time per month. The ninety-five (95) hour flight time maximum limitation shall not apply to line construction. Priority will be given to scheduling pure lines of flying.

7.A.5.

Notwithstanding Paragraph 7.A.4. above, the Company may have Domestic and International lines of flying constructed so that the average of all lines at each Base is not more than ninety (90) hours credited flight time per month for up to three (3) months per calendar year. The ninety-five (95) hour flight time maximum limitation shall not apply to line construction. Priority will be given to scheduling pure lines of flying.

7.A.6.

A Flight Attendant who is projected over ninety-five (95) hours in a month may follow trip trade procedures, after line bids have been awarded to reduce projected time. If unable to reduce time by the beginning of the month, they must contact Inflight Scheduling for rescheduling. The Lineholder Flight Attendant may be projected to ninety-five (95) hours for the last pairing of the month. If it is necessary for a Flight Attendant to drop a pairing because of high time, their preference as to which pairing is to be dropped will be subject to the concurrence of the Flight Attendant and Inflight Scheduling. In the event of a failure to reach agreement, the pairing to be dropped will be subject to the approval of the Crew Resource Manager. Priority will be given to assigning Flight Attendants to pairings in the same operation and the same number of days.

7.A.7.

These lines will indicate a planned pattern of pairings, days off, estimated number of relief lines, the projected actual and credited flight time of each line, weekends and holidays specially outlined, type of equipment and number of

Flight Attendant positions. The reserve lines will indicate the days off and will have weekends and holidays specially outlined.

7.A.8.

The criteria for variable staffing will be included in the bid packets. If, at the time of bid line construction, the criteria are met, and the variable positions can be constructed as a line of flying, they will be published and available for bid, except as provided in Paragraph 7.F.1. below.

7.A.9. CHARTERS AND SPECIAL PURPOSE FLIGHTS

7.A.9.a.

Charters, extra sections and scenic flights assigned to a Base will be available for use in line construction or placed in open time, unless a particular Flight Attendant(s) has been requested by the charter organization in accordance with Paragraph A.9.a.(1).(a). below.

7.A.9.a.(1).

The chartering company or person(s) must request specific Flight Attendants by name in writing and they shall be used on the charter subject to their approval.

7.A.9.a.(2).

Should the Company deem it necessary to have a language qualified Flight Attendant on a charter, the Company shall have the ability to assign one (1) position on a narrow-body aircraft and two (2) positions on a wide-body aircraft to a Flight Attendant so qualified.

7.A.9.a.(3).

All contractual provisions of the Agreement shall apply to charter flights unless specifically delineated otherwise.

7.A.9.b.

Charter pairings may be constructed with a report time up to forty-five minutes (0:45) earlier than the normal check-in time for that aircraft type. In the event that the Company increases scheduled check-in time(s), it shall make increases in five minute (0:05) increments up to a maximum increase of forty-five minutes (0:45) and Flight Attendants shall be paid for the increased time in accordance with Section 6.Q.5.d.

7.A.9.c. SPECIAL PURPOSE FLIGHTS

The Company may assign specific Flight Attendant(s) to a limited number of flights not to exceed ten (10) per year when it determines that the circumstances call for a particular crew, e.g. inaugural flights or those with a high profile or significant publicity opportunity.

7.A.10.

The minimum number of Flight Attendant bid positions on each aircraft, including those placed in open time per Paragraph 7.F.1. below, will be as follows:

Aircraft	Minimum FA Aircraft Bid Positions
B-767-300	5
B-767-400	6

B-757-200	4
B-757-300	5
B-737-700	3
B-737-800/900	4
B-777-200	8
<u>B-777-300</u>	9
B-787-8/9/10	7
<u>A321 NEO</u>	4
<u>A321</u>	1
A320	3
A319	3

7.A.10.a.

The Company and the Union will meet and confer regarding the minimum bid positions for aircraft not listed above. Unless otherwise agreed to by the parties, the minimum bid positions established for the aircraft not listed above shall be the F.A.A. minimum staffing requirement for the aircraft.

7.A.11.

It is understood that a flight may depart with less than the designated number of bid Flight Attendants; however, in no case will a flight depart with less than the FAA minimum.

7.A.12.

If a bid period varies from a calendar month, it will be noted on the bid package.

7.A.13.

Minimum days off shall be as specified in Section 6.P.

7.B. BIDDING ON SCHEDULES

7.B.1.

The primary bid period shall open at 0800 home Domicile time on the 12th calendar day of the month preceding the bid month. The primary bid period shall close at 0800 home Domicile time on the 17th calendar day of the month preceding the bid month.

7.B.2. PRE-BID

Bid packets shall be available electronically no later than the opening of the primary bid period of each month. Bid packets will reflect positions/assignments. Paper copies will be available in the Base not later than 1500 local time on the 14th calendar day of the month. Delay in the arrival of paper bid packets will not constitute a reason to delay the bid closing.

7.B.3.

The bid packet shall indicate duty time, ground time, layover time, layover location, including name and telephone number of the hotel used for legal rest as well as locations where crew lounge facilities are not available, total time away from home, total expenses, pairing number, flight time for each flight, deadhead, total accumulative flight time, total actual and credit time for

each pairing, effective days, type of equipment, departure and arrival time of each flight.

7.B.4.

Bids will be awarded in seniority order.

7.B.5. BIDDING FOR QUALIFIED POSITIONS

7.B.5.a.

For Language Qualified Flight Attendants the bidding process shall be as follows:

7.B.5.a.(1).

Flight Attendants designated as Language Qualified may bid on any Flight Attendant position and all positions will be filled in seniority order, except that only those qualified in the designated language will be eligible to be awarded a Language Qualified position.

7.B.5.a.(2).

Following the award process, if designated language lines of flying remain open, Language Qualified Flight Attendants who are qualified in the specific language shall be assigned in inverse order of seniority to these language lines.

7.B.5.b. INTERNATIONAL PURSER POSITIONS

A Flight Attendant who successfully completes International Purser qualification training and periodic recurrent training will be awarded an International Purser position in the bid award process in seniority order in accordance with Paragraphs 7.B.5.b.(1) and 7.B.5.b.(2). below.

7.B.5.b.(1).

Flight Attendants designated as International Purser Qualified may bid on any Flight Attendant position and all positions will be filled in seniority order, except that only those International Purser qualified will be eligible to be awarded an International Purser position.

7.B.5.b.(2).

Following the award process, if designated International Purser lines of flying remain open, International Purser Qualified Flight Attendants shall be assigned in inverse order of seniority to these International Purser lines.

7.B.6.

A Flight Attendant may bid either the line or specific positions.

7.B.7.

Reserve lines may be bid by Lineholders.

7.B.8.

Block bidding in ascending or descending order shall be permitted.

7.B.9.

A Flight Attendant who does not submit a bid before the bid closing, or who fails to bid sufficient choices, will be awarded the first numerically unawarded line in seniority order for which they are qualified.

7.B.10.

A Flight Attendant may leave a permanent bid on file. If a monthly bid is not received or if a Flight Attendant does not submit a bid into the award system, any permanent bid on file will be used in the primary and vacation relief line award process.

7.B.11.

To be eligible to bid a line, a Flight Attendant must be qualified and current prior to the bid closing deadline. They must be available for no less than fifteen (15) consecutive days of the bid period, notwithstanding this shall not preclude a Flight Attendant from bidding and being awarded a paper bid to determine the value of a line of flying for pay purposes.

7.B.12.

Two (2) active Flight Attendants who are assigned to the same Base and want to fly a line of time together may “buddy” bid. Flight Attendants who wish to bid to fly together must both indicate this on their bid screens and must submit identical bids. The bids of both Flight Attendants will be honored according to the seniority of the junior Flight Attendant. Flight attendants who are buddy bidding will be allowed to position bid.

7.B.13.

Under extraordinary circumstances, all lines may be rebid for the balance of the bid period with concurrence of the Local Executive Council President, which shall not be unreasonably withheld. If there is insufficient time to rebid the lines, Flight Attendants will fly replacement pairings within the affected line in accordance with Section 6.G.

7.B.14.

Flight Attendants transferring into a Base may bid a line of flying at the Base to which they are transferring in accordance with their system seniority, if their transfers are effective on or prior to the first of the month. If a Flight Attendant is notified of their transfer after bidding has closed at the Base to which transferring, or if the transfer becomes effective after the first day of the month, they may bid any line of flying awarded and left vacant by resignations or transfers out at the Base to which transferring.

7.C. OPEN FLYING ALLOCATION

Pairings will be designated for open time and will not be included in the primary line construction and the number of such pairings after the adjustment process must equal the hours specified in Paragraph 7.F.1. below. These pairings are subject to concurrence between the Company and Local Schedule Committee.

7.D. VACATION RELIEF LINES

Vacation relief lines of flying shall be constructed using flying that drops out of the primary line award as a result of vacation conflicts. Preferencing for relief lines shall be accomplished as follows:

7.D.1.

Vacation relief lines shall be constructed utilizing an automated Flight Attendant Bidding System (“FABS”).

7.D.2.

The vacation relief bid period will close at 0800 home Domicile time on the 20th calendar day of the month preceding the bid month.

7.D.3.

Flight Attendants who are awarded vacation relief lines shall be able to preference the schedule characteristics that they consider desirable.

7.D.4.

Vacation relief lines will be constructed and awarded in seniority order.

7.D.5.

A Flight Attendant who does not submit their preferences before the vacation relief line bid closes or who fails to submit sufficient preferences, will be awarded a combination of pairings for which they are qualified.

7.E. MONTH TO MONTH LINE ADJUSTMENTS

Flight Attendants who bid incompatibly are subject to the following month-to-month line adjustment procedures:

7.E.1.

The Flight Attendant shall have a minimum of twenty-four hours (24:00) during which they may use mutual trade procedures to resolve the conflict in the old month or the new month.

7.E.2.

Flight Attendants shall not be subject to adjustment in a vacation month.

7.E.3.

Trips and pairings originating in the old bid period will be flown to completion.

7.E.4.

If a Flight Attendant does not resolve the month to month conflict and their original new month line projection is reduced by three hours (3:00) or more, they will be subject to adjustment.

7.E.5.

A Flight Attendant who is subject to adjustment shall have the option of utilizing the self-adjustment window.

7.E.6.

The self-adjustment window will occur during the adjustment period.

7.E.7.

The following rules will govern all Flight Attendants' self adjustments:

7.E.7.a.

Adjustments are to be made to +/- three hours (3:00) of the Flight Attendant's awarded line value using trips in the Base on days originally scheduled to work.

7.E.7.b.

If there are no trips in the Base which can satisfy Paragraph 7.E.7.a. above, then adjustments are to be made to +/- three hours (3:00) of the Flight Attendant's awarded line value using trips in their Base on any available day(s).

7.E.7.c.

If there are no trips in the Base which can satisfy either Paragraphs 7.E.7.a. or 7.E.7.b. above, a Flight Attendant may adjust their line with any trip in the Base

on any day(s) which will bring their line value as close as possible to, but not more than five hours (5:00) greater than, the originally awarded line value.

7.E.7.d.

Adjustments must be made to comply with minimum rest periods and on-duty limitations.

7.E.7.e.

The options available for adjustment to the Flight Attendant will include possible solutions which meets the parameters above.

7.E.8.

If a Flight Attendant is unable to adjust themselves or if they fail to do so, regardless of the reason(s) for such inability or failure, the Company will adjust them using the above parameters.

7.E.8.a.

If no pairing(s) is available, the Flight Attendant may first be assigned to reserve adjustment ("RA") days on days originally scheduled to fly, and then on a remaining day(s) off in the new bid period.

7.E.8.b.

A Flight Attendant may require that the Company not use RA days when adjusting their schedule. If a Flight Attendant elects this option, and is not adjusted, or not fully adjusted, then their guarantee will be reduced accordingly.

7.E.8.c.

A Flight Attendant on an "RA" day will be considered a Reserve and may participate in Reserve Preferencing or, at their option, contact Crew Scheduling to be assigned to a trip in Open Time prior to Reserve Preferencing.

7.E.8.d.

Flight Attendants who may be awarded incompatible schedules from one month to the next will be allowed to submit adjustment requests before the published bid closing date and time.

7.E.8.e.

Job shares and Partners bidding incompatibly will be adjusted up to a minimum of forty (40) hours, plus or minus two (2) hours. Half-month leaves will be adjusted to a minimum of thirty-five (35) hours. Job share, Partner and half month leave lines will be adjusted down if they exceed fifty-five (55) hours.

7.E.9.

If a Flight Attendant subject to adjustment pursuant to this Paragraph, conducts a mutual trade(s) which does not resolve the month to month conflict and they do not resolve the conflict through the self-adjustment process, the Company will adjust them using the parameters of Section 7.E.7. above, subject to the following:

7.E.9.a.

The adjustment will be the difference in value between the pairing brought into the new month and the pairing in the new month that will be dropped due to the conflict, +/- three hours (3:00);

7.E.9.b.

If, as a result of mutual trip trading a Flight Attendant reduces their days off, the Company shall be entitled to disregard this reduction for the purpose of adjustment; and

7.E.9.c.

If the mutual trade(s) results in the Flight Attendant exceeding an applicable monthly maximum, the Flight Attendant will be considered to have opted above that applicable monthly maximum.

7.E.9.d.

If the mutual trade(s) does not result in the Flight Attendant exceeding an applicable monthly maximum, the Flight Attendant will be subject to adjustment in accordance with Section 7.E.9.a. above, not to exceed their applicable monthly maximum prior to the mutual trade.

7.E.9.e.

If the Flight Attendant's original line award was above the applicable monthly maximum, then they will be subject to adjustment in accordance with this Section 7.E.9.a. above, not to exceed the applicable monthly maximum.

7.F. OPEN FLYING

7.F.1.

All unassigned time, including load/variable staffing, except as defined in Section 7.A.8. of this Section, will be available in each Base. The flying available at the start of the open time trading process must include pairings equivalent to approximately three (3) hours per primary line of flying at each Base. All trips that are placed in open time and changes to open time will be made available as soon as possible.

7.F.2.

When the projected Reserve coverage is insufficient to cover the known open flying, open time may be moved from one Base to another to accommodate staffing requirements and the operations as follows:

7.F.2.a.

Domestic pairings may be moved one (1) calendar day, home Domicile time, prior to the date of departure;

7.F.2.b.

International pairings may be moved two (2) calendar days, home Domicile time, prior to the date of departure.

7.F.3.

All pairings removed from open time by a Lineholder and placed in the Lineholder's schedule will become part of their bid line for the month unless the Flight Attendant contacts Scheduling within one hour (1:00) of the transaction to withdraw it.

7.G. OPEN TRADES/PICK-UPS WINDOWS

Open time trading and pick-ups shall be in first come, first served order and begin in staggered windows on the 23rd calendar day of the month preceding the bid month. The Company may designate windows of no less than two hours (2:00) for each Base to facilitate the trading process and the times shall be

published in the bid packet. The flying available at the start of the open time trading process must include pairings equivalent to approximately three (3) hours per primary line of flying. Immediately after the initial Base windows have been opened and closed, all trading windows shall reopen.

7.H. TRIP TRADES AND PICK UPS

General rules applicable to all trip trades and pick ups:

7.H.1.

Minimum days off, minimum rest and maximum duty limitations will apply except as provided in this Agreement.

7.H.2.

Job share/half-month leave and Partnership Flight Attendants may not exceed fifty-five hours (55:00) pay and credit for the month excluding vacation pay and credit.

7.H.2.a.

Reserve Flight Attendants in a Job Share, Partnership or on a half-month leave, shall be able to pick up pairings on days off with total credit value that does not exceed the difference between fifty-five hours (55:00) and their reserve guarantee determined by their number of availability days.

7.H.3.

A trade between two Flight Attendants must be made in the computer up to four hours (4:00) prior to check in of the earliest trip involved in the trade. If it is less than four hours (4:00) prior to check-in, two (2) Flight Attendants may complete a Flight Attendant to Flight Attendant trade before check-in if both Flight Attendants are physically present at the Base location and provided that the trade is confirmed with scheduling.

7.H.4.

A trade between two (2) Flight Attendants on the same trip may be processed via computer up to check-in, even if it involves the Purser position, the International Purser position, a galley position(s) or a language qualified position(s).

7.H.5.

Except as provided in this Section, requests for trades with Open Time must be made through the computer at least twenty-four hours (24:00) home Domicile time, before the scheduled departure time of the first trip, except that if the trip being dropped occurs after the trip being picked up, the trade must be made at least twelve hours (12:00) prior to check-in of the trip being picked up. If the operation permits as determined by Scheduling, open time trades may be considered inside twelve hours (12:00) prior to check-in of the trip being picked up.

7.H.6.

Flight attendants may straight pick up (i.e., no trading) open time by computer up to three hours (3:00) before check-in.

7.H.7.

A trade between two (2) Flight Attendants on the same trip may be requested at check-in, even if it involves the Purser ("A" position).

7.H.8.

Flight Attendants will have unlimited trip trades with, and pick ups from, open time in their Base, and unlimited trip trades with, and pick ups from, other Flight Attendants in their Base.

7.H.9.

Complete line trades are permitted including line trades between Lineholders and Reserves. Line trades will be permitted even if vacation is involved with either line. Line trade requests must be submitted one (1) calendar day home Domicile time before the first day of the new bid month.

7.H.10. PARTIAL TRIP TRADES**7.H.10.a.**

A trade between two (2) Flight Attendants in the same Base may be for an entire pairing or for a portion of a pairing provided that the offered time begins and ends at the Base. The Company will provide a Crew Communications System ("CCS") bulletin board for the advertising of Flight Attendant pairings or portions of pairings for trade/pick up within the Base. The Flight Attendant is required to fly their original pairing if no other Flight Attendant picks up that flying within four hours (4:00) prior to check-in. By exception, if it is less than four hours (4:00) prior to check-in, two (2) Flight Attendants may complete a Flight Attendant to Flight Attendant trade before check-in if both Flight Attendants are physically present at the Base location provided the trade is confirmed with scheduling no later than two hours (2:00) prior to scheduled departure.

7.H.10.b.

The value of the pairing for the Flight Attendant trading out shall be reduced by the scheduled flight time of the segments traded. The replacement Flight Attendant's line of flying shall be credited with the greater of the scheduled or actual flight time for the segments. A partial trade transaction, in and of itself, shall not generate a rig or hotel room for either Flight Attendant. If a portion of the trip is subsequently assigned to a Reserve, the Reserve will receive rigs and hotel rooms attributable to the trip.

7.H.10.c.

A Flight Attendant shall be permitted to trade into open time a portion of a pairing that is less than five hours (5:00) flight time pay and credit for any one duty period and the pairing shall be treated as follows:

7.H.10.c.(1).

If a Lineholder picks up the pairing they shall not be entitled to the minimum duty Rigs set forth in Section 6, Paragraph A. and B.; and

7.H.10.c.(2).

If Crew Scheduling assigns a Reserve to the open pairing, they shall be entitled to the minimum duty Rigs set forth in Section 6, Paragraph A. and B.; and

7.H.11.

Only two (2) Flight Attendants may participate in a trip trade. Three (3) way trades are not permitted. One (1) Flight Attendant may drop one (1) or more pairings to another Flight Attendant without picking up any pairing in return.

7.H.12.

Trip trade requests must be for trips originating in the same bid month. No month-to-month trades are allowed.

7.H.13.

Open time trades involving an unequal number of days cannot cause a decrease of flight time of more than three hours (3:00) scheduled flight time. Open time trades involving an equal number of days are not subject to the three hours (3:00) decrease parameter.

7.H.14.

A single duty period pairing which contains a flight segment that departs the Base before midnight and a return segment arriving back in the Base after midnight Home Domicile time will be considered to be a one-day pairing. For trip trading purposes, this pairing will be considered to occur on the pairing origination date.

7.H.15.

Open time trades may involve multiple pairings.

7.H.16.

Trip trades with open time will be allowed only when sufficient Reserve coverage exists as determined by Scheduling.

7.H.17.

At its sole discretion, the Company shall determine the specific staffing parameters and metrics that govern trip-trading. The Company agrees to share the general methodology and variables with the AFA Scheduling Chair. Upon request, the AFA Scheduling Chair shall be given the opportunity to consult with and make recommendations to the Company on trade criteria, review specific staffing parameters and metrics, system performance, system upgrades, and error resolution.

7.H.18.

The placement of trips on other Flight Attendant's lines to facilitate trading ("parking") is not permitted.

7.H.19. COMBINED DUTY

7.H.19.a.

Combined duty shall be the combination of two pairings where the last duty period of the first pairing is combined with the first duty period of the second pairing into a legal duty period. There must be a minimum of one hour and thirty-one minutes (1:31) block-in to block-out between pairings scheduled for the same duty period. If a combined duty period contains an International segment, the International rest and duty limitations shall apply.

7.H.19.b.

Combined duty can only be the direct result of a trip trade by the Flight Attendant.

7.H.19.c.

When any of the pairings involved in the combined duty are modified or substituted, the normal legal rest provisions of Section 6 between the pairings shall apply.

7.I. OUT OF BASE TRADES

7.I.1.

Flight Attendants may pick up an out of base pairing in open time in any Base beginning at 2000 Home Domicile Time for that Base the day before the start of the pairing, provided that the Flight Attendant has the designated special qualifications for the pairing, if any.

7.I.2.

Flight Attendants may pick up an advertised trip from other Flight Attendants in any Base beginning at 2000 Home Domicile Time for that Base the day before the start of the pairing, provided that the Flight Attendant has the designated special qualification for the advertised trip, if any.

7.J. TRIP TRADES AND PICK UPS INVOLVING QUALIFIED INTERNATIONAL PURSERS

7.J.1.

A Flight Attendant filling an International Purser line for the month may trade for or pick up any open trip in accordance with the provisions of the Agreement.

7.J.1.a.

International Purser qualified Flight Attendants may only trade an International Purser pairing for another International Purser pairing in Open Time.

7.J.1.b.

An International Purser qualified Flight Attendant may trade a non-International Purser pairing for an International Purser pairing in Open Time.

7.J.2.

International Purser qualified Flight Attendants cannot drop International Purser trips to anyone who is not a qualified International Purser, however, an International Purser can pick up a trip from another Flight Attendant in their Base, if they meet the qualifications for that trip.

7.J.3.

Only International Purser-qualified Flight Attendants can trade for open International Purser trips.

7.J.4.

International Pursers will be paid the Flight Attendant rate of pay when they acquire non-Qualified International Purser trips.

7.K. TRIP TRADES AND PICK UPS INVOLVING LANGUAGE QUALIFIED ("LQ") FLIGHT ATTENDANTS

7.K.1.

A Flight Attendant filling a Language Qualified line for the month may pick up any open trip in accordance with the provisions of the Agreement. A Language Qualified Flight Attendant may only trade a language pairing for another pairing of the same language in Open Time or with a Flight Attendant who is qualified in the same language.

7.K.1.a.

Language-Qualified Flight Attendants may trade different language pairings with other Flight Attendants as long as the individual obtaining the pairing holds the required language qualifications for the pairings involved.

7.K.2.

A Language-Qualified Flight Attendant may trade a non- language pairing for a language pairing in Open Time.

7.L. PERSONAL DROP

7.L.1.

Flight Attendants may personal drop a pairing or a reserve availability day subject to operational requirements.

7.L.2.

Requests will be accepted starting at Noon Home Domicile Time on the 24th of the month prior. Requests for a particular pairing/reserve availability day will be reviewed and may be awarded each day beginning seven (7) days prior to the day the pairing/reserve availability day is scheduled to report, and each subsequent day up to and including the day before the pairing/reserve availability day is scheduled to report. The requests will be granted on a first come, first served basis. Additional personal drops may be granted, on a first come, first served basis up until the report time of the trip for which it is requested with the Flight Attendant's concurrence.

7.L.3.

If the Company is not able to grant a particular request due to operational requirements, the Company will continue to grant based on operational requirements subsequent request(s) in first come, first served order.

7.L.4.

Flight attendants may drop a portion/portions of a trip when it transits the base the day of the trip, if staffing allows. The original value of the pairing shall be reduced by the scheduled flight time of the segments dropped. The portion of the trip placed into open time shall be credited with the greater of the scheduled or actual flight time for the segments. A partial trip drop transaction, in and of itself, shall not generate a rig or hotel room. If the portion of the trip is subsequently assigned to a Reserve, the Reserve will receive rigs and hotel rooms attributable to the trip.

7.L.5.

Flight Attendants with Special Qualifications may be granted or denied a personal drop when, in the opinion of Crew Scheduling, that individual's Special Qualification will be required in the operation.

7.M. TRIP TRADES TRIP TRADES INVOLVING TRIPS HAVING DAYS WHICH ARE BLOCKED DUE TO MINIMUM STAFFING REQUIREMENTS

7.M.1.

Reserves Needed means the minimum number of Reserve Flight Attendants needed to staff flights, as determined by the Company ("MIN LVL" – available on the CMPD screen in CMS), as established in 7.H.17.

7.M.2.

Reserves Available means actual Flight Attendant Reserves available for duty (“NET RESV” – available on the CMPD screen in CMS).

7.M.3.

To calculate Reserve Coverage for a particular day, subtract Reserves Needed from Reserves Available.

7.M.4.

To determine Reserve Coverage for a pairing, add the cumulative sum of Reserve Coverage for each day of the pairing.

Example:

Date:	7th	8th	9th
Reserves Available:	94	102	107
Reserves Needed:	100	100	110
Reserve Coverage:	-6	+2	-3

Reserve Coverage for this three day trip is -7 (-6+2.3)

7.M.5.

Flight Attendants desiring to trade two (2) trips each of which contains one (1) or more days that are blocked due to minimum staffing coverage restrictions may do so if the trip being dropped has a greater cumulative sum Reserve Coverage than the trip being picked up, and:

7.M.5.a.

If the trip being dropped occurs later in the month, its lowest Reserve Coverage day can be no more than five (5) lower than the lowest Reserve Coverage day on the trip being picked up, or

7.M.5.b.

If the trip being dropped occurs earlier in the month, its lowest Reserve Coverage can be no lower than the lowest Reserve Coverage day on the trip being picked up. This trade must be executed at least seven (7) days prior to the first day of the trip being dropped.

7.M.6.

Trading Example 1:

	Trip 1			Trip 2		
Date:	7th	8th	9th	18th	19th	20th
NET:	95	102	107	104	109	94
LVL:	100	100	110	100	110	100
TOT:	-5	+2	-3	+4	-1	-6

The Reserve Coverage for Trip 1 is (-5+2-3) = -6

The Reserve Coverage for Trip 2 is (+4-1-6) = -3

A Flight Attendant wants to drop Trip 2 and pick up Trip 1. Since Trip 2 (the trip being dropped) has better Reserve Coverage, the trip trade is acceptable under Paragraph 7.M.5, above. Trip 2 is later in the month, so Paragraph 7.M.5.a.

applies. The lowest day in Trip 2 is -6, and the lowest day in Trip 1 is -5. Since the lowest day in Trip 2 is only 1 lower than the lowest day in Trip 1, the trade is allowed under paragraph 7.M.5.a.

Trading Example 2:

	Trip 3			Trip 4		
Date:	9th	10th	11th	18th	19th	20th
NET:	105	108	97	94	100	109
LVL:	100	110	105	100	100	110
TOT:	+5	-2	-8	-6	0	-1

The Reserve Coverage for Trip 3 is $(+5-2-8) = -5$

The Reserve Coverage for Trip 4 is $(-6+0-1) = -7$

On the third day of the month a Flight Attendant wants to drop Trip 3 and pick up Trip 4. Since Trip 3 (the trip being dropped) has higher Reserve Coverage, the trade is acceptable under Paragraph 7.M.5. Trip 3 is earlier in the month, so Paragraph 7.M.5.b. applies. Since the lowest day in Trip 3 (-8) is lower than the lowest day in Trip 4 (-6), the trade would be denied. In addition, the trip trade does not occur at least seven (7) days prior to the first day of Trip 3 (the 2nd), and would be denied for this reason also.

7.M.7.

All trip trades involving carryover pairings will be handled pursuant to the rules of this Section 7.M.

7.M.7.a.

The beginning Reserve Coverage for days in carryover trips occurring in the following bid month will be considered to be zero (0).

7.M.7.b.

When a Flight Attendant trades off of a day in a carryover trip which occurs in the following bid month, the Reserve Coverage will be reduced by one (1).

7.M.7.c.

When a Flight Attendant picks up a day in a carryover trip which occurs in the following bid month, the Reserve Coverage will be increased by one (1).

7.M.8.

In summary, if the trip you want to drop is later in the month than the trip you want to pick up, Paragraphs 7.M.5. and 7.M.5.a. above apply. If the trip you want to drop is earlier in the month than the one you want to pick up, Paragraphs 7.M.5. and 7.M.5.b. above apply. If the trip you want to drop is earlier in the month than the one you want to pick up, the trade must be accomplished seven calendar days before the first day of the trip being dropped (see Paragraph 7.M.5.b.). Finally, both trips must have blocked days (see Paragraph 7.M.5).

7.N. SENIORITY OPTION

Under the following circumstances Reserve Flight Attendants and International Purser/Purser may be opted out of a position by a more senior Flight Attendant.

7.N.1.

At the airport, only the open bid position is available for senior option.

7.N.2.

If a more senior Flight Attendant opts for the open bid position, the Reserve Flight Attendant assumes the position vacated by the more senior Flight Attendant.

7.N.3.

The Reserve may only be opted out of a position once, and the seniority option can occur only at the beginning of a pairing during the crew briefing and before preflight duties begin.

7.N.4.

Reserve Flight Attendants assigned to a load position, which is a different pairing number, shall not be opted out of the position, unless the pairings contain identical flight segments.

7.N.5.

Reserve LQ Flight Attendants may only be opted by senior LQ Flight Attendants having the same primary language qualification. Reserve Flight Attendants not qualified in the designated language assigned to an LQ position may be opted by a more senior Flight Attendant.

7.N.6.

International Purser Reserve Flight Attendants may only be opted by senior International Purser Flight Attendants. An International Purser Qualified Flight Attendant shall have priority over a non-International Purser Flight Attendant to senior opt a non-International Purser Reserve from an open bid position that has been designated as International Purser.

7.N.7.

If the Purser ("A" position) is picked up from open time, seniority option shall be permitted among the Flight Attendants on the same or mirror pairing.

7.N.8.

If the International Purser position is picked up from Open Time by a non-International Purser, seniority option shall be permitted among the Flight Attendants on the same or mirror pairing. International Purser qualified Flight Attendants shall have priority over non-International Purser qualified Flight Attendants.

7.O. JETWAY TRADES**7.O.1.**

A Flight Attendant may drop the last segment of a pairing to another Flight Attendant by contacting Scheduling no earlier than one (1) calendar day and no later than four (4) hours prior to the scheduled departure of the segment to be traded for all segments that depart and arrive within the United States (including Alaska, Hawaii, Puerto Rico). For flights to/from FRA, GUM, HKG, LHR, NRT and other Flight Attendant Domiciles, a Flight Attendant may drop the last segment of a pairing to another Flight Attendant by calling Scheduling no earlier than one (1) calendar day and no later than six (6) hours prior to the scheduled departure of the segment to be traded. These trades may not be processed

during periods of significant irregular operations, or emergency situations unless the process can be automated.

7.O.2.

The Jetway Trade shall be approved under the following conditions:

7.O.2.a.

Both Flight Attendants are Lineholders.

7.O.2.b.

Notwithstanding Paragraph 7.O.2.a. above, a Reserve going into days off may Jetway Trade the last segment of a pairing with the approval of Crew Scheduling.

7.O.2.c.

The Flight Attendant trading into the last segment must be on an unassigned day and meet all legalities and qualifications required. The trade will not be approved if it results in any legality for either Flight Attendant.

7.O.2.d.

The segment traded is not a deadhead segment.

7.O.3.

The Flight Attendant who traded into the last segment of the pairing must confirm with Scheduling no earlier than six (6) hours and no later than two (2) hours prior to scheduled departure. They must check in for the flight at the designated reporting time and location in accordance with Section 6.Q. or the bid cover letter as applicable.

7.O.4.

The original Flight Attendant must remain in position and with the aircraft, if applicable, until the replacement Flight Attendant is present, (i.e., there must be a physical handoff at the airplane or designated check-in location). The replacement Flight Attendant must be at the airplane or designated check-in location no later than the check-in times listed in Section 6.Q. or the bid cover letter as applicable. If, for any reason the replacement Flight Attendant does not report for duty, the original Flight Attendant must operate the segment.

7.O.5.

Once the trade is approved, neither Flight Attendant may trade or be awarded PTO, a personal drop or DAT for the pairing or portion of the pairing.

7.O.6.

The value of the pairing for the Flight Attendant trading out shall be reduced by the scheduled flight time of the segment traded.

7.O.7.

The replacement Flight Attendant's line of flying shall be credited with the greater of the scheduled or actual flight time for the segment.

7.O.8.

A Jetway Trade, in and of itself, shall not generate a rig for either Flight Attendant.

7.O.9.

In the event the original Flight Attendant is reassigned or drafted before the replacement Flight Attendant has confirmed with Scheduling, the Jetway Trade shall be considered void.

7.O.10.

In the event the original Flight Attendant is reassigned or drafted from a segment other than the traded segment, the Jetway Trade will be considered void.

7.O.11.

In the event the original Flight Attendant is reassigned or drafted from the traded segment after the replacement Flight Attendant has confirmed with Scheduling but before they have checked in, both Flight Attendants shall mutually determine who will continue the assignment and shall advise Scheduling. If there is no agreement, the original Flight Attendant will fly the balance of the pairing. If the replacement Flight Attendant does not check in, the original Flight Attendant shall be required to complete the assignment.

7.O.12.

In the event the replacement Flight Attendant is drafted or reassigned after they have checked in, all applicable provisions regarding IREE and reassignment shall apply. In addition the drafting and/or reassignment shall follow the minimum duty rig or trip rig provisions of Sections 6.A. and 6.B.

7.O.13.

If the replacement Flight Attendant is illegal for their next pairing after completing the traded segment, they shall be removed from the pairing and shall not receive pay protection nor be subject to reassignment.

7.P. PERSONAL TIME OFF

7.P.1.

Guaranteed PTO time will be made available to Flight Attendants on a daily basis regardless of White Flag or Purple Flag. Guaranteed PTO will consist of one percent (1%) of a Domicile's active Flight Attendant population on any day. Such PTO will be granted on a seniority basis a day at a time to Flight Attendants; however, to ensure equitable distribution, Flight Attendants may use the guaranteed PTO for eight (8) days a year. The daily percentage will be allocated in two (2) equal parts (any fraction will be allocated to the fifteen [15] day-in-advance portion). The first part will be awarded fifteen (15) days in advance. Any unused PTO will be allocated to the corresponding five (5) day-in-advance portion. A one (1) day notice will be required to qualify for the remaining guaranteed PTO time. If the needs of the service permit, however, any unused slots may continue to be available until 0001 of the requested day. Such requests will have priority over personal drops.

7.P.2.

PTO shall not be awarded to a Flight Attendant who is on duty and unavailable to utilize such PTO.

7.P.3.

Flight time lost due to Personal Time Off may be made up during the month taken if authorized by Inflight Scheduling.

7.P.4.

If a PTO day will cause a Reserve to be unable to be assigned on their remaining days of availability, the Reserve will be placed on PTO for the day requested and CNF for the subsequent days on in the reserve block if the next block of days off are Set days.

7.Q. LOSS OF FLIGHT TIME

7.Q.1. NOTICE ON SAME CALENDAR DAY AS DEPARTURE

7.Q.1.a. PRIOR TO REPORTING AT BASE

When a Flight Attendant has a loss of flight time prior to their reporting at Base, the Flight Attendant will be contacted by Notiflyer, or other electronic means, to advise them of the loss of flight time. The Flight Attendant shall be responsible to acknowledge any such communication and remain available for assignment pursuant to paragraph 7.Q.1.d., below.

7.Q.1.a.(1).

Flight Attendants who do not acknowledge the priority message within fifteen minutes (:15) of being contacted by Notiflyer, or other electronic means, will be contacted up to an additional two (2) times, spaced approximately fifteen minutes (:15) apart. If the Flight Attendant has not acknowledged the call within five minutes (:05) of the final call, the Flight Attendant will be considered to have been notified.

7.Q.1.a.(2).

If a Flight Attendant is contacted, pursuant to Paragraph 7.Q.1.a.(1), above, and the first contact is at least two hours and fifteen minutes (2:15) before the scheduled check in time for the pairing, their duty time will be adjusted to the revised check-in time so long as that check-in time is no earlier than originally scheduled. If the first contact is within two hours and fifteen minutes (2:15) of the check-in time of the pairing, the duty time will remain at the originally scheduled check in time.

7.Q.1.b. CHECK-IN

Upon reporting for the initial duty period of a pairing, a Flight Attendant shall check CCS, or its future equivalent, and acknowledge any priority messages. The Flight Attendant shall be responsible for any schedule changes contained in those messages.

7.Q.1.c. AFTER CHECK-IN PRIOR TO DEPARTURE AT BASE

In the event a Flight Attendant's flight cancels prior to departure from their base, the Flight Attendant shall check CCS, or its future equivalent, and acknowledge any priority message.

7.Q.1.c.(1).

If, after checking CCS, or its future equivalent, the Flight Attendant has not been rescheduled, they will remain available for contact by Crew Scheduling, Notiflyer, or other electronic means, for a reassignment within the timeframe specified in 7.Q.1.d. The Flight Attendant shall acknowledge any priority message and shall be responsible for any schedule changes contained in that message.

7.Q.1.d.

Within four hours (4:00) of cancellation of a flight, a Flight Attendant who has

lost their pairing or any portion thereof for any reason other than their own unavailability for duty, they may:

7.Q.1.d.(1).

With the concurrence of the Company, be relieved of all assignment responsibility with no loss of pay, or

7.Q.1.d.(2).

Be given a replacement pairing. Upon request a Flight Attendant will be provided a hotel room at Base for reassignments departing the next day or subsequent days if the pairing is scheduled to depart later.

7.Q.1.e.

The time of the flight cancellation shall be recorded in the Flight Attendant's Master Schedule history screen.

7.Q.1.f.

Nothing in this paragraph 7.Q.1. shall prevent a Flight Attendant from contacting Crew Scheduling immediately following acknowledgment of a priority message in the event they believe the schedule change to be in violation of the Agreement. The acknowledgement of a message shall not constitute a waiver of the Flight Attendant's ability to challenge the legality of any assignment.

7.Q.2. NOTICE OF ONE OR MORE CALENDAR DAYS

At the time of the notification, which may be by Crew Scheduling, Notiflyer or its future equivalent, if the Company does not advise the Flight Attendant of a replacement pairing(s) or relieve them of responsibility, at their option the Flight Attendant will.

7.Q.2.a.

Make up the time lost on days not originally scheduled to fly in which case their line guarantee will be adjusted. They will then be relieved of all reassignment responsibility.

7.Q.2.b.

Make up the time as close as possible to the time lost on days originally scheduled to fly with no loss of pay. They will then be relieved of all reassignment responsibilities;

7.Q.2.c.

Be subject to reassignment in accordance with the following:

7.Q.2.c.(1).

If they choose to remain subject to reassignment, the Flight Attendant must contact Scheduling between 1800 and 2200 local time the day before the original trip was scheduled to depart. Scheduling will either reassign the Flight Attendant or relieve them of all responsibility with no loss of pay.

7.Q.3.

In the application of paragraph 7.Q.2, the Company may automate the process for Flight Attendants to select their options using CCS or its future equivalent consistent with the terms of the Electronic Communications Letter of Agreement.

7.Q.4.

Reassignment and/or replacement pairing provided for in Paragraphs Section

7.Q.1. and Section 7.Q.2. above will comply with the following:

7.Q.4.a.

Reassignments may not be scheduled to depart earlier than two hours (2:00) before the scheduled departure of the trip lost. If an earlier reassignment interferes with a Flight Attendant's prior day off, they shall receive \$20.00 per hour, in addition to their regular rate of pay, for all time worked prior to the scheduled departure of the trip lost.

7.Q.4.b.

Reassignments may not be scheduled to interfere with the next scheduled calendar day off appearing in the Flight Attendant's bid line without the Flight Attendant's consent. If the Flight Attendant consents to a reassignment that interferes with their next scheduled day off, in addition to the restoration of days off provided in Section 7.R., the Flight Attendant will be paid 150% pay for all block hours flown in each scheduled day off for the reassignment.

7.Q.4.c.

Notwithstanding Section 7.Q.4.b. above, Flight Attendants based at an International Domicile, other than Honolulu and Guam, may be reassigned to a trip scheduled to return to their Base within twenty-four hours (24:00) of their original scheduled arrival.

7.Q.4.c.(1).

Flight Attendants who receive reassignments under this Section 7.Q.4.c. shall receive pay in accordance with below Section 7.Q.4.d.

7.Q.4.c.(2).

Reassignments pursuant to this Section 7.Q.4.c. shall not apply in International Domiciles where 25% or more of the trips in the bid packet are less than three (3) days. In those locations, Section 7.Q.4.a. and b. above, shall apply.

7.Q.4.d.

Flight Attendants who are reassigned to trips other than those resulting from changeover pairings, which are scheduled to terminate more than two hours (2:00) after the original scheduled arrival time of the trip lost, shall receive \$20.00 per hour and fraction thereof (prorated), in addition to their regular rate of pay, for all time on duty beyond the original scheduled arrival time of the trip lost.

7.Q.4.e.

Reassignments may be a combination of multiple and/or single duty periods.

7.Q.4.f.

Priority will be given to assigning Flight Attendants to pairings in the same operation and the same number of days.

**7.Q.5. REASSIGNMENTS WHICH OCCUR AFTER LEAVING
THE BASE WILL COMPLY WITH THE FOLLOWING:**

7.Q.5.a.

If, after leaving their Base, a Flight Attendant loses a portion of a scheduled trip, they may be reassigned other flying provided the trip is scheduled to return the Flight Attendant to their Base within twelve hours (12:00) of their original

scheduled arrival. The assignment cannot be scheduled to extend more than eight hours (8:00) into a Flight Attendant's calendar day off.

7.Q.5.b.

When Crew Scheduling determines that it is necessary to reschedule a Flight Attendant downline, they will always attempt to provide a complete reassignment upon the initial contact between Scheduling and the Flight Attendant;

7.Q.5.c.

When, in Crew Scheduling's opinion, it is not possible to provide the complete reassignment and the only reassignment at that time is to return the Flight Attendant to their Base, Crew Scheduling may, at its option, and consistent with the terms of Section 7.Q.5., assign the Flight Attendant as follows:

7.Q.5.c.(1).

Not later than the actual arrival (block-in) of the rescheduled flight to Base, Crew Scheduling may update the existing pairing to include additional flying;

7.Q.5.c.(2).

If such flying is within the same duty period, it must comply with the terms of Sections 6.S., 6.T., or 6.U., as applicable;

7.Q.5.c.(3).

If such flying is outside of the current duty period, the flight attendant must:

7.Q.5.c.(3).(a).

Have appropriate layover rest consistent with the terms of Section 6.V.3 or 6.W.1., as applicable, between the duty periods;

7.Q.5.c.(3).(b).

Be provided a hotel room for any layover(s) that occur at their base;

7.Q.5.d.

The parties recognize that any reassignment pursuant to 7.Q.5.c. above, must be accomplished through the modification of the Flight Attendant's existing pairing in order to maintain continuous per diem and time away from base calculations based on the original report time for that pairing;

7.Q.5.e.

If Crew Scheduling is unable to provide the complete reassignment under 7.Q.5.b. above, but fails to modify the existing pairing to include additional flying under the terms of 7.Q.5.c. above, upon actual arrival (block-in) of the rescheduled flight at Base, and following any debrief/customs requirements, the Flight Attendant will be released without a reduction in pay and without any further reassignment obligation;

7.Q.5.f.

If the reassigned trip causes a Flight Attendant to be on duty four hours (4:00) or more into the Flight Attendant's calendar day off, or past midnight if their originally scheduled arrival time was 1900 local time or earlier, the Flight Attendant will have their day off restored through mutual arrangement with Scheduling or receive five hours (5:00) pay and credit in lieu of restoring the day off (providing they maintain the ten (10) day off minimum). Flight Attendants who are so reassigned, shall receive \$20.00 per hour and fraction thereof

(prorated), in addition to their regular rate of pay, for all time on duty beyond the original scheduled arrival time of the trip lost.

7.Q.5.g.

A Flight Attendant who is required to remain at a downline location to protect equipment that is unserviceable for mechanical reasons will be returned to their Base no later than twenty-four hours (24:00) after their originally scheduled return. If this requirement causes a Flight Attendant to be on duty four hours (4:00) or more into the Flight Attendant's calendar day off, the Flight Attendant will have their day off restored through mutual agreement with Scheduling or receive five hours (5:00) pay and credit in lieu of restoring the day off (providing they maintain the ten (10) day off minimum or twelve (12) day off minimum for Reserves).

7.Q.5.h.

With their concurrence, a Flight Attendant may be reassigned to a trip(s) which exceeds the parameters above.

7.Q.5.i.

After leaving their Base a Flight Attendant may be reassigned even though the Flight Attendant's trip(s) is operating.

7.Q.5.j. ELECTRONIC NOTIFICATION OF REASSIGNMENTS

7.Q.5.j.(1). DURING FLIGHT/UPON ARRIVAL – FOLLOWING DEPLANING

A Flight Attendant who has received a push notification from Crew Scheduling during a flight shall acknowledge the notification and shall be responsible for any schedule changes contained in those messages.

7.Q.5.j.(2). DURING A SCHEDULED SIT

In the event a change to a Flight Attendant's schedule occurs during a scheduled sit, the Flight Attendant will be contacted by Notifyer, or its future equivalent, to advise them of a change to their schedule. If the Flight Attendant acknowledges the message they shall be responsible for any schedule changes contained in those messages. If the Flight Attendant does not acknowledge the message, the Company shall continue to attempt to contact the Flight Attendant to advise them of the schedule change.

7.Q.5.j.(3). LAYOVER

Any change to the first segment of the next duty period that results in a change to report time, a Crew Scheduler will attempt to contact each Flight Attendant at the contact number(s) they have provided in CCS, or its future equivalent, and at the layover hotel. This requirement will be waived if the Flight Attendant acknowledges the priority message sent in CCS as a result of the pairing modification. Flight Attendants are not on call during a layover. Crew Scheduling may contact the Flight Attendant pursuant to the terms of 6.Y.3. Upon receipt, the Flight Attendant shall acknowledge the priority message in CCS or contact Crew Scheduling.

7.Q.5.j.(3)(a).

Upon reporting following a layover, a Flight Attendant shall check CCS, or its future equivalent, and acknowledge any priority messages. The Flight Attendant shall be responsible for any schedule changes contained in those messages.

7.Q.6.

When a Flight Attendant becomes ineligible for their next scheduled trip(s), they shall notify Scheduling as soon as possible upon return to their Base from the trip which caused them to become ineligible. At that time they shall be subject to reassignment in accordance with this Paragraph Q.

7.Q.7. EQUIPMENT CHANGE

7.Q.7.a.

In the event of an equipment change, Flight Attendants shall assume work positions on the new equipment based on the position matrices published in the bid packet. The position assignment process on board the aircraft will be the responsibility of the Purser.

7.Q.7.b.

In the event of an equipment change which does not require the original number of Flight Attendants scheduled, Scheduling will first reassign Reserves, if any. If the Reserve is not reassigned to a different flight, they will be included in the senior option as provided in Paragraph 7.Q.7.b.(1).

7.Q.7.b.(1).

If the trip still does not require the remaining number of Flight Attendants, the senior bid Lineholder(s) may take or opt off the trip. However, LQ Flight Attendant(s) and the International Purser may be required to take or complete the trip when the trip still needs their special qualification(s).

7.Q.7.b.(2).

If the trip does not require the original number of LQ Flight Attendants, the senior LQ Flight Attendant may take or opt off the trip. Any surplus LQ Flight Attendant(s) shall then be grouped by seniority with the other, non-LQ Flight Attendants to determine who will work the trip.

7.Q.7.b.(3).

The surplus Flight Attendant (who is either bumped off or who opts off the trip) shall, at their option, be pay protected in accordance with the provisions of Paragraph Q.

7.Q.8.

When a Flight Attendant's next scheduled flight is operating and the Flight Attendant is legal, available and in position to fly, they may be required to operate that flight.

7.R. RESTORATION OF DAYS OFF

7.R.1.

A Flight Attendant who is entitled to restoration of a day(s) off and who declines payment for the day must be given the day off within ninety (90) days after the original day(s) was lost, on a regular scheduled work day(s). When there is a choice of days off to be restored, the restoration will be given on a day(s) mutually agreed upon by Scheduling and the Flight Attendant. If Crew Scheduling does not agree to the Flight Attendant's preferred date and there are other dates on which a day could be restored, Crew Scheduling will provide the alternate dates within the Flight Attendant's current schedule on which restoration may be available.

7.R.2.

Restoration of a day(s) off during a multiple day pairing will be either the first or last day of the pairing subject to mutual agreement between the Flight Attendant and Scheduling.

7.R.2.a.

A Flight Attendant who desires a day off restored in the following bid period may also call Crew Scheduling during the 'work with' window on the 22nd day of the month, which is the day prior to the open time window opening to adjust their schedule. During the "work with" window, all trips on the Flight Attendant's line may be utilized for restoration of days off.

7.R.2.b.

A Flight Attendant will receive pay and credit for the value of the flight time lost on the restored day(s).

7.R.2.c.

If a Flight Attendant must drop a multiple day pairing to restore a day(s) off, they will have the option of not accepting reassignment for the remainder of the dropped pairing. In this case the Flight Attendant will either have their guarantee reduced or receive their pay guarantee in accordance with Paragraph Q.

7.R.2.d.

Unless a Flight Attendant declines payment or will be unable to maintain their applicable day minimum, they will receive five hours (5:00) pay in addition to all other pay for the month in lieu of a restored day(s) off.

7.R.3.

If the day being restored was a Reserve Flight Attendant's Set day off, the restored day will likewise be Set. If the lost day off is not restored as provided above within ninety (90) days, the Flight Attendant will be paid five hours (5:00) pay in addition to all other pay for the month for the lost day off.

7.R.4.

When a Reserve is worked on or into a day off, they shall have their day(s) off restored pursuant to the terms of Section 8.I.1.i.

7.R.5.

A Lineholder must have a minimum of ten (10) calendar days free from duty at their Base within each bid period, unless waived by the Flight Attendant per Section 6.P.2.a. If in actual operations, the Flight Attendant works past midnight on their day off their schedule will be adjusted to restore the minimum day(s) off. If such rescheduling results in the substitution of pairing(s) of less scheduled flight time than the pairing dropped, or in dropping a pairing without substitution of another pairing, they will receive the scheduled flight time credit and pay of the pairing(s) dropped. A Flight Attendant may choose to be paid five hours (5:00) for the day off or have the day off restored within ninety (90) days per paragraph 1 above.

7.S. ASSIGNMENT OF OPEN PAIRINGS

7.S.1.

Assignments for open flying shall be in the order as listed below. If there are two (2) or more Flight Attendants on a pairing or identical pairings, the reassignment

will be according to seniority preference. Priority will be given to assigning Flight Attendants to pairings in the same operation and the same number of days.

7.S.2.

Lineholders shall be considered drafted when assigned, while off duty, in inverse order of seniority and in priority among those available and qualified. In addition, Lineholders shall be considered drafted when removed from their assigned flight for which they are legal, available and in position to fly, and assigned to cover any other flights. Drafting assignments for open pairings at a Base shall not be made more than six (6) hours prior to scheduled departure.

7.S.3. ORDER OF ASSIGNMENT

7.S.3.a. A HOME LINEHOLDER

A home Lineholder who desires to increase flight time, provided the assignment would not disrupt their assigned schedule or project them over maximum credited hours if applicable. Time which has not been assigned to a Lineholder per Paragraph Q. above or to a Reserve shall be promptly placed into open time as it becomes available. At any time during the order of assignment process, Flight Attendants may pick up time which has been placed into open time.

7.S.3.b.(2).

Who has lost their flight or pairing, if in the opinion of the crew scheduler such reassignment will prevent drafting. The reassignment must be prior to the Flight Attendant's next scheduled pairing and not cause them to be illegal for their next pairing or sequence of pairings, reduce days off below the monthly minimum, or project over ninety-five (95) credit hours for the month.

7.T. IRREGULAR OPERATIONS

This provision provides for the steps taken to cover a flight which is open because of irregular operations.

7.T.1. FLIGHT COVERAGE AT DOMICILE POINTS

7.T.1.a.

This provision provides for the steps taken to cover a flight which is open because of irregular operations. When a visiting Flight Attendant will not be able to connect, or is illegal for their regular flight, protection for that flight may be provided as follows, in the order listed. All such assignments shall be made pursuant to Paragraph Q. In all cases the Flight Attendant who is reassigned to cover the visiting Flight Attendant's flight must be legal for their own next scheduled flight.

7.T.1.a.(1).

Move up another Flight Attendant from the same Domicile as the regular crew on the flight. Assign their flight to the Flight Attendant who cannot connect their own return flight.

7.T.1.a.(2).

interfere with either crew's schedule and when the flights are to the same general destination.

7.T.1.a.(3).

7.T.1.a.(4).

Consider the return flight open and reassign the visiting Flight Attendant per Paragraph Q.

7.T.2. REASSIGNMENT OF FLIGHT ATTENDANTS AT DOMESTIC NON-DOMICILE POINTS

7.T.2.a.

When irregularities or illegalities prevent visiting Flight Attendants from working the regularly assigned flights, they will work the open flights available to them on a first in, first out or "FIFO" basis. If two (2) or more Flight Attendants have the same arrival time, assignments will be made on seniority preference.

7.T.2.b.

A Flight Attendant will normally be assigned only to flights toward their Domicile. If this is not possible, the following order of assignment takes precedence:

7.T.2.b.(1).

The direction and destination of the open flight will expeditiously and efficiently return the Flight Attendant to their regularly assigned schedule.

7.T.2.b.(2).

The flight is normally flown by their Domicile.

7.T.2.b.(3).

They are the only Flight Attendant legal to work the open flight.

7.T.3.

In the application of Paragraphs T.1. and T.2. above, priority will be given to assigning Flight Attendants to pairings in the same operation.

7.T.4.

At an International non-Domicile point, the following reassignment priorities will apply:

7.T.4.a.

Open flights will be filled on a FIFO basis from crews headed in the same direction.

7.T.4.b.

When an inbound crew is not legal for its regular outbound flight, protection for that flight will be provided by drafting the first available crew for whose flight the arriving crew would be legal.

7.T.4.c.

In the event of schedule irregularities that involve other than the same direction,

and protection cannot be provided in Paragraph b. above, the first legal crew available will be utilized.

7.U. POSITIVE CHECK-IN

7.V. SIGNING IN FOR NEXT FLIGHT

7.V.1.

At the home Domicile, a Flight Attendant shall not be required to sign in or call in for their next pairing.

7.V.2.

Away from the home Domicile, a Flight Attendant need not call in for their next scheduled flight unless they have not been assigned an outbound flight.

7.W. ON-TIME SECTIONS AND CONSOLIDATION OF FLIGHTS

7.W.1. ON-TIME SECTION

When a scheduled flight is operating so late that the Company decides to originate an on-time section at some down line point, the following will apply:

7.W.1.a.

If the on-time section operates out of a regular change point for that flight, the Flight Attendants scheduled to work the regular flight will work the on-time section. If the regular flight operates through the change point later, the portion of it beyond the change point will be considered an open flight.

7.W.1.b.

If the delayed flight is normally worked as a through flight with no change of Flight Attendants at the point where the on-time section is going to originate, the on-time section will be considered an open flight.

7.W.2.

Consolidation of two flights is in effect a cancellation of one of them. The flight that operates, as determined by the flight number used, will be worked by its regularly assigned Flight Attendants.

7.W.3. CONNECTION TIME

7.W.3.a.

7.W.3.b.

In the actual operation when it appears the connecting time will be less than forty-five (45) minutes or sixty (60) minutes as applicable, or an orderly transfer cannot be made in the opinion of Inflight Scheduling, other protection should be provided. In the event forty-five (45) minutes or sixty (60) minutes as applicable, or more known connection time subsequently develops and/or an orderly transfer can be made in the opinion of Inflight Scheduling the originally scheduled Flight Attendants will cover their own flight, provided no legality problems or flight irregularities will be created.

7.X. NOTIFICATION

If a delay in flight departure or cancellation is known two (2) hours before scheduled departure, Flight Attendants will be notified via a call from Crew Scheduling, Notiflyer (or its future equivalent) or other electronic means of such delay or cancellation, as soon as possible, provided such delay is estimated to be more than thirty (30) minutes.

7.Y. INTERNATIONAL

7.Y.1. INTERNATIONAL PAIRINGS

For scheduling purposes, an International pairing may contain a domestic segment(s) provided that such domestic segment(s) may not exceed one on either or both sides of the International segment ("Mixed Pairings"). The total number of International Flight Attendant block hours assigned to U.S. Domiciles shall not be less than seventy percent (70%) of the total International Flight Attendant block hours flown in any schedule month.

7.Y.2.a.(2).

In the event the monthly flown block hour distribution fails to meet seventy percent (70%), the Company will allocate the necessary percentage adjustment within the subsequent two (2) schedule months. The Company will provide the Union each month with verifying documentation, including but not limited to Flight Attendant utilization reports, to demonstrate that the seventy percent (70%) ratio within the U.S. is being met.

7.Y.2.b.

The Company will not open a new International Domicile until the Company first provides to the Union data that supports language requirements in excess of those provided for in Section 9.G.5.a. The Union shall be given the opportunity to provide alternative solutions to the opening of a new International Domicile. Under no circumstances will the opening of a new International Domicile(s) decrease the seventy percent (70%) guarantee of the total International Flight Attendant block hours to be flown by U.S. Domiciles.

7.Y.3. OPENINGS

7.Y.3.a.

Prior to opening a new International Domicile, the Company shall determine the number of Flight Attendants needed to fly the international pairing(s). The established number of positions shall be made available for system bid.

7.Y.3.b.

Bids for the International Domicile shall be posted at all Domicile locations for a minimum of thirty (30) days. Bids shall state the number of assignments available; the qualifications necessary if applicable; the date the assignment is to begin; place where the bids are to be sent; and the last date on which they

will be received. All assignments shall be awarded in accordance with System Seniority. Bids for the language qualified positions shall be awarded on the basis of System Seniority as outlined in Section 9.G.1.c.

7.Z. STAFFING

7.Z.1.

The Company shall have established staffing guidelines ("ESG") to determine the number of Flight Attendants to be assigned to flights. The Company shall publish the ESG in the Flight Attendant Policies and Procedures Manual. A reasonable effort will be made by the Company to monitor and staff consistent with the ESG.

7.Z.2.

The MEC President or their designee and the Senior Vice President of Inflight or their designee shall hold regular quarterly meetings to discuss the Company's rationale(s) for the ESG standards and consider input from the Union on staffing issues. When the Company is planning to make changes to the existing ESG or establish new staffing guidelines, the Company shall provide notice to the Union prior to implementation. The Company further agrees that the Senior Vice President of Inflight or their designee shall meet at the request of the MEC President or their designee at a mutually agreeable time to consider the Union's input when: (1) the Company is considering changes to the ESG; or (2) the Company plans to place into service a new aircraft type or series, or a new configuration of an existing aircraft type or series that may impact Flight Attendant staffing. Once the Company has finalized any changes to the ESG or new staffing guidelines, it will communicate them in a clear and timely manner to the Union and the Flight Attendants.

8.B. RESERVE MOVE-UP TO LINE OF FLYING

8.B.1.

A line of flying which may be constructed from open time flying will be assigned to a Reserve unless they indicated that they did not want to be awarded a move-up line at the time of bidding by checking the appropriate box on their bid screen.

8.B.2.

A Reserve shall have the ability to place full move-up line requests in preferential order based on pairings showing in open time not later than 0800 Home Domicile time on the third to last day of the current bid month.

8.B.2.a.

Full move-up line requests must contain no less than the lineholder minimum guarantee of credited time but may not exceed ninety-five hours (95:00) of credited time, unless requested by the Flight Attendant.

8.B.2.a.(1).

Overlap hours from the previous month will not reduce the minimum hours of credited time required for building a move-up line.

8.B.2.a.(2).

If overlap hours bring the value of the move-up line above a monthly maximum, and that request is awarded, or if the Flight Attendant requests to be built above the ninety-five hour (95:00) maximum, the Flight Attendant shall be deemed to have waived that specific monthly maximum.

8.B.2.b.

If none of the full move-up line requests can be awarded because pairings are no longer available, the Flight Attendant's preferences shall be used to construct a move-up line.

8.B.2.c.

A Flight Attendant shall have the ability to place up to ten (10) move-up preferencing requests on file in priority order.

8.B.2.d.

In each of the move-up preferencing requests, the Flight Attendant shall be able to select from the following criteria:

8.B.2.d.(1). PAIRING LENGTH

The pairing lengths shall range from the shortest pairing to the longest pairing

in that Domicile's bid packet for the month. The Flight Attendant shall be able to select more than one (1) pairing length in a preference request. A move-up line where all the pairings match one or more of the preferenced pairing lengths shall be considered a match for that specific criterion, unless the Flight Attendant has indicated they are willing to accept a partial match.

8.B.2.d.(2). Domestic, International, both or no preference.

8.B.2.d.(3). LAYOVER CITY

The Flight Attendant shall be able to select one or more layover cities. A move-up line where all the pairings contain one or more of the preferenced layover cities shall be considered a match for that specific criterion, unless the Flight Attendant has indicated they are willing to accept a partial match.

8.B.2.d.(4). EARLIEST CHECK-IN

A move-up line where all the pairings match the preferenced earliest check-in time identified by the Flight Attendant shall be considered a match for that specific criterion, unless the Flight Attendant has indicated they are willing to accept a partial match.

8.B.2.d.(5). LATEST ARRIVAL

A move-up line where all the pairings match the preferenced latest arrival time identified by the Flight Attendant shall be considered a match for that specific criterion, unless the Flight Attendant has indicated they are willing to accept a partial match.

8.B.2.d.(6). EQUIPMENT

The Flight Attendant shall be able to select one (1) or more equipment types. A move-up line where any one segment in all the pairings in a move-up line match a preferenced equipment choice, the preferenced equipment shall be considered a match for that specific criterion, unless the Flight Attendant has indicated they are willing to accept a partial match.

8.B.2.d.(7). POSITION

The Flight Attendant shall be able to select one (1) or more positions. A move-up line where all the pairings match one or more of the preferenced positions shall be considered a match for that specific criterion, unless the Flight Attendant has indicated they are willing to accept a partial match.

8.B.2.d.(9). PAIRING NUMBER

The Flight Attendant shall be able to select one (1) or more pairing numbers, and specific date(s) if desired. A move-up line where all the pairings match one or more of the preferenced pairing numbers, and dates if specified, shall be considered a match for that specific criterion, unless the Flight Attendant has indicated they are willing to accept a partial match.

8.B.2.d.(10). INTERNATIONAL PURSER

A Flight Attendant who is designated as an International Purser may preference the International Purser position. Move-up line requests shall first be processed based on the Flight Attendant preferencing requests for that bid month.

If the Flight Attendant does not have preferencing requests on file for that bid month, their standing preferencing requests on file shall be used.

8.B.2.g.(3).

If the Flight Attendant does not have a preferencing request for that month or a standing preferencing request on file for that bid month, the default assignment order shall be any domestic line, then any international line, then any line which contains both domestic and international.

8.B.3.

The Reserve shall be allowed to remove their name from the move-up list at any time prior to the start of the move-up line building process. In addition, subsequent to the bid award a Reserve may place themselves on the move-up list in CCS up until the start of the move-up line building process. In such instance, the Reserve(s) will be placed on the bottom of the list.

8.B.4. MOVE-UP LINE AWARDS

8.B.4.a.

Additional flying remaining on the third to last day of the current bid month shall be placed in reserve move-up lines of flying to the extent the Company can maintain adequate reserve coverage.

8.C.2.

Within each group, Reserves shall be placed in credited flight time accrued (TMAC) order, with first-in-first-out (FIFO) order, then the higher seniority as the tiebreaker, if necessary. At the beginning of each bid month, in order to establish the Reserve availability lists, Reserves shall be placed in FIFO order, based on the scheduled arrival time of their last previous pairing(s). In the case of the same scheduled arrival time, the Reserves shall be placed on the availability list in inverse order of seniority, the most junior Reserve at the top of the list.

8.C.4.b.

When a pairing is available for assignment requiring either an International Purser or a Language Qualified Reserve, a Reserve with the required qualification may be assigned ahead of another Reserve who does not have the required qualification.

8.C.4.c.

When assigning a pairing requiring a Special Qualification, the pairing shall be assigned to the Reserve with the qualification who has the lowest TMAC within the appropriate day classification group.

8.C.4.d.

Pairings not requiring a Special Qualification will be assigned pursuant to Paragraph 8.C.3. above except Scheduling may bypass a Reserve with a Special Qualification when assigning pairings in order to have them available for a later assignment that is currently in Open Time or in "Sick Leave Trips" requiring their Special Qualification.

8.D. RESERVE PREFERENCING

8.D.1.

8.D.4.d.(7).

Equipment (If any one segment of the pairing contains a preferred equipment choice, the preference will be considered a match.);

8.D.4.d.(8).

Standby Reserve (based on days required);

8.D.4.d.(9).

Position

8.D.4.e.

An assignment shall be considered a match when all the criteria listed within a request by a Reserve are satisfied.

8.D.5.

At 1500, the list of assignments in Open Time will be captured and considered frozen.

8.D.6.

The following shall apply for Reserve Preferencing unless as provided in the rules below.

8.D.6.a.

Reserves within each group of days of availability ("day classification") shall be considered for open assignments matching the corresponding number of days of availability. A Reserve who has submitted a preference request(s) shall be assigned in time accrued order to the first open assignment that matches a request.

8.D.6.b.

If two or more Reserves in the same day classification indicate the same preference, the assignment will be made to the Reserve with the least time accrued. If they have the same time accrued, the assignment will be made to the most senior Reserve with the preference.

8.D.6.c.

The Reserve preferencing solution shall make all the assignments that could be matched, and assign the remaining Reserves within each group of days of availability in order to the first legal open assignments.

8.D.6.d.

If the Company makes assignments to Reserves outside of day classification, Reserve preferences for pairing length outside of day classification will be considered. If Reserve preferences are being considered outside of day classification, a preference may not be honored if there is a Reserve available whose days of availability more closely match the assignment.

8.D.6.e.

All Reserves, regardless of whether or not they have a preference on file, are eligible for an assignment.

8.D.7.

Reserves who have not received an assignment during the preferencing process shall be assigned in accordance with the Reserve Assignment process delineated in Paragraph E. below.

8.D.8.

When the number of open assignments is greater than the number of Reserves, the Company shall designate those assignments that shall be left uncovered.

8.D.9. QUALIFIED RESERVE FLIGHT ATTENDANTS

8.D.9.a.

Qualified International Purser positions shall be filled utilizing preferencing among those Reserves qualified as an International Purser.

8.D.9.b.

Language Qualified positions in a specific language shall be filled utilizing

preferencing among those Reserves qualified in the language required for the position.

8.D.9.c.

In the event there is not a Reserve with the specific Special Qualification available to be assigned to a position requiring a Special Qualification, that pairing shall be assigned following the regular order of assignment.

8.D.10. PREFERENCES NOT HONORED

8.D.10.a.

The Company may deny a preferencing request for an assignment if its check-in time is within one (1) hour of the conclusion of the legal rest associated with the Reserve's projected arrival of their current pairing.

8.D.10.b.

A Flight Attendant may receive an assignment out of time accrued order if they are the only Flight Attendant legal, qualified, and available for that assignment.

8.D.10.c.

A Flight Attendant may receive an assignment out of time accrued order if this is the only assignment for which they are legal, qualified and available.

8.D.10.d.

The Company may deviate from the above procedures based on Paragraph H.8. below.

8.D.10.e.

A preference may not be honored if it would result in decreasing the number of assignments, or result in earlier departures being uncovered.

8.D.10.f.

In the event of a system failure or a major disruption to the integrity of the operation, the Company shall be allowed to process Reserve assignments in flight time accrued (TMAC) order with first-in-first-out (FIFO) order, then the higher seniority as the tiebreaker if necessary.

8.D.11.

Release to check-in: Reserves assigned as part of the Reserve Preferencing shall be released to check-in.

8.E. POST-PREFERENCING PROCESSING AND RELEASE

8.E.1.

Reserves who are not assigned within the Reserve Preferencing system may be either released from contact for the following day or assigned to the Ready Reserve list for the following day where they shall be placed in appropriate time accrued order in accordance with Paragraph C. above. If released, Reserves shall be so advised by the communications system referred to in Paragraph F. below. If only a portion of the Ready Reserves can be released, they shall be those at the bottom of the respective time accrued list.

8.E.2.

Excess Reserves will be released when the number of Reserves still available

is equal to or greater than the projected number of Flight Attendants needed for the following day.

8.E.3.

Reserves who do not receive an assignment as part of Reserve Preferencing may receive an assignment as part of a process to assign pairings which become available after Reserve Preferencing that have not been picked up by a Lineholder.

8.F. RECEIPT OF ASSIGNMENTS THROUGH THE PREFERENCING SYSTEM

8.F.1.

Assignments for Reserves shall be made available in the Company's scheduling system (currently CCS), no later than 1930 hours. All Reserves scheduled to be available the following day (except those currently working a pairing) must ascertain and acknowledge their assignment electronically by utilizing the automated means within the Company's scheduling system between 1930 and 2400. These assignments will be one of the following:

8.F.1.a.

A specific pairing. (The Flight Attendant is then free from contact.)

8.F.1.c.

8.F.1.e.

Reserve Flight Attendants who are given an assignment via the Company scheduling system will be given the pairing number, check-in time, termination time and date, and the open position(s) on the pairing. If the pairing is not contained in the monthly bid schedules, the Company will provide the information regarding the complete assignment including layover points, hotel and hotel telephone number, length of layover, length of duty day and scheduled return to Base.

8.F.2.

If a Reserve is unable to access their assignment via the Company's scheduling system, or the system malfunctions, the affected Reserve must call the crew desk for their assignment.

8.F.3.

Reserves who are working a pairing at the time the assignments referred to in this Paragraph are being made, will have their time accrued position based on their projected time accrued after completing the pairing. If they return after 2400 and did not receive an assignment as part of Reserve Preferencing, the Reserve should contact the crew scheduler upon arrival.

8.F.4.

A Reserve who is returning from sick leave status shall be treated as follows:

8.F.4.a.

If they check off sick leave prior to 1600, they will be given an assignment through the preferencing system via the 1930 automated means within the Company's scheduling system;

8.F.4.b.

If they check off sick leave between 1600 and 1930, they will be given an assignment via the 1930 automated means within the Company's scheduling system;

8.F.4.c.

If they check off sick leave after 1930 and up to 2400, an assignment will be given to them at the time of the call;

These assignments shall be made as soon as practical in accordance with Section 8.K. and shall include layover hotel and telephone number if assigned to a pairing not published in the monthly bid packet. Every attempt shall be made to assign a Ready Reserve at least three hours (3:00) hours prior to report for duty.

8.G.2.

Independent of and separate from the Reserve Preferencing System, Ready Reserves will be permitted to express preferences for:

8.G.2.a.

Standby Reserve (RSB)*;

8.G.2.e.

Volunteering to be assigned into more than the first day off (RV2)*; or

8.G.2.f.

*Or future equivalent code.

8.G.3.

The Company will honor Ready Reserve preferences subject to the (1) application of all other Reserve assignment rules (e.g. within classification, time accrued within preference), and (2) the preferences not creating a time accrued imbalance problem.

8.G.4. READY RESERVE AVAILABILITY PERIOD (RAP)

8.G.4.a.

There shall be at least one (1) scheduled RAP in a calendar day.

8.G.4.b.

The availability window for each RAP shall be up to fourteen hours (14) hours.

8.G.5.d.(1).

Standing bids will allow for the following RAP start time parameters to be chosen in priority order:

8.G.5.d.(1).(a).

Early, 0000 to 0559

8.G.5.d.(1).(b).

Mid, 0600 to 1159

8.G.5.e.

Following the Reserve Preferencing process to award pairings and stand-by assignments, but prior to 1930, all Reserves who are converted to Ready Reserve shall be assigned RAP or released pursuant to Paragraph 8.E., above. The order of assignment shall be based on:

8.G.5.e.(1).

Their indicated preference; and

8.G.5.e.(2).

Their number of days of availability, and

8.G.5.e.(3).

Being legal at the start of the RAP; and

8.G.5.e.(4).

The remaining RAPs that need to be filled for that day.

8.G.5.e.(5).

If all factors are equal, the assignment will be made in order of seniority.

8.G.5.f.

Only those Ready Reserves who have preferenced 24-hour availability will be assigned to 24-hour availability for the day.

8.G.5.g.

Ready Reserves assigned to a RAP may participate in Reserve Preferencing for the following day, however they will not be released to any assignment until they have been released from their RAP. If they are assigned to a pairing during their RAP, they will operate that pairing and their assignment for the following day will be removed from their line.

8.G.5.g.(1).

Ready Reserves assigned to an availability period during the Reserve Preferencing window for the next day will remain available for call for the remainder of their assigned availability period for the current day. Unless they are assigned to a pairing during the current days' availability period, at the end of that availability period, the Ready Reserve will be released to their next days' assignment.

8.G.5.g.(2).

A Ready Reserve who has participated in preferencing and has no further obligation to the Company for that day at the time the Reserve Preferencing Award is posted at 1930 shall be released to their next day's assignment.

**8.G.6. READY RESERVE AVAILABILITY PERIOD
 (RAP) ASSIGNMENTS**

8.G.6.a.

All Ready Reserves assigned to RAP shall be ordered according to the terms of paragraphs 8.C.1. and 8.C.2., above.

8.G.6.b.

Ready Reserves assigned to a RAP shall be assigned to pairings according to the terms of Paragraph 8.C.3., above, however in the case of overlapping RAPs the Company may deviate from the order in Paragraph 8.C.3., as necessary to make the most efficient use of Ready Reserves assigned to the availability periods that day.

8.G.6.c.

A Ready Reserve shall only be assigned open pairings with check-in time no more than three (3) hours after the end of the RAP.

8.G.6.d.

A Ready Reserve shall only be assigned a standby period that is scheduled to terminate no more than four (4) hours after the end of the RAP.

8.G.6.e.

At the start of their RAP, a Ready Reserve will check CCS (or its future equivalent) to determine if they have already received an assignment. The Ready Reserve shall be responsible for any assignment on their line at the start of the on-call period and upon acknowledgement of the assignment the Ready Reserve shall be released to report for the assignment. However, for any RAP starting before 8:00 am, the company shall make contact via Notiflyer or future equivalent for the assignment unless the reserve has already acknowledged the assignment through CCS.

8.G.6.f.

A Ready Reserve shall be automatically released at the end of their assigned RAP if they are not given an assignment.

8.G.6.g.

Not more than three (3) times per bid month, a Ready Reserve assigned to a RAP may have their RAP extended to remain on call up to an additional five hours (5:00). The extension will be first offered to Ready Reserves who have volunteered for extension by preferencing in advance. When a Ready Reserve volunteers for extension, that will not count towards the three (3) times maximum for the bid month. Notification of the extension will be no later than two hours (2:00) before the end of the RAP. In all cases, when a Ready Reserve extends their RAP they will receive three hours (3:00) of add pay.

8.G.7.

If a Ready Reserve cannot be assigned to any scheduled fourteen hours (14:00) RAPs during Reserve Preferencing due to legal rest, they will be assigned to go on call at the nearest half hour following the completion of legal rest, or at a time assigned by Scheduling, and will remain on call for up to fourteen hours (14:00).

8.G.8.

In the event a Flight Attendant is assigned to a RAP during Reserve Preferencing and is subsequently unable to go on call at the designated start of the RAP due to operational delays in their previous assignment, their RAP will be adjusted to start at the nearest half hour following the completion of legal rest and they will remain on call for up to fourteen (14:00) hours.

8.H. OTHER RESERVE ASSIGNMENT RULES

8.H.1.

Standby Reserve assignments may be made as part of the Reserve Preferencing window or to Ready Reserves when the assignment is made. Standby Reserve pay and credit will be given if specifically assigned as Standby Reserves or reassigned to Standby Reserve after arrival at the airport per Section 8.N. 8.H.7.

If a Reserve Flight Attendant is deadheaded on a flight which is being worked by another Reserve Flight Attendant from the same Domicile, the deadheading Flight Attendant shall be scheduled out ahead of the Flight Attendant who worked the flight, provided they are on the same availability list.

8.H.8.

Reserve assignment procedures may be altered:

8.H.8.a.

To prevent drafting.

8.H.8.b.

To protect a Reserve Flight Attendant's first scheduled pairing.

8.H.8.c. THE CHRISTMAS WISH LIST (CWL)

At Christmas for three (3) days preceding and two (2) days following the holiday, Reserve Flight Attendants may indicate their choices for these days through the automated means provided by the Company. If any of the listed choices are available, the most senior, legal Reserve requesting that layover will be awarded the trip.

8.H.8.c.(4).

Crew Scheduling will process the Open Trip file in the manner delineated above and grant as many wishes as possible.

8.H.8.c.(5).

Once all possible CWL requests have been awarded, Crew Scheduling will create a record of all granted CWL requests and will return to the daily reserve assignment procedures without further consideration of CWL requests for the assignment day.

Whenever, in the opinion of the Company, open pairing coverage can be more effectively covered.

8.H.8.e.

When necessary to cover a Special Qualification pairing per 8.C.4.

8.H.10.a.

8.H.10.c.

The pairing must have a check-in of 1000 or earlier.

8.H.10.d.

The manner in which these days off are sequenced will be determined by each Domicile except that such sequences must provide for at least one (1) calendar day off during any seven (7) consecutive days. The Local Union Schedule Committee may recommend sequences of Reserve days off which normally will be utilized if they do not result in a need for additional Reserves or, in the opinion of Inflight Scheduling, create or compound a potential coverage problem. Such days off shall be assigned prior to the beginning of each month and shall be shown on their schedule for the month.

8.I.1.k.

No later than three (3) days prior to the schedule change, a Reserve who was assigned a line with the number of days off exceeding the monthly applicable minimum may, at their option, contact Crew Scheduling to be assigned additional days of availability and have their Reserve guarantee adjusted. The Flight Attendant may indicate preferences as to which day will be used for this purpose and such preferences will be considered, if possible.

A Reserve may not be scheduled to exceed thirty-five (35) flight hours in any seven (7) consecutive twenty-four (24) hour periods. Scheduled flight time not flown due to absences (e.g., vacation, sick leave) will not be a consideration in the application of this Paragraph. These provisions may be waived by an individual Flight Attendant.

8.1.4.b.

The thirty-five-in-seven (35-7) rule shall not apply to International pairings.

10.H.2.a.

To assure the movement of a particular flight under such circumstances, the Union shall require certification by an appropriate Company official designated by the Company that such flight is in accordance with specifications set forth in Paragraph 2. above. This certification shall be provided prior to movement of the flight where feasible or, where not feasible, promptly thereafter.

10.H.2.b.

A Flight Attendant who flies such military traffic shall not lose any benefits accruing to other Flight Attendants which they would otherwise have received upon settlement of an unresolved labor dispute.

10.H.3.

In the event a pairing contains both AMC and regular International flying, the special AMC provisions of this Section will apply only to the AMC flight(s) therein. A deadhead immediately preceding or immediately following a working AMC flight will also be considered an AMC flight for purposes of this Section.

10.I. CRAF OPERATION

10.I.1. CRAF LIST

10.I.1.a.

A System CRAF volunteer list will be bid and awarded and will be the recognized CRAF list until replaced as the result of any later system bid.

10.I.1.a.(1).

At least every five (5) years, the Company shall solicit volunteers to fill vacancies resulting from attrition or removals from the CRAF volunteer list.

10.I.1.b.

The size of the active CRAF list will be determined by the Company after consultation with the Union.

10.I.1.c.

If there are insufficient volunteers for the System CRAF volunteer list the Company may assign Flight Attendants in inverse order of system seniority.

10.I.1.d.

Language positions may be assigned to CRAF pairings as necessary to support the mission pursuant to Section 9.G.5.a. This may include current Language Qualified Flight Attendants and/or non-Language Qualified Flight Attendants who speak a language necessary for the mission and who are on the CRAF volunteer list. Flight Attendants qualified in the designated language must be used prior to non-language qualified Flight Attendants who speak the designated language.

10.I.1.e.

Flight assignments for International Purser positions (as designated) will be filled from among the International Pursers on the CRAF list at the base to which the CRAF flying is assigned, if available. If there are insufficient volunteers with International Purser qualifications, assignment of International Purser positions will be filled from among Flight Attendants assigned the CRAF pairing.

10.I.1.f.

The Company and the Union agree to meet and confer over the possibility of automating the CRAF flight assignment process.

10.1.2.c.

A Flight Attendant may refuse no more than one CRAF assignment in a calendar quarter. A second refusal in a quarter will result in the Flight Attendant's removal from the CRAF list.

10.1.2.d.

The Company may draft in inverse seniority order from the active CRAF list if necessary to cover a CRAF pairing. If insufficient coverage still exists, the Company may then draft in seniority order Flight Attendants on the System CRAF volunteer list who are based at the base(s) to which the CRAF flying is assigned.

10.1.2.d.(1).

If the Company is unable to cover all positions on a CRAF pairing after drafting as provided for above, it may, at its discretion:

10.1.2.d.(1).(a).

Any combination of paragraphs (a)., (b)., (c)., above.

10.I.2.e.

The Company will provide NRPS must ride transportation on the Company's system to position a Flight Attendant from their address of record to their base and back to their address of record. Pay and expenses will be based on required check-in to debriefing at their home Base for the pairing.

10.I.2.f.

The provisions concerning contacting Flight Attendants during legal rest periods contained in Section 6.Y.3. of the Agreement will apply except in emergencies.

10.I.3. FLIGHT TIME AND LEGALITIES

In the event that the Company increases scheduled check-in time(s), it shall make increases in five minute (0:05) increments up to a maximum increase of ninety (90) minutes. To assure the movement of a particular flight under such circumstances, the Union will require certification by an appropriate Company official designated by the Company that such flight is in accordance with the specifications set forth in this Paragraph I.9. This certification shall be provided prior to movement of the flight where feasible, or, where not feasible, promptly thereafter.

10.I.9.c.

Flight Attendants who fly such military traffic will not lose any benefits accruing to other Flight Attendants which they would otherwise have received upon settlement of an unresolved labor dispute.

Upon return to work, they will choose from available vacation periods. If no vacation period is open and the deferred vacation was a paid vacation, the Flight Attendant will be paid for the deferred vacation at their pay rate in the last month of the Scheduled Vacation Year in which the vacation would have been taken. The payment shall be made not later than the February 1 paycheck of the following year.

12.C.8.d.

If they elect to carry over the deferred vacation days to the following Scheduled Vacation Year, they will choose from available vacation periods after vacation periods for that year have been awarded. A Flight Attendant may only utilize this provision once per Scheduled Vacation Year.

12.D. VACATION BUY BACK

12.D.1.

Prior to the annual vacation bid, the Company shall offer a vacation “buy back” option that allows Flight Attendants to take pay in lieu of accrued vacation available for use in the next Scheduled Vacation Year. Flight Attendants will have a period of at least fifteen (15) days to submit a vacation buy back request.

12.D.2.

In order to be granted a vacation buy back, the Flight Attendant must opt to “sell” at least six (6) full days of accrued vacation.

12.D.3.

Vacation pay for the “buy back” option shall be calculated by multiplying the number of days times the applicable vacation pay credit pursuant to Section 4.V., plus an incentive payment, which shall be determined by the Company and announced prior to the annual vacation bid.

12.D.4.

Flight Attendants who have “sold” vacation time to the Company in accordance with this paragraph shall receive their buy back payments in the first quarter of the Scheduled Vacation Year in which the vacation was to have been taken. Vacation buy back payments will be based the Flight Attendant’s hourly rate of pay as of January 1st of the year in which the payment is being made.

12.D.5.

In addition to the above procedure, the Company may offer vacation buy back on a month-to-month or Base-by-Base basis. Such vacation buy back shall be awarded in each Base where offered in seniority order among the Flight Attendants at the Base. The Company shall determine whether to offer an incentive payment for month-to-month or Base-by-Base vacation buy backs.

12.D.6.

Flight Attendants who utilize the annual vacation buy back program may not participate in the annual Flex program in the same Scheduled Vacation Year.

Vacation buy back shall not be utilized during a Flight Attendant furlough.

12.E. OPTIONAL FLEX VACATION PROGRAM

Prior to the annual vacation bid, a Flight Attendant may elect to take seven (7) additional days of Flex vacation. Flight Attendants taking Flex vacation will either take the additional seven (7) days as unpaid vacation or elect to have one hour and fifty-four minutes (1:54) pay deducted from their earnings each month to pay for the Flex vacation week. Effective with the January 2031 bid month, Flight Attendants taking Flex vacation will either take the additional seven (7) days as unpaid vacation or elect to have two hours and two minutes (2:02) pay deducted from their earnings each month to pay for the Flex vacation week. Flight Attendants will have a period of at least (15) days to submit a Flex vacation request.

12.F. ANNUAL VACATION BID PROCESS

The Company will post the number of available vacation days for each day in the Scheduled Vacation Year. The number of vacation days available shall be determined by the Company, taking into account the projected operations and Flight Attendant availability (projected headcount, attrition, and absences, etc.).

12.F.2.

The bidding for each Scheduled Vacation Year shall be conducted in two (2) rounds. Bids shall remain open for no fewer than eight (8) days in each round. All vacations shall be awarded in Vacation Bid Seniority order within each Base.

12.F.3.

When bidding, a Flight Attendant shall preference the start date for each vacation period. A Flight Attendant shall also preference the number of days in each vacation period and whether they are willing to accept the vacation period with fewer days specified by number. A Flight Attendant has the option to "slide" the vacation up to three (3) days in either direction of the start and/or end date to help ensure they are awarded the maximum number of days utilizing their initial bids.

12.F.4.

A Flight Attendant may elect to split their vacation into periods of not less than six (6) days each. A Flight Attendant may have a maximum of five (5) vacation periods. However, a Flight Attendant who has eleven (11) or fewer days of accrued vacation shall bid their entire accrual in a single block.

12.F.5.

A partial day of vacation accrual shall be rounded up to a full day for the purpose of vacation bidding, but paid as a partial day.

12.F.6.

During the first round of bidding, a Flight Attendant may not bid more than 50% of their accrued vacation days, unless they have eleven (11) or fewer days of accrued vacation, as per Paragraph F.4. above. When a Flight Attendant has accrued an odd number of vacation days, the odd day may be added to the 50% maximum for the first round.

12.F.7.

A Flight Attendant may bid for a vacation period overlapping two (2) bid months in accordance with Company policy. The minimum bid to cross from one month to the next is fourteen (14) full days. However, a Flight Attendant may not bid for a vacation overlapping two (2) Scheduled Vacation Years.

To cross months using 14, 15, or 16 days, the following must be met:

12.F.7.b.

To cross months using 17 or more days, the following must be met:

12.F.7.b.(1).

Must have a minimum of six (6) full days in both months.

12.F.8.

12.F.9.

If a Flight Attendant does not submit a vacation bid in the second round of bidding, they shall automatically be assigned a vacation, after the second round awards, in seniority order from December backwards through January. The largest block of days shall be assigned first.

12.F.10.

When a Flight Attendant vacation bid is insufficient, they shall automatically be assigned a vacation, after that round is awarded, in seniority order from December backwards through January. The assignment shall be based on the number of days in their bid, and the largest block of days shall be assigned first.

12.G. VACATION SLIDES

12.G.1.

If the movement of a vacation is into or within a blocked period (holiday times, etc.), it will be considered and granted if staffing permits. The Company shall publish the list of blocked days prior to the opening of the annual vacation bid process.

12.G.2. LINEHOLDERS

12.G.2.a.

When a Flight Attendant's vacation starts or ends between a scheduled outbound and return flight, the Flight Attendant may, at their option, move the vacation period either forward or backward in order to fly the scheduled pairing.

12.G.2.b.

In addition, a Lineholder shall be given the opportunity to move their vacation up to two (2) days in either direction, unless extraordinary circumstances exist, except that the movement of the vacation may not cause it to cross over from one bid month to another or from one Scheduled Vacation Year to another.

12.G.3. RESERVES

12.G.3.a.

A Reserve may move their vacation up to two (2) days in either direction, provided no new legality conflicts or short blocks are created.

12.G.3.b.

In addition, a Reserve Flight Attendant who is awarded a vacation that does not include any days of availability shall be permitted to move their vacation a sufficient number of days forward or backward in order to encompass the nearest two (2) available reserve days. If this creates a short block, it must be adjusted in accordance with Paragraph 12.C.3. above.

12.H. VACATION TRADES

12.H.1.

Vacation periods may be exchanged by a Flight Attendant with another Flight Attendant within the same Base. Their request must be submitted by the 15th of the month before the earliest of the calendar months involved in the trade. The Company shall award these trades on the basis of seniority at least thirty (30) days prior to the start of the Scheduled Vacation Year.

12.H.2.b.

After the award of these initial trades, no more than one day later, instant and ongoing trading for open vacation periods shall begin. Requests for these vacation trades must be submitted thirty (30) days before the earliest of the calendar months involved in the trade, except that January vacation days may be traded as late as December 5th. The Company shall award these trades in the order in which requests are received.

12.H.3.

Any vacation days awarded in the first and second rounds of vacation bidding that are later vacated (e.g. separation, retirement, death) throughout the Scheduled Vacation Year will be made available for trading.

12.H.4.

In the event that a Flight Attendant trades down to fewer vacation days with another Flight Attendant or with an open vacation period, the Flight Attendant shall be paid the value of the unused vacation days.

12.I. VACATION FLY THROUGH

12.I.1.

A Flight Attendant who chooses to fly during their scheduled vacation period shall be paid for all trips flown during the vacation period in addition to vacation pay. Vacation fly through hours shall be included in line projections. Pay rates for all Fly Through options shall be in accordance with Section 4.V. and 12.B.3.a. above.

12.I.2.

The Company may offer an incentive for Flight Attendants to fly through their vacations.

No other trading restrictions apply during the month.

12.I.4.a.

Notwithstanding the above, a Flight Attendant who elects operational fly through may also pick up open time trips in the bid months of June through August.

12.J. DAY AT A TIME VACATION

12.J.1.

12.J.2.

Day at a time vacation days used shall be deducted from the Flight Attendant's allotment for vacation in the following Scheduled Vacation Year.

12.J.3.

After the award of relief lines and before the beginning of the month, day at a

time vacation days, when available, shall be awarded in seniority order.

12.J.3.a.

Throughout the month, day at a time vacation days shall be available only to the extent that regular personal drops are available and day at a time vacation days have equal priority.

12.J.4.

Day at a time vacation shall be paid at the applicable rate pursuant to Paragraph B.1. and B.3. above.

12.J.5.

Day at a time vacation may not be made-up. Further, a Flight Attendant awarded day at a time vacation shall have their minimum monthly guarantee and/or line guarantee reduced accordingly.

Any affected Flight Attendant shall be given at least thirty (30) days' advance notice, unless they agrees to shorter notice.

12.K.1.b.

The Company first solicits volunteers in the Base who are willing to fly through or defer their vacations.

12.K.2.

If there are not enough volunteers, then vacations in the Base shall be canceled in inverse seniority order. A Flight Attendant whose vacation is canceled may elect to fly through or defer their vacation.

12.K.3.

A Flight Attendant who flies through their vacation either as a volunteer or due to a cancelation will be paid an incentive amount equal to 50% of the value of the vacation, in addition to the normal value of the vacation.

12.K.4.

A Flight Attendant who elects to defer vacation either as a volunteer or due to a cancelation may chose a vacation, in seniority order, from time available or made available in the remainder of the Scheduled Vacation Year, and shall be paid in accordance with Paragraph K.3. above. If the Flight Attendant is unable to reschedule the deferred vacation within the remainder of the Scheduled Vacation Year, they shall be paid in accordance with Paragraph K.3. above.

SECTION 16

JOB SHARE AND PARTNERSHIP FLYING PROGRAMS

16.A. PROGRAM DESCRIPTIONS AND GENERAL PROVISIONS

16.A.1. JOB SHARE PROGRAM

The Job Share Program allows a line of flying to be shared by two Flight Attendants for a single bid month. The availability of the Program is determined by the Company's Flight Attendant staffing needs based upon qualifications at a Base.

16.A.2. PARTNERSHIP FLYING PROGRAMS

The Partnership Flying Programs allow a line of flying to be shared by two (2) Flight Attendants for a period of time longer than a single bid month. There are three (3) types of Partnership Flying Programs as follows:

16.A.2.a. ANNUAL PARTNERSHIP

The Annual Partnership Program covers a twelve (12) bid month period. The availability of annual partnerships is determined by the Company's Flight Attendant staffing needs based upon qualifications at a Base. When offered, Annual Partnerships shall begin in May of each year, unless changed by mutual agreement of the Company and the Union.

16.A.2.b. MULTIPLE-MONTH PARTNERSHIP

A multiple-month partnership covers a period of two (2) to eleven (11) bid months. The Company can only offer multiple-month partnerships which begin and end within the annual cycle for the Annual Partnership Program. The availability of multiple-month partnerships is determined by the Company's Flight Attendant staffing needs based upon qualifications at a Base.

16.A.2.c. FURLOUGH-MITIGATION PARTNERSHIP

A furlough-mitigation partnership covers a period of thirteen (13) or more bid months. Prior to implementing any involuntary furlough, the Company shall offer furlough-mitigation partnerships sufficient to eliminate the need to furlough. Such partnerships shall be offered to:

16.A.2.c.(1).

All Flight Attendants in Bases within the continental United States, and

16.A.2.c.(2).

All Flight Attendants in Bases outside the continental United States if Flight Attendants in that Base will be subject to furlough or displacement.

16.A.2.c.(3).

Participation in the Program shall be awarded in system seniority order among eligible Flight Attendants. A Flight Attendant may not avoid their own involuntary furlough by entering into a furlough-mitigation partnership.

16.A.3. ORDER OF AWARD

The Company may offer multiple-month partnerships and multi-month leaves, either together or separately. When the Company offers both multiple-month partnerships and multi-month leaves of the same length, they will be combined and awarded in seniority order. When full month leaves and job shares are offered, they will be combined and awarded in seniority order.

16.A.4. GENERAL

16.A.4.a.

Once a Flight Attendant is awarded a partnership, they must complete the partnership before they shall be eligible to begin another partnership; except that when the Company offers a Furlough-Mitigation Partnership Program, Flight Attendants in another Partnership Program are eligible for the Furlough-Mitigation Program.

16.A.4.a.(1).

It is intended that all other provisions of this Agreement shall apply to Flight Attendants in the Job Share and Partnership Flying Programs, except as may be otherwise provided in this Section.

16.A.4.a.(2).

Management shall not be responsible for resolving disputes arising between Flight Attendants paired in the Job Share or Partnership Flying Programs.

16.A.4.a.(3).

Flight Attendants may form job share or partnership pairs among Flight Attendants in the same Base.

16.A.4.a.(4).

Job share and partnership pairs may be formed without regard to lineholder or reserve status.

16.A.4.a.(5).

The Company shall make an electronic board available in order to facilitate the formation of job share or partnership pairs.

16.B. ENTRY INTO JOB SHARE AND PARTNERSHIP FLYING PROGRAMS

16.B.1. PROGRAM AWARD TIMELINE

16.B.1.a.

When the Company offers the Job Share Program or initiates a Partnership Program, the bid period for job shares or partnerships shall close not later than the 20th day of the 2nd bid month prior to the bid month in which the job shares or partnerships will occur, e.g. bids shall close on August 20th for October job shares or partnerships. The bid close date for Job Shares or Partnership Programs may be changed by mutual agreement of the Company and the Union.

16.B.1.b.

Job share and partnership awards shall be published before the Flight Attendant bid period opens for the bid month of the job share or partnership.

16.B.2. JOB SHARE PROGRAM

Flight Attendants may apply to the Job Share Program either as a pair or individually. Participation in the Job Share Program shall be awarded first to paired applicants in seniority order based on the senior partner's seniority. After that, the Company shall award the remaining available job shares, if any, to individual applicants in seniority order and pair them based on their seniority. The Company shall publish the list of Flight Attendants awarded pairs in a Job Share Program.

16.B.3. PARTNERSHIP FLYING PROGRAMS

When the Company offers a Partnership Flying Program (Annual, Multiple-Month, or Furlough-Mitigation), Flight Attendants shall apply to the Program individually. Program participation shall be awarded in seniority order. The Company will then publish the list of Flight Attendants awarded participation in the Program. Once published, Flight Attendants shall be given no less than ten (10) days from the date of the publication of the award list to form partnership pairs among those awarded. Participants who do not form pairs within the given time period shall be paired with each other in seniority order.

16.B.4. WAIT LISTS FOR ANNUAL AND FURLOUGH-MITIGATION PARTNERSHIPS

The Company shall place applicants who are not awarded an annual or furlough-mitigation partnership on a wait list. In addition, after the deadline for applications to the Annual Partnership Program has passed, Flight Attendants may request to be placed on the wait list for that Program. Vacancies shall be filled from the wait list in seniority order.

16.C. MONTHLY BIDDING PROCESS AND RULES FOR JOB SHARES AND PARTNERSHIP FLYING

The following rules apply to Flight Attendants in a job share or partnership:

16.C.1.

Both Flight Attendants must submit a monthly bid.

16.C.2.

The Company shall award lines of flying based on the seniority of the senior Flight Attendant in the job share or partnership.

16.C.3.

Within forty-eight hours (48:00) after a line of flying has been awarded, the Flight Attendants shall divide the line, through CCS (or future equivalent), so that the line value is shared as evenly as possible without splitting any trips or block of reserve days unless one block must be split to evenly divide the line.

16.C.4

A Flight Attendant in a job share or partnership is limited to a monthly maximum of fifty-five hours (55:00) pay and credit excluding vacation.

16.C.5.

If a line of flying cannot be evenly divided without one or both of the Flight Attendants exceeding the monthly maximum, the Flight Attendants shall utilize the procedures set forth in Section 7.H., to bring their pay and credit hours within the monthly maximum. If they are unable to do so within forty-eight hours (48:00) after the line of flying has been awarded, the Flight Attendants will contact Scheduling to resolve the issue.

16.C.6.

In the event of a month-end conflict, if one of the Flight Attendants is legal to fly the first trip of the month, they shall be responsible to cover the trip.

16.C.7. When Flight Attendants have overlapping vacations in the bid month, they may elect to slide their vacations to the extent necessary to minimize or eliminate the overlap, provided that both vacation periods remain within the same bid month.

16.C.8.

Once a line is divided, each Flight Attendant may adjust their individual schedules through normal contractual processes. Reserves shall use their seniority to complete for move-up lines.

16.D. DISSOLUTION AND SUSPENSION/CANCELLATION OF PARTNERSHIPS

16.D.1. PERMANENT DISSOLUTION OF A PARTNERSHIP

A partnership shall be dissolved if one partner obtains a hardship release, transfers to another Base or becomes inactive and expects to remain inactive for the remainder of the partnership.

16.D.1.a.

When an annual or furlough-mitigation partnership is dissolved, the remaining partner shall be re-paired with a Flight Attendant from the wait list. If there are no partners available on the wait list, the remaining partner shall bid for lines of flying using their own seniority and shall drop trips, or reserve availability days if applicable, to comply with Paragraphs 16.C.3. and 16.C.4. above, until the partnership term ends.

16.D.1.b.

When a multiple-month partnership is dissolved, the remaining partner shall bid for lines of flying using their own seniority and shall drop trips, or reserve availability days if applicable, to comply with Paragraphs 16.C.3. and 16.C.4. above, until the partnership term ends.

16.D.2. TEMPORARY DISSOLUTION OF A PARTNERSHIP

When a Flight Attendant in a partnership becomes temporarily inactive, the remaining partner shall bid for lines of flying using their own seniority and shall drop trips, or reserve availability days if applicable, to comply with Paragraphs 16.C.3. and 16.C.4. above, until such time as the inactive Flight Attendant returns to active status or the partnership term ends, whichever is sooner.

16.D.3. SUSPENSION OR CANCELLATION OF MULTIPLE-MONTH PARTNERSHIP PROGRAM

16.D.3.(a).

The Company may suspend or cancel multiple-month partnerships in the event there are unforeseen staffing shortages during the Partnership Program term, provided that all multiple-month partnerships in the affected Base are suspended or cancelled to the extent that they overlap the staffing shortage period.

16.D.3.a.(1).

If the Company suspends or cancels a Multiple-Month Partnership Program, it shall:

16.D.3.a.(1).(a).

Provide advance notice to the Union, including the Base where the multiple-month partnerships will be cancelled or suspended and the length of any suspension;

16.D.3.a.(1).(b).

Notify the affected Flight Attendants prior to the opening of line bids for the first bid month that the Program is cancelled or suspended;

16.D.3.a.(1).(c).

Cancel any job shares previously awarded and not offer any new job shares at the affected Base during the period when multiple-month partnerships are cancelled or suspended;

16.D.3.a.(1).(d).

Not initiate any new time-off programs, at the affected Base during the period when multiple-month partnerships are cancelled or suspended;

16.D.3.a.(1).(e).

Not cancel another multiple-month partnership program for two years after the last month of the cancelled/suspended multiple-month partnership term, at the affected Base.

16.D.3.a.(2).

When the Company has suspended multiple-month partnerships, it may reinstate some or all of the partnerships in the same bid month, with the same Flight Attendant pairs. In the case of a partial resumption of partnerships, they shall be offered in seniority order based on the seniority of the senior member of the partnership.

16.D.3.a.(3).

In the event there are unforeseen shortages in a special qualification, the Company may suspend or cancel Multiple- Month Partnerships involving Flight Attendants with the special qualification in inverse seniority order. In this event, the provisions of Paragraphs 16.D.3.a.(1).(c)., 16.D.3.(a).(1).(d)., 16.D.3.(a).(1).(e). above shall not apply.

**16.D.4. CANCELLATION OF A FURLOUGH-MITIGATION
PARTNERSHIP PROGRAM**

The Company may cancel, in whole or in part, a Furlough- Mitigation Partnership Program. If the Company is not cancelling an entire Program, it shall solicit Flight Attendant volunteers in seniority order. If there are insufficient volunteers, the Company shall select Flight Attendants in inverse seniority order. Remaining participants shall be re-paired in accordance with Paragraph B.3. above. If there are no available qualified Flight Attendants to re-pair a Partnership at the affected Base, the remaining partner shall bid for lines of flying using their own seniority and shall drop trips, or reserve availability days if applicable, to comply with Paragraphs C.3. and C.4. above, until their Partnership term ends.

SECTION 17 FILLING OF VACANCIES

17.A. TRANSFER PROCEDURE

17.A.1.

A Flight Attendant desiring to transfer to a different Base may file a bid, through the Company's automated system, stating the Base to which they desires to transfer. Nothing herein shall prohibit two (2) Base bids from being on file by a Flight Attendant in preferential order. A Flight Attendant may withdraw their bid(s) at any time.

17.A.2.

When permanent Base vacancies occur, the Company will use the following process to fill the vacancy:

17.A.2.a.

The Company will announce the Base(s) to which they will be awarding transfers and capture the list of Flight Attendants who have a transfer bid on file. Flight Attendants who do not have a transfer bid on file for the Base(s) announced will not be eligible to enter a bid or be awarded a transfer to the Base(s) announced.

17.A.2.b.

Those Flight Attendants who have a transfer bid(s) on file to the Base(s) to which the Company has announced vacancies will be given seven (7) days to indicate whether they would accept or decline an offer of transfer.

17.A.2.b.(1).

A Flight Attendant who fails to indicate if they would accept or decline a transfer if offered will be treated as if they had declined the offer.

17.A.2.b.(2).

A Flight Attendant who indicates that they would decline an offer of transfer shall not be inhibited from being awarded a transfer in the future.

17.A.2.b.(3).

After the second time a Flight Attendant indicates that they would decline an offer of transfer, all transfer bids on file will be cleared and they shall be so notified. If they wish to be considered for transfer in the future, they will need to reenter their bid preference(s), however they shall not be inhibited from being awarded a transfer in the future.

17.A.2.c.

At the end of the seven-day period provided for in paragraph 17.A.2.b., above, the Company will award transfer to the announced Bases, in seniority order, to the Flight Attendants who have indicated that they would accept a transfer award.

17.A.2.c.(1).

When the Company announces that they are awarding transfers to only one Base for which a Flight Attendant has a bid on file and the Flight Attendant has indicated that they will accept an offer of transfer to that Base, the Flight Attendant shall be awarded the transfer if it is available and if they are senior enough to be awarded the transfer.

17.A.2.c.(2).

When a Flight Attendant has two bids on file and the Company announces they are awarding transfers to both of the Bases for which they have a bid on file, the Flight Attendant shall have the option to accept or decline either or both bids.

17.A.2.c.(3).

When a Flight Attendant has two bids on file and the Company announces they are awarding transfers to both of the Bases and the Flight Attendant has indicated that they would accept an offer of transfer to both Bases, their first preference shall be awarded if it is available and if they are senior enough to be awarded the transfer.

17.A.2.c.(4).

When the Flight Attendant has two bids on file and has indicated that they would accept an offer of transfer to both Bases, if their first preference is not available, or they are not senior enough to be awarded the transfer, their second preference shall be awarded, if it is available and if they are senior enough to be awarded the transfer.

17.A.2.c.(5).

When the Company announces they are awarding transfers to both of the Bases for which a Flight Attendant has a bid on file and the Flight Attendant has indicated that they would accept one of the offers of transfer and they would decline the other offer of transfer, the Flight Attendant shall be awarded a transfer to the Base for which they would have indicated they would accept an offer of transfer if it is available and if they are senior enough to be awarded the transfer.

17.A.2.d.

Once awarded, a transfer cannot be declined by the Flight Attendant, nor can it be rescinded by the Company, except in the case of an error in the award.

17.A.3.

Upon transfer, the Flight Attendant shall not be awarded another bid for a period of six (6) months from the date of transfer (for example, a Flight Attendant who accepts a transfer with an effective date of March 1st will not be eligible to be awarded a subsequent transfer that has an effective date before September 1st), except:

17.A.3.a.

A Flight Attendant transferred under Paragraph K of this Section may bid back to the Base from which surplusd, or be awarded a transfer to any Base, without having to wait six (6) months. A Flight Attendant who is awarded a transfer to another base will waive their rights under paragraph 17.J.4., below.

17.A.3.b.

A Flight Attendant recalled from furlough, under Sections 18.B. and 18.C., to a different Base from which furloughed may submit a bid to any Base without having to wait six (6) months.

17.A.4.

A Flight Attendant transferred to fill a vacancy shall be available to begin the assignment on the date set by the Company, which shall not be less than ten

(10) days from the date notified of the assignment, except as provided in Section 15.A.6. A Flight Attendant shall be allowed a reasonable period between the time relieved of duties and time required to report at the new location. Such time shall be established in advance and shall be dependent upon the means of travel.

17.A.5.

A Flight Attendant on furlough status will have any existing bid(s) on file canceled. Upon return from inactive status, they may again submit a bid(s).

17.A.6.

Once a Flight Attendant has submitted a transfer bid(s), their position on the transfer list(s) will be applied to the bid(s) on file and they will be able to view their relative position on the transfer list(s) to a specific Base(s) in the Company's computer system. For example, if there are sixty (60) transfer bids on file for a specific Base, and the Flight Attendant submitting a bid would be ranked number 15 according to their seniority, the computer system would display the ranking as 15/60 where 15 represents the placement on the list and 60 represents the total number of transfer bids on file to that base.

17.A.7.

In the event that a Flight Attendant has a transfer bid(s) on file and is inhibited from a transfer award in accordance with Section 17.A.3.b. above, such transfer bids shall be awarded after all non-inhibited transfers on file to that Base have been awarded and there are still vacancies. Flight Attendants who are subject to a transfer inhibit shall be ranked in seniority order after those without a transfer inhibit.

17.A.8.

Prior to the assignment of the new hires to a Base, all eligible, non-inhibited transfer bids on file to that Base shall be awarded.

17.B. MOVING EXPENSES

Successful bidders on Flight Attendant assignments to newly established Bases shall be considered as transferred at Company request and Section 26 [Moving Expenses] of this Agreement shall apply.

17.C. ALTERNATE TRANSFER PROCEDURE

17.C.1.

When no bids are on file or are received, the Company may request any Flight Attendant willing to accept the assignment, or may assign the most junior Flight Attendant qualified, to fill the vacancy subject to the provisions below:

17.C.1.a.

No Flight Attendant assigned to a U.S. Base may be involuntarily assigned to an International Base.

17.C.1.b.

No Flight Attendant assigned to a Base outside the U.S. may be involuntarily assigned to a Base in any country for which they are unable to acquire the necessary immigration approval as provided for in Section 3.U. or meet the residency requirements.

17.D. BASE LOCATIONS

17.D.1.

The Company shall advise the MEC President in writing ninety (90) days before establishing or terminating a Base location. The recommendations of the Union shall be considered by the Company before making changes in the location of Bases.

17.D.2.

In the event of the geographical relocation by the Company of a portion of, or all of the Flight Attendants' assignments from a particular Base, each Flight Attendant affected shall be considered transferred at Company request and Section 26 [Moving Expenses] of this Agreement shall apply. Such assignment must be filled by local bid at the Base so affected.

17.E. MINIMUM ELIGIBILITY

Unless a lesser restriction is determined by the Company, a Flight Attendant shall be eligible to bid vacancies only upon completion of their probationary period.

17.F. MUTUAL TRANSFERS

When few or no vacancies exist on the system, the Company shall consider requests by the MEC President or designee that the Company honor mutual transfer requests by seniority.

17.G. MOVING PROVISIONS

17.G.1.

Successful bidders on permanent Base transfers, Flight Attendants making mutual transfers by seniority with the approval of the Company, and Flight Attendants transferring in accordance with Paragraph I. of this Section shall pay their own moving expenses to their new Base location except that the Company shall furnish free contingent air transportation on the Company's system for such Flight Attendants and their spouse and dependents to the extent permitted by law, and shall allow such Flight Attendants to ship up to one thousand (1000) pounds of personal effects to the new Base as space available COMAT on Company aircraft.

17.G.2.

All Flight Attendants who have been assigned to their initial Base after Flight Attendant training shall be provided with the following:

17.G.2.a.

Free contingent air transportation for the Flight Attendant and their spouse and dependents, if relocating, on the Company's system to the extent permitted by law.

17.G.2.b.

Shipping allowances up to one thousand (1000) pounds of personal effects to the new Base as space available COMAT on Company aircraft.

17.G.2.c.(1).

Free hotel accommodations at the new station for a period of seven (7) days, which may be extended on an individual basis by the Manager of Inflight Service.

17.G.2.c.(2).

The Company will arrange single room accommodations. If an insufficient number of single hotel rooms are available at the designated hotel to accommodate all such Flight Attendants, the Company agrees to locate and arrange for single room accommodations at other equivalent hotels.

17.H. SETTLING TIME & MONTHLY GUARANTEE

17.H.1.

Upon arrival at a new Base, a Flight Attendant who voluntarily changes Bases, is involuntarily transferred, transfers to a newly established Base or is initially assigned will be allowed up to three (3) days at their option for the purpose of settling, to be allowed at any time within twelve (12) months of the effective date of the new assignment. Such time may be delayed by the Company for not more than seven (7) days according to the needs of the service.

17.H.2.

A Flight Attendant who voluntarily changes Bases for the first time, is involuntarily transferred, transfers to a newly established Base within six (6) months following the date the Base is opened or is initially assigned, will be eligible for their normal monthly guarantee during the transfer and settlement period. For all subsequent voluntary changes of Base, with the exception of transfers to a newly established Base, a Lineholder's guarantee will be reduced according to the scheduled flight time lost during the actual travel and settling time, and a Reserve's guarantee will be reduced according to the scheduled days of availability missed during the actual travel and settling time.

17.I. EMERGENCY TRANSFER

When a Flight Attendant desires to change their Base assignment for personal reasons due to hardship, the request to temporary change shall be considered jointly by the Managing Director Labor Relations or designee, and the MEC President or designee, and in accordance with their mutual agreement, a decision may be rendered, permitting such Flight Attendant to temporarily change the assignment and be assigned to another Base on a temporary basis.

17.J. SURPLUS PROCEDURE

17.J.1.

The Company shall notify and confer with the MEC President or designee at least fifteen (15) days prior to bulletining a notice of surplus.

17.J.2.

If a surplus of Flight Attendants exists at any Base, the Company may move any Flight Attendants at that Base, who desire to move, in order of seniority from the Base at which the surplus exists or, if none desire to move, the Company may then move the surplus Flight Attendants out of such Base to other Base(s) in inverse order of seniority in accordance with the procedure outlined in Paragraph 3 below, notwithstanding Paragraphs A. and B. of this Section of the Agreement.

17.J.3.

A surplus at one or more Base(s) shall be considered to exist when the Company has posted notice of the surplus on the Flight Attendant bulletin boards at those Bases affected and all Bases across the system. The notice will

be posted no fewer than forty-five (45) days before the effective date of report to a new Base and will include the vacancies determined by the Company across the system. The bulletin shall state the number of vacancies if more than one, location of the vacancy and the place where bids are to be sent and the last date on which they will be received. Such date will be a minimum of fifteen (15) days after the date a bulletin is posted.

17.J.3.a.

Flight Attendants deemed to be surplus will be permitted to put a bid on file for all Bases on the system.

17.J.3.b.

From the deadline date posted in the notice to surplus Flight Attendants the Company will begin to process transfers from the system on a seniority basis. Transfers will be processed to the vacancies posted in the surplus bulletin up to the posted surplus number.

17.J.3.c.

At the end of the fifteen (15) days of processing transfers in Paragraph b. above, the Company will then process any transfers filed by the Flight Attendants deemed to be surplus which have not been processed under the provisions of Paragraph b. above, to vacancies at those Bases posted in the surplus bulletin or to vacancies that have resulted from transfer activity.

17.J.3.d.

Any Flight Attendant transferring to fill such vacancy shall be available to begin the assignment on the date set by the Company, which shall not be less than fifteen (15) days from the date notified of the assignment.

17.J.3.e.

A Flight Attendant shall be allowed a reasonable travel time between the time relieved of their duties until the time required to report at the new location. Such time shall be established in advance and shall be dependent upon the means of travel.

17.J.4.

A Flight Attendant who is declared surplus and is transferred to another Base shall have preferential right to return to their former assignment when a vacancy occurs. Such preferential right shall not exceed five hundred forty (540) days and shall be exercised only for the first opportunity. During the initial one hundred eighty (180) days of such period, the Flight Attendant shall be given unlimited non-revenue space available (NRSA) business passes and two (2) round trip NRPS business passes per month for travel between the Base to which transferred and the former Base.

17.J.5.

The surplus procedures of Paragraph 17.K. will not be used to address temporary or seasonal changes in flight activity.

17.K. SURPLUS AND RELOCATION BIDDING

17.K.1.

A Flight Attendant who must transfer because they are surplus or because of geographical relocation of Flight Attendant assignments may bid to another

Base in accordance with Paragraph A. of this Section. If the bid is honored prior to the involuntary transfer, they shall be considered as transferred at Company request and the moving expenses shall be paid by the Company (in accordance with Section 26 of this Agreement [Moving Expenses]) to the Base to which they would have been assigned if their involuntary transfer has been completed or to the Base bid, whichever is the closer.

17.K.2.

If after exhausting all of the options under the provisions of Section 18.C.4., the Company requires furloughed Flight Attendants to be recalled to a Base other than the one from which furloughed, the provisions of Section 26 shall apply to the transfer back to the Base from which furloughed.

17.L. INTERNATIONAL BASES

17.L.1.

Unless eligible under Section 26.A.2., a Flight Attendant will receive two (2) round trip NRSA SA1B (or its future equivalent), non-revenue, no charge, space available passes per month to be used by the employee, spouse and/or dependents during the initial one hundred eighty (180) days after report. After the initial one hundred eighty (180) days, the Flight Attendant will receive one round trip NRPS PS5B (or its future equivalent), non-revenue positive space business pass annually in order to conduct personal business at the location of their former residence.

17.L.2.

The following provisions shall apply to Flight Attendants who must transfer from a Base outside the U.S. and its territories due to governmental restrictions:

17.L.2.a.

The Company will provide one (1) round trip PS5B (or its future equivalent), NRPS business pass for the purpose of "house-hunting" to each Flight Attendant, as well as spouse and dependents, between their Base and their new Base or place of permanent residence for use prior to their effective transfer date.

17.L.2.b.

Transferring Flight Attendants, as well as their spouse and dependents, will be provided one (1) one-way PS5B (or its future equivalent), NRPS business pass between their Base and their new Base or place of permanent residence for the purpose of this transfer.

17.L.2.c.

Flight Attendants shall be permitted to ship up to one thousand (1,000) pounds of personal effects to the new Base as space available COMAT on Company aircraft.

17.L.2.d.

Deposits on homes, apartments or utilities in the Base outside the U.S., which are returned to the Flight Attendant will be exchanged into U.S. Dollars by the Company, subject to governmental limitations, if any. The exchange rate will be that used for the most recent paycheck issued prior to the individual's date of transfer, and will be reimbursed at that time.

17.M. WORK VISA ISSUES

Flight Attendants who lose and/or are unable to maintain their legal ability to continue to work in the country in which they are based, and who are not covered by the provisions of above Paragraph L., will be subject to the following:

17.M.1.

A Flight Attendant who has been notified that their drug test resulted in a verified confirmed positive finding may request a retest of the split portion of the specimen provided they do does so within seventy-two (72) hours following such notification.

21.A.2.(e).

The burden of proving inadvertent and/or unknowing ingestion of any illicit drug rests upon the Flight Attendant. They shall have five (5) days from notification of the test result by the MRO to prove their claim of inadvertent and/ or unknowing ingestion to the Company.

21.A.2.(f).

A Flight Attendant who receives a verified adulterated or substituted drug test result or who refuses or fails to cooperate in any drug or alcohol test as mandated by FAA/ DOT regulations, Company policy, or in any rehabilitation related testing, will be discharged with no opportunity for reinstatement or rehire.

21.A.2.(g).

Refusal or failure to cooperate will be deemed to be a positive test. Refusal or failure to cooperate includes, but is not limited to: failing to appear for any test within a reasonable time after being directed to do so; failing to remain at the testing site until the testing process is complete; failing to provide a sufficient amount of breath for any alcohol test or sufficient amount of urine for a drug test required by this Section, and the MRO has determined that there was no adequate medical explanation for the failure; failing to undergo a medical examination or evaluation, as directed by the Company as part of the insufficient breath or urine procedures; failing to sign any required form or certification; or failing to cooperate with any part of the testing process.

21.B. CONSEQUENCES OF POSITIVE ALCOHOL OR DRUG TESTS

21.B.1.

Nothing in this Section shall preclude the application of corrective and progressive disciplinary processes to address violation(s) of other Company policies or misconduct by a Flight Attendant. Drug or alcohol use, abuse or dependency will not exonerate, excuse or mitigate a Flight Attendant's on-duty or off-duty misconduct or violation of other Company policies.

21.B.2.

A Flight Attendant who uses alcohol within twelve (12) hours of any scheduled duty shall be treated the same as a Flight Attendant who tested positive for alcohol.

21.B.3.

A Flight Attendant who receives a positive test result for drugs or alcohol will be promptly removed from duty without pay, pending further investigation.

21.B.4.

On the first such occasion, a Flight Attendant who receives a verified confirmed positive drug test or whose breath alcohol test indicates a concentration of .04 or above, will be given the following options:

21.B.4.a.

Voluntary resignation, without eligibility for rehire.

21.B.4.b.

Discharge for cause. However, a non-probationary Flight Attendant exercising this option will be conditionally reinstated and placed on unpaid medical leave with continuation of health and welfare benefits at active rates effective upon execution of a Last Chance Conditional Reinstatement Agreement ("LCCRA"), which will include, but not be limited to, the following terms and conditions as to medical evaluation, rehabilitation and treatment:

21.B.4.b.(1).

The Flight Attendant will be referred to a United Substance Abuse Professional (SAP) to meet the DOT/FAA SAP requirements.

21.B.4.b.(2).

If one is recommended, the Flight Attendant must successfully complete the course of rehabilitation (and/or treatment and/or education and/or any other program) recommended by the SAP, including all continuing terms and conditions attached to such program(s). The rehabilitation/treatment will be directed and facilitated by the SAP, but will be funded entirely by the Flight Attendant, except that they will not be precluded from using any insurance benefits to which they are otherwise entitled.

21.B.4.b.(3).

The Flight Attendant must comply with all SAP recommendations. Upon completion of the SAP process, if the SAP recommends on-going monitoring or continued follow-up testing, the Flight Attendant will be referred to UAL's EAP Director or Director's designee. The Flight Attendant will execute written authorization(s) for release of all relevant medical information to UAL's EAP ("EAP").

21.B.4.b.(4).

The Flight Attendant must execute and deliver to the EAP Director an undated letter of resignation to be used to terminate the Flight Attendant's employment (or alternatively, the Flight Attendant will be deemed to have resigned) should they fail to satisfy any of the terms and conditions of UAL's Anti-Drug and Alcohol Misuse Prevention policy or the terms and conditions of the LCCRA.

21.B.4.b.(5).

Upon successful completion of the SAP process, the Flight Attendant will complete a return to duty drug and alcohol test and will be subject to any applicable DOT/FAA required follow-up testing.

21.B.4.b.(6).

The Flight Attendant will be returned to the bid position to which they are otherwise entitled by the terms of this Agreement, effective upon their release to duty. The Flight Attendant's continued employment will be conditional upon their compliance with all of the terms and conditions of the LCCRA.

21.B.4.b.(7).

The Flight Attendant will be solely responsible for ensuring that they are fully qualified and certified to perform their duties.

21.B.4.b.(8).

Once returned to duty, the Flight Attendant will be responsible for maintaining contact with the EAP manager on at least a monthly basis for the purpose of monitoring the Flight Attendant's progress for a period not to exceed sixty (60) months. Failure to maintain monthly contact with EAP or failure to cooperate with EAP will be considered a violation of the LCCRA and will result in termination of the Flight Attendant's employment.

21.B.4.b.(9).

During the rehabilitation/treatment period, any use of alcohol or illicit drugs will be considered a violation of the LCCRA. This includes mouthwash or other

substances or medications that contain alcohol. The Flight Attendant is solely and strictly responsible for adherence to this express condition for their continuing employment. The Flight Attendant must inform EAP of any medication prescribed by their physician and obtain EAP's fully informed consent prior to using any medication that contains alcohol or narcotic drugs. The Flight Attendant expressly agrees that their use of any non-prescription medication or other substance that contains alcohol or illicit drugs which would violate the Company Anti-Drug and Alcohol Misuse Prevention Policy, EAP requirements and/or applicable provisions of the FAA/DOT regulations governing workplace drug and alcohol testing will be considered a violation of the LCCRA and will result in the termination of their employment.

21.B.4.b.(10).

The Flight Attendant will commit in writing to remain drug and alcohol free for the remainder of their career.

21.B.4.b.(11).

During the remainder of their career, should the Flight Attendant subsequently fail any drug and/or alcohol test the undated letter of resignation will be accepted by the Company, and their employment severed.

21.B.4.b.(12).

If the Flight Attendant fails to comply with the LCCRA, discharge will result, and their right to challenge such discharge through the grievance process will be waived. No grievance of the matter will be permitted.

21.B.4.b.(13).

After meeting with the Company's designated Substance Abuse Professional ("SAP") and upon entering the program recommended by the SAP, and so long as the individual continues in treatment and recovery as directed and facilitated by the SAP, the Flight Attendant will have the option to use up to twelve (12) months of disability benefits while in active treatment and recovery if the Flight Attendant is a participant in the Long Term Disability ("LTD") Plan under Section 29.H. The benefit shall be paid under the LTD Plan and shall not limit benefits payable for other disabilities under the LTD Plan. The drug, alcohol and substance abuse benefit shall not be subject to any waiting period.

21.B.5.

A Flight Attendant whose breath alcohol test indicates a concentration from .02 to .039 will be referred to EAP for an initial assessment. Should EAP, in its sole discretion, determine that a medical evaluation and diagnosis of the Flight Attendant be conducted, the Flight Attendant will be placed on a mandatory referral to EAP subject to all requirements of EAP. Upon release by EAP to return to duty, the Flight Attendant will return to the bid position to which they are otherwise entitled by the terms of this Agreement as soon as reasonably possible. Contingent upon the Flight Attendant's full cooperation with EAP (and assuming there is no other disciplinary action pending), they will not be subject to discipline for violation of FAA/DOT regulations or Company alcohol and drug policies.

21.C. VOLUNTARY REHABILITATION

A Flight Attendant who has not been subject to a mandatory referral to EAP or who has not had a verified confirmed positive drug test result or a breath alcohol test indicating an alcohol concentration of 0.04 or greater, may voluntarily self-

refer to United's EAP for assessment and/or rehabilitation and treatment. Such Flight Attendant will be entitled to use any accumulated sick leave to the extent needed to complete the rehabilitation program. Upon completion of the formal rehabilitation program and appropriate certification, the Flight Attendant will assume the bid position to which they are otherwise entitled by the terms of this Agreement.

21.D. CONDUCT SUBJECT TO DISCHARGE

A Flight Attendant who engages in prohibited alcohol or drug use while on duty or while performing safety-sensitive functions, or who receives a second positive test (either of which may be a verified confirmed positive drug test or alcohol test indicating a concentration of 0.04 or above), will be discharged for cause and will not be entitled to an opportunity for conditional reinstatement or rehire.

21.E. DUTY TIME AND PAY

21.E.1.

For the purpose of contractual duty time and legal rest provisions a Flight Attendant undergoing drug and/or alcohol testing will be deemed to be on duty until the testing collection process is completed.

21.E.2. DRUG/ALCOHOL TESTING PAY

See Section 4.F Drug and Alcohol Testing Pay.

21.E.3.

A Flight Attendant shall not suffer loss of pay or credit as a result of a random drug/alcohol test that interferes with their schedule.

21.E.4.

A Flight Attendant who is held out of service for a reasonable cause test that is negative shall receive full pay and credit for lost trips.

21.F.

In the event the FAA approves a Human Intervention Motivation Study (HIMS) program applicable to Flight Attendants, the Company shall meet and confer with the Union regarding the possible implementation of the program.

SECTION 22 PERSONNEL FILES

22.A. GENERAL

22.A.1.

Flight Attendant records shall be maintained by Company personnel/ departments as designated by the Company.

22.A.2.

Flight Attendants are responsible for updating Company-required information in their records.

The Company shall ensure that access to Flight Attendant records is limited to authorized persons. Records indicating the protected categories outlined in Section 3.Q., Nondiscrimination, shall only be disclosed to the extent necessary for business purposes.

22.A.4.

To the extent possible, the Company shall make an effort to convert all Flight Attendant records to electronic media, and to make an individual Flight Attendant's records accessible to them via electronic means.

22.A.5.

Upon a Flight Attendant's request, the Company shall make the Flight Attendant's records available for inspection by them at a mutually agreeable time. With the Flight Attendant's written authorization, their Union representative or another designee (who shall be a Company employee) may conduct the inspection. Upon request, and to the extent possible, the Company shall provide a Flight Attendant with a hard copy of their records.

22.B. PERSONNEL FILES

22.B.1.

The Company shall maintain a Flight Attendant's personnel file in the Flight Attendant's Base. Personnel files shall be maintained in a secure manner.

22.B.2.

The Company shall not place an adverse document in a Flight Attendant's personnel file more than thirty (30) days following receipt by the Company. Prior to placing an adverse document in a Flight Attendant's personnel file, the Company shall notify them and provide an opportunity to attach relevant comments.

22.C. COMPLAINTS/COMPLIMENTS

22.C.1.

When the Company receives a written compliment, if the person writing the compliment is reporting firsthand experience, and the Flight Attendant who is the subject of the compliment is clearly identified; the Company will notify them and place the written compliment in their personnel file.

22.C.2.

The Company shall not place a complaint report into a Flight Attendant's personnel file unless the following conditions are met:

22.C.2.a.

The Flight Attendant who is the subject of the complaint is clearly identified; and

22.C.2.b.

The report complains about events or matters over which the Flight Attendant had control; and

22.C.2.c.

The Flight Attendant is notified of the complaint report, and provided an opportunity to review an unredacted original copy of the complaint and attach relevant comments. For the purpose of this paragraph, the Company may only remove contact information, such as the address, phone number, or email address; and

22.C.2.d.

The name of the person writing such a report or letter is clearly identified.

22.C.3.

All written compliments and written complaints will be removed at the first opportunity from the Flight Attendant's file after a period of twelve (12) months of active service from the date of their receipt, provided there have been no other written complaint letters during that period. In the event other written complaints are received at any time during the twelve (12) months, the complaints will be retained in the file until such time that there is a twelve (12) month period of active service with no written complaints received. In the event discipline is imposed, the written complaint(s) used as a basis for the discipline will remain in the Flight Attendant's personnel file for the duration of the discipline.

22.D. ATTENDANCE AND DEPENDABILITY POINT VALUES**22.D.1.**

A point system will apply to attendance and dependability occurrences as set forth herein. The following occurrences shall generate the following points:

22.D.1.a. OCCURRENCE POINTS

Illness/Injury:

Over 6 days	2
6 days or less, with no physician's note	2
6 days or less, with physician's note	1.5
<u>Did Not Fly (DNF)</u>	3
Missed meeting or training	2
Late boarding	1.5
Late check-in	1

22.D.2.

A “physician’s note” as used herein means a written notation from the Flight Attendant’s treating physician, or a physician affiliated with United Medical that contains:

22.D.2.a.

Date of illness or injury;

22.D.2.b.

Date of examination;

22.D.2.c.

Date of return to work; and

22.D.2.d.

Signature of the physician or physician’s designee on a document that contains, at a minimum, the physician’s printed name, work address and work telephone number. On or before the Flight Attendant’s next scheduled pairing, the Flight Attendant must give the physician’s note to their supervisor, not to United Medical.

22.D.3.

If a Flight Attendant incurs a DNE, and 1) picks up a pairing that departs on the same day as the missed pairing, and 2) secures the assignment while physically present at the departure airport of the missed pairing, the point assessment will be 2.5 not 3.

22.D.4.

Occupational injury or illness occurrences will not generate attendance points.

22.D.5.

Special circumstances will be handled on an individual basis at the sole discretion of the Company.

22.D.6.

Time off pursuant to the Agreement and/or Company policy is exempt from point assessment.

22.D.7.

The method of notifying a Flight Attendant of a point generating occurrence other than an injury/illness absence shall be by electronic notice to the Flight Attendant. Injury/illness absences and related points shall be posted to a Flight Attendant’s Work History without notice to the Flight Attendant.

22.D.8.

It shall be the responsibility of the Flight Attendant to know the status of their point accumulation. Upon request, the Company shall provide to the Flight Attendant their current point status electronically or on paper pursuant to Section 3.I. of the Agreement. A Flight Attendant is at all times free to contact their supervisor regarding point accumulation or assessment.

22.D.9.

Points will accumulate for occurrences even if Attendance Warnings or notices of point-generating occurrences have not been sent or received.

22.D.10.

If a point(s) assessment is deemed unjustified in whole or in part, the Company shall correct the record and adjust any discipline imposed as a consequence of the unjustified point assessment.

22.D.11.

Unless a Flight Attendant is in Attendance Track discipline, points will be deducted from the Flight Attendant's accumulation point total twelve (12) months after the occurrence for which the points were assessed.

22.E. PROGRESSIVE DISCIPLINE

Progressive discipline under the Working Together Guidelines shall operate on two (2) separate tracks, an attendance Track and a Performance Track for all Working Together Guidelines violations subject to progressive discipline. These two (2) tracks merge as set forth below in Paragraph 22.E.3. The effective date of an Attendance Warning is the date of the triggering point occurrence. The effective date of a Performance Warning is the date of issuance of the Warning.

22.E.1.

The Attendance Track shall operate as follows:

22.E.1.a.

Attendance Track progressive discipline steps:

22.E.1.a.(1).

Attendance Warning 1: A Flight Attendant will be assessed an Attendance Warning 1 if they accumulate 6 or more points in a rolling 12-month period. The Warning 1 will remain in effect for a maximum duration of 12 months of active service at which time it will be cleared from the record unless the Flight Attendant progresses to Attendance Warning 2.

22.E.1.a.(2).

Attendance Warning 2: A Flight Attendant will be assessed an Attendance Warning 2 if they accumulate 12 or more points. Points that trigger the Attendance Warning 1 count toward this 12-point threshold. The Attendance Warning 2 will remain in effect for a maximum duration of 12 months of active service at which time Attendance Warnings 1 and 2 will be cleared from the record unless the Flight Attendant progresses to Attendance Warning 3.

22.E.1.a.(3).

Attendance Warning 3: A Flight Attendant will be assessed an Attendance Warning 3 if they accumulate 18 or more points. Points that trigger the Attendance Warning 1-2 count toward this 18-point threshold. The Attendance Warning 3 will remain in effect for a maximum duration of 18 months of active service at which time the Attendance Warnings 1-3 will be cleared from the record unless the Flight Attendant progresses to Attendance Warning 4.

22.E.1.a.(4).

Attendance Warning 4: A Flight Attendant will be assessed an Attendance Warning 4 if they accumulate 24 or more points. Points that triggered the Attendance Warnings 1-3 count towards this 24-point threshold. The Attendance Warning 4 will remain in effect for a maximum duration of 24 months of active service at which time Attendance Warnings 1-4 will be cleared from the record unless the Flight Attendant progresses to Discharge.

22.E.1.a.(5).

Discharge: A Flight Attendant will be subject to discharge if they accumulate 30 or more points. Points that triggered the Attendance Warnings 1-4 count toward this 30-point threshold. Section 23.F.2. applies to discharges.

22.E.1.b.

A Flight Attendant whose Attendance Track discipline expires shall exit the Attendance Track with zero points.

22.E.2.

The Performance Track applies to all progressive discipline issued pursuant to certain Working Together Guidelines and Company policies and procedures expect for those covered under the Attendance Track. The Performance Track shall be as follows:

22.E.2.a.

Performance Track progressive discipline:

22.E.2.a.(1).

Performance Warning 1: A maximum duration of 12 months of active service from the date of issuance unless progressed to a higher level.

22.E.2.a.(2).

Performance Warning 2: A maximum duration of 12 months of active service from date of issuance unless progressed to a higher level.

22.E.2.a.(3).

Performance Warning 3: A maximum duration of 18 months of active service from date of issuance unless progressed to a higher level.

22.E.2.a.(4).

Performance Warning 4: A maximum duration of 24 months of active service from date of issuance unless progressed to Discharge.

22.E.2.b.

The Union's agreement to the Performance Track shall not be construed as agreement with the application of the Working Together Guidelines to any individual case.

22.E.3.

A Flight Attendant cannot simultaneously be on a Attendance Warning 4 and a Performance Warning 4. If an occurrence, event or combination of occurrences and/or events would result in a combined Attendance Warning 4 and Performance Warning 4, that occurrence, event and/or combination of events instead triggers a discharge investigation.

22.F.

Written compliments and written complaints or disciplinary letters that are no longer in effect under the provisions of Paragraphs 22.C. and 22.E., above, will be considered to have expired. If a Flight Attendant requests that an expired letter(s) be removed from their personnel file, all expired letters will be removed and returned to the Flight Attendant.

22.G.

The Company will consider any notations of non-disciplinary discussions regarding dependability or job performance as cleared from a Flight Attendant's record after a one (1) year period of active service from the date of issuance, provided that no disciplinary action or further notations have been issued during that period.

SECTION 23 INVESTIGATIONS & GRIEVANCES

23.A. INVESTIGATIONS

23.A.1.

When the Company conducts an investigation which may lead to disciplinary action or discharge, the Flight Attendant shall be entitled to Union representation, if reasonably available (or representation by another employee if requested by the Flight Attendant). The Flight Attendant and/or Union will be allowed an opportunity to present information relevant to the investigation. In addition, if more than one (1) management representative is present, the Flight Attendant shall be informed of their right to have a Union representative in attendance.

23.A.2.

In the event of any action or inaction by a Flight Attendant that may reasonably lead to discharge, the Flight Attendant shall be notified in writing, by way of a Letter of Investigation (LOI) of the precise charge or charges being investigated, the Flight Attendant's right to have a Union representative or other employee present during any meetings to discuss the allegation(s) charges, and the Flight Attendant's right to respond to the charge(s) and present information relevant to the investigation. Once the Flight Attendant has received the notification in writing, no less than forty-eight (48) hours will generally be allowed before the investigatory meeting except in the case of a suitcase search, or if the Flight Attendant is in an investigation and raises an issue that may be terminable, or if issuing the LOI in advance could compromise the investigation.

23.A.2.a.

The Company shall schedule an investigatory meeting to be held within ten (10) days of the notification in writing. At the Flight Attendant's request, if necessary for the Flight Attendant to secure the presence of a Union representative, witnesses and/or information to respond to the charge(s), the meeting will be rescheduled, however the Flight Attendant must indicate the reason for the delay in writing at the time the request is made. Except by mutual agreement, the meeting shall not be rescheduled to later than fifteen (15) days after the initial notification in writing. If the Company schedules the investigatory meeting virtually then the participants to the virtual meeting will be limited to the grievant, two (2) AFA representatives, and two (2) Company representatives, unless otherwise agreed, with all attendees appearing on video. The meeting will not be recorded. At the Flight Attendant's request, investigatory meetings will be held in person, so long as the meeting takes place within the time limits set forth above.

23.A.3.

Prior to any investigatory meeting, the Flight Attendant and Union representative shall be provided with copies of all evidence, whether written, physical or electronic, that the Company intends to use as a basis for questioning or disciplining a Flight Attendant. The Flight Attendant and Union representative will be provided with a reasonable period of time to review the evidence prior to the start of the investigatory meeting.

23.A.4.

At the outset of any investigatory meeting, the Company will verbally brief the Flight Attendant and the Union representative concerning the incident and

allegation(s) it is investigating. If, during the investigation, the Company becomes aware of other incidents or allegation(s) to be investigated, it will not be prevented from investigating and taking action it considers appropriate; provided, however, that the Company notifies the Flight Attendant and the Union representative of its investigation of such other incidents or allegation(s).

23.A.5.

A Flight Attendant may be held out of service (with pay, provided the Flight Attendant is otherwise qualified for duty) by the Company during its investigation of a matter which may lead to discipline or discharge. Flight Attendants will not be withheld from service for a period longer than fourteen (14) days.

23.A.6.

A Flight Attendant shall be notified of discipline or discharge decisions within fifteen (15) days after the initial investigatory meeting, but not later than as delineated in Paragraph 23.A.7. below, unless mutually agreed otherwise. Written confirmation of discipline or discharge through a Letter of Warning or Termination Letter shall be issued within seven (7) days after the Flight Attendant is notified, starting the day after the date of notification. A copy of all written discipline and discharge notices will be sent to the Local Union representative.

23.A.7.

A Flight Attendant shall not normally be disciplined later than thirty (30) days from the time Inflight management has reasonable first knowledge of the incident giving rise to the discipline, starting the day after Inflight management has reasonable first knowledge. In the event a Flight Attendant requests to postpone an investigatory meeting, or is on leave of absence, furlough, sick leave, or vacation of more than fourteen (14) days, during this thirty (30) day period, such thirty (30) day period may be extended by a period equal to the length of the meeting postponement, leave of absence, furlough, sick leave, or vacation.

23.A.8.

A Flight Attendant who has passed the probationary period shall not be disciplined or discharged without just cause.

23.A.9.

A Flight Attendant who is disciplined or discharged may challenge that decision by filing an appeal within thirty (30) days of notification of the decision, pursuant to Section 23.F.2. below.

23.B. GRIEVANCE REPRESENTATION

23.B.1.

The Union will be represented by properly designated Local Executive Council ("LEC") Presidents at each location on the system. LEC Presidents and their designees will be empowered to settle all local grievances or disputes not involving changes in policy or the intent and purposes of this Agreement, at the local level. The Union will advise the Company, in writing, of the individuals who serve as authorized officials. The Union will advise the Senior Vice President, Inflight, or their designees, in writing, of the individuals who serve as LEC Presidents. The Union will be further represented by the MEC President and/or their designee, who will be empowered to handle and settle grievances at all levels of the grievance procedure.

23.B.2.

The Company will be represented at each location by one or more authorized officials who will be empowered to settle local grievances or disputes, but such settlement may not involve any change in the intent and purpose of this Agreement or Company Policy. The Company will advise the Union, in writing, of the individuals who serve as authorized officials. The Company will be further represented by the Senior Vice President level for dealing with the MEC President, Inflight, or their designated representative. No Company employee directly involved in the matter which gave rise to the grievance will sit as hearing officer at any step.

23.B.3.

The Union and the Company will, at all times, keep the other party advised, through written notice, of any change in authorized representatives.

23.B.4.

The MEC President and/or their designated representatives shall be permitted to enter any location on the Company's system where employees under this Agreement are located for the purpose of representing such employees upon prior notification to the Company at that location.

23.B.5.

All grievance representatives will be allowed free access and availability to all work areas within their respective areas of representation in order to conduct their business in a proper, efficient, and expedient manner. Grievance representatives will be allowed time off for purposes of investigating, presenting and adjusting grievances or to attend meetings provided for in this Agreement.

**23.C. MASTER EXECUTIVE COUNCIL GRIEVANCE
PROCEDURE****23.C.1.**

The procedure for presentation and adjustment of Master Executive Council ("MEC") grievances that may arise between the Company and the Union with reference to interpretation or application of any provisions of this Agreement shall be as set forth below. Grievances must be filed promptly after the cause giving rise to the grievance is evident, and no grievance will be valid if not filed within thirty (30) days of the date the employee first knew or could reasonably be expected to have known of the grievance.

23.C.1.a.

MEC Grievances relating to matters general in character may be submitted by the Union in writing to and discussed between the designated Company Vice President or designee and the MEC President or designee. The Company shall render a decision on the matter within fourteen (14) days after the grievance is submitted.

23.C.2.

If a mutually satisfied resolution of the matter is not reached within fourteen (14) days after the grievance is submitted, then the matter may be appealed to the System Board of Adjustment.

23.D. GENERAL

23.D.1.

The Union will be given a reasonable opportunity to secure the presence of necessary individual(s) to fairly conduct hearing and meetings required in connection with a grievance. If any necessary employee is based at other than the location where the hearing or meeting is to be held then such employee will be furnished free PS5B (or future equivalent) travel over Company lines to attend the hearing or meeting.

23.D.2.

The Company will not discriminate against any witness called to testify in any hearing or investigation under this Agreement.

23.D.3.

Union representatives and necessary employee witnesses will be released from duty on a non-paid status.

23.D.4.

In assessing discipline, the Company will consider the gravity of the offense, seniority, and work record of the employee.

23.D.5.

At each step of the Grievance procedure, the Company and Union recognize a desire and need to handle grievances within the time limits set forth in this Section. It is further recognized that the Company or Union representative may request reasonable time limit extensions.

23.D.6.

The Union's decision to withdraw grievances, not to process or appeal a grievance to the next step shall not in any way prejudice its position on the issues involved. The Company's and Union's decision to settle a grievance shall not prejudice their respective positions on the issues involved.

23.D.7.

An employee may elect to have legal counsel present only at the System Board of Adjustment, and only after having signed a Union representation waiver.

23.D.8.

Notwithstanding any of the provisions of this Section, probationary Flight Attendants are not entitled to file grievances under this contract regarding discipline or discharges, nor shall such employees be entitled to challenge discipline or discharges taken against them. During the last ninety (90) days of the Flight Attendant's probationary period, the Company, in taking any action regarding a Flight Attendant on probation, shall consider any written recommendation which has been filed by the Union.

23.D.9.

Any decision made during the grievance procedure which is not appealed within the time limits provided in the Agreement shall be final and binding, except by mutual agreement of the Company and the Union which will not be unreasonably withheld.

23.D.10.

When grievances allege a scheduling violation(s) of the Agreement, the Company will provide to the Union all scheduling audio tapes, chats, reports, statements, or other material (whether physical or electronic) that will either confirm or deny the alleged scheduling violation(s). If, for any reason, a recorded conversation is missing, erased or is otherwise inaudible, a prompt review of the incident in question will be made by the Director of Crew Scheduling or designee upon written request from the respective Local President or designee.

23.D.11. SETTLEMENT CONFERENCE

Upon the request of either party, and not to exceed once per quarter, the Senior Vice President, Inflight and the MEC President or their designees will meet for the purpose of attempting to settle or withdraw all outstanding grievances then pending before the System Board. The parties may designate additional participants as they deem necessary. The settlement conferences shall be conducted at a mutually agreed location. Recognizing the mutual benefit of the Settlement Conference provision, the parties may mutually agree to engage the services of a neutral third (3rd) party chosen from the National Mediation Board (NMB) or the parties arbitration/mediation panel to assist in facilitating this process.

23.E. NON-DISCIPLINARY ACTIONS, CONTRACT MATTERS & COMPANY POLICIES

In order to enable the processes set forth in this Section to resolve disputes pertaining to non-disciplinary actions, contract matters and Company policies quickly and effectively, the following procedures will be utilized.

23.E.1. LOCALLY-BASED DISPUTE RESOLUTION PROCESS

23.E.1.a.

A group of Flight Attendants or a Flight Attendant who has an issue concerning any action of the Company which affects them, except as may arise out of disciplinary action, and which the Flight Attendant(s) has not been able to resolve satisfactorily, may file a worksheet with the Union, setting forth the basis for the dispute within sixty (60) calendar days after the Flight Attendant(s) reasonably would have knowledge of the dispute.

23.E.1.b.

The Union shall review and evaluate every worksheet. If the Union determines that a worksheet reports a potentially valid claim, the Union shall file a Notice of Dispute ("NOD") with designated Company personnel within thirty (30) calendar days of receipt of the worksheet. A NOD will identify a dispute concerning an action by the Company, except as may arise from a disciplinary action.

23.E.1.c.

The filing of a NOD obligates the Company and Union to engage in local discussions, utilizing interest-based dispute resolution. Union and Company participants in these discussions will be trained in interest-based dispute resolution, and, to the maximum extent feasible, should bring relevant expertise to the NOD in terms of factual and subject-matter knowledge, and locale of work or representational assignment. The expectation is that the vast majority of NODs will be resolved during these discussions and within thirty (30) calendar days of filing.

23.E.1.d.

Within thirty (30) calendar days after the filing of a NOD, the participants in the dispute resolution discussions shall resolve the NOD or, if those efforts are unsuccessful, file a NOD Submission to the Dispute Resolution Committee, described below. The NOD Submission shall be a document jointly prepared by the primary dispute resolution participants that, at a minimum, contains a complete statement of relevant undisputed and disputed facts, the issues in dispute, and the impediments to resolution.

23.E.2. DISPUTE RESOLUTION COMMITTEE**23.E.2.a.**

The Dispute Resolution Committee ("DRC") shall be composed of four (4) participants, two (2) appointed by the Union and two (2) by the Company. The mission and purpose of the DRC is to: 1) promote the prompt, effective and local resolution of disputes through the use of interest-based dispute resolution, and 2) preserve traditional arbitration primarily for the timely adjudication of discharge grievances and contractual disputes that have significant and widespread impact among Flight Attendants. The DRC shall meet at least twelve (12) times per year, but may meet more frequently if needed. Either the MEC President or the Senior Vice President of Inflight can request additional meetings when any case pending before the DRC is more than sixty (60) days old.

23.E.2.b.

With respect to any NOD Submission, the DRC is empowered to: 1) resolve the NOD in whole or in part; 2) remand the NOD, in whole or in part, to the first-level dispute resolution participants for further local resolution efforts; 3) assign the NOD, in whole or in part, to expedited arbitration; 4) assign the NOD, in whole or in part, to traditional arbitration; or 5) where none of the previous options appear appropriate, escalate the NOD to the MEC Grievance Chair and the Vice President Labor Relations, or their designee(s).

23.E.2.c.

The DRC shall make decisions by majority vote of the whole committee. In the event of a tie vote, the grievance may be appealed to the System Board of Adjustment. The expectation is that NOD Submissions will be processed within sixty (60) days of receipt.

23.E.2.d.(1).

Prior to each DRC meeting, the Union members of the DRC will review all NODs to be discussed at the upcoming meeting to determine whether the NOD reports a valid claim. Any NODs not meeting this criteria will not be discussed by DRC.

23.E.2.d.(2).

Prior to each DRC meeting, the Company members of the DRC will review all NODs to be discussed at the upcoming meeting to determine whether a violation(s) of the Agreement has occurred or is reoccurring. If so, the Company DRC will advise the local Company participant(s) to reengage in local discussions to resolve the issue.

23.E.2.e.

Prior to each DRC meeting, the Union members of the DRC shall provide the Company members of the DRC with a list of all NODs to be reviewed.

23.E.2.f.

When the DRC determines that a NOD is not a valid dispute under the terms of the Agreement, the DRC shall communicate its determination, along with the reason for the determination, to the Local Council and Base Leadership.

23.E.3. BYPASS OF THE PROCESS

The MEC Grievance Chair or Vice President Labor Relations or their designee may decide that a NOD shall bypass the dispute resolution process contained herein where it is unlikely that that process will achieve a resolution, and proceed to Section 24 (System Board) of the Flight Attendant Agreement. This right shall be exercised only in cases of disputes having significant widespread impact on Flight Attendants and/or significant financial impact to the Company, and then only after a discussion between the MEC Grievance Chair and the Vice President Labor Relations or their designee.

23.E.4. NON-PRECEDENT AND NON-PREJUDICE

All resolutions of NODs shall be without precedent and prejudice in regard to any other NOD, dispute, grievance, or System Board of Adjustment hearing unless: 1) the resolution clearly states in writing that it is precedent-setting, and 2) the resolution is signed by the MEC President on behalf of the Union and the Vice President Labor Relations on behalf of the Company, or their designee(s).

23.E.5. DUTY TO RESOLVE DISPUTE RESOLUTION PROBLEMS

If the Union or the Company receives credible information to the effect that the local dispute resolution process is experiencing problems in a locale or department, the parties will in good faith evaluate the situation and, if a problem exists, take appropriate action. The DRC is authorized to report such problems to the MEC President and the Managing Director/Director of Labor Relations. The MEC President and the Managing Director/Director of Labor Relations will meet to determine what actions will be taken to resolve the issue.

23.E.6.

The Union may bypass the process contained in this Paragraph E., Paragraphs 1 – 5, for grievances addressing a dispute over the system-wide application of the Agreement, by providing written notice from the MEC President to the Senior Vice President of Inflight Service in accordance with Section 23.C. of this Section.

23.E.7.

A Flight Attendant's or a group of Flight Attendants' right to retrospective relief shall not exceed sixty (60) days, except when a grievance is filed pursuant to above Section C., in which case retrospective relief shall not exceed one hundred twenty (120) days.

23.E.8.

In the settling of NODs, appeals, and grievances under this section, nothing shall preclude a monetary component of such settlement if such settlement is signed by the MEC President on behalf of the Union and the Managing Director, Labor Relations on behalf of the Company, or their designee(s). The Managing Director of Labor Relations and the Managing Director of Crew Scheduling, or their designees, will meet on a quarterly basis with the MEC President, or their designee(s) to discuss issues of concern related to Crew Scheduling.

23.F. DISCIPLINARY LETTERS, DISCIPLINARY SUSPENSIONS AND DISCHARGES

In order to enable the processes set forth in this Section of the Flight Attendant Agreement to resolve disputes pertaining to discipline and discharge, the following procedures will be utilized.

23.F.1. DISCIPLINE NOT INVOLVING DISCHARGE

23.F.1.a.

For both Attendance Track and Performance Track discipline, the Company shall notify a Flight Attendant by issuing disciplinary Warnings in compliance with Section 22.E. Progressive Discipline. An electronic copy of Warning(s) will be sent to the Flight Attendant's corporate email address. Upon a Flight Attendant request, a Warning also will be sent to an alternative email address. The Company is not required to copy the Union on Attendance Warnings.

23.F.1.b.

The effective date of the Attendance Warning is the date of the triggering point occurrence. The effective date of the Performance Warnings is the date of issuance of the Warning.

23.F.1.c.

A Flight Attendant may request a review of any Warning; the Union may request such a review on behalf of the Flight Attendant only if the Flight Attendant specifically so requests in writing. A Warning that is not timely challenged in the form of a request for review is final and is not subject to later appeal, challenge or review. The thirty (30) day deadline for requesting review is triggered by the date of the Warning. Once requested, a hearing will be scheduled within ten (10) days, and be conducted within thirty (30) days of the request.

23.F.1.d.

The hearing shall be a conference between the Base Director/Manager and/or designee, the supervisor, the Flight Attendant and Association representative and/or witnesses as applicable. With respect to this meeting:

23.F.1.d.(1).

Formal rules of evidence and procedure will not apply.

23.F.1.d.(2).

Any party may bring to the hearing documents or other evidence, although this is not required.

23.F.1.d.(3).

The management representative and the Union representative will be trained in interest-based dispute resolution.

23.F.1.d.(4).

The parties are encouraged to candidly discuss the merits of the Warning.

23.F.1.e.

The Base Director/Manager or designee will record the result of the hearing on a jointly-created template document, but will not have to issue a written explanation. The Base Director/Manager or designee will have a period of fifteen (15) days to notify the Flight Attendant and the Union of the decision in writing.

23.F.1.f.

Where a hearing results in a Warning being sustained in whole or in part, all arguments are preserved; however, the matter cannot be appealed to the System Board of Adjustment unless the Flight Attendant is later discharged, and then only if the Warning is active at the time of the discharge.

23.F.1.g.

Notwithstanding the above Paragraph 23.F.1.f., in extraordinary circumstances, the Master Executive Council President, but not an individual Flight Attendant, may appeal the outcome of the hearing to the Managing Director of Base Operations. If this meeting does not resolve the matter to the satisfaction of the Union, the Union may within fifteen (15) calendar days of the conclusion of the meeting appeal the decision to the System Board of Adjustment. By mutual agreement of the Company and the Union, the parties may assign the dispute to Expedited Arbitration as delineated in Section 24.R.

23.F.2. DISCHARGE

In the event of any alleged action or inaction by a Flight Attendant that results in discharge, the following process shall apply:

23.F.2.a.

The Flight Attendant may file an appeal of the termination decision within thirty (30) days of the date they are notified that they are discharged. The appeal may be filed on a prescribed form provided by the Company which shall include the appellant's name. Such appeal must be in writing and signed by the Flight Attendant. Any termination decision not appealed within thirty (30) days shall be final and binding.

23.F.2.b.

The Base Director/Manager shall schedule a mutually agreeable hearing date in that Base within fourteen (14) days. Such hearing must be held within thirty (30) days of the date the appeal was filed, unless the parties mutually agree to extend the thirty (30) days. A decision in writing shall be issued not later than fifteen (15) days following the hearing.

23.F.2.c.

If the decision of the hearing officer is not satisfactory, the Union may appeal the decision directly to the System Board of Adjustment, not more than thirty (30) days following the date of the written decision. Additionally, these cases will be subject to discussion under Section 23.D.11. (Settlement Conference).

23.F.3.

All settlements of Attendance Warnings, charges, point assessments, and/or potential discharge or discipline shall be without precedent and prejudice in regard to any other dispute, grievance, or System Board of Adjustment hearing unless: (i) the settlement clearly states in writing that it is precedent-setting, and (ii) the settlement is signed by the MEC President on behalf of the Union and the Managing Director Labor Relations on behalf of the Company.

The negotiations will occur and conclude during the first week of July prior to the potential change to the panel. The panel will remain intact for two calendar years, provided that any member who is then acting as an arbitrator in any case or cases pending before the System Board of Adjustment at the end of two-year term and is subsequently removed from the panel, shall be permitted to serve until the completion of such case or cases. During the two-year term either party may remove an arbitrator from the panel with notice to the other party, with the understanding that the arbitrator shall be permitted to conclude any outstanding case(s).

If a new hire Flight Attendant has no hours in the twelve (12) prior months, compensation shall be at their rate of pay, including overrides and premiums, times the monthly guarantee.

27.A.2.

A Covered Period means any time a Flight Attendant is involuntarily missing, involuntarily and wrongfully detained, or taken prisoner of war, in each case while on a pairing or performing official duties for the Company.

27.A.3.

Compensation shall be provided to the most recent beneficiary(ies) designated by the Flight Attendant. If no beneficiaries have been designated, the Company shall pay the compensation to the Flight Attendant upon their release or, if death has been legally determined, to the legal representative of the Flight Attendant's estate.

27.A.4.

The Company shall be entitled to recover any amount paid pursuant to this Section for any period when the Flight Attendant is not involuntarily missing, involuntarily and wrongfully detained, or taken prisoner of war, in each case while on a pairing or performing official duties for the Company.

27.A.5.

The Company, in conjunction with the Union, shall take all actions that are reasonable in the circumstances to secure the release of the Flight Attendant during a Covered Period.

In no event shall more than one (1) death benefit be paid per Flight Attendant.

27.C. SENIORITY

Flight Attendant shall maintain and continue to accrue seniority and longevity for all Covered Periods.

SECTION 28 COMMUTER PROGRAM

28.A.

This Section establishes standards for managing Flight Attendant attendance when certain unavoidable circumstances preclude Flight Attendants from reporting as scheduled. While all concerned are required to conduct themselves with reasonableness, prudence, and good judgment, the obligation and responsibility to report for work as scheduled remains that of each Flight Attendant.

28.B.

This Section governs circumstances in which Flight Attendants are unable to report for scheduled assignments due to any of the following:

28.B.1.

Unforecasted severe weather conditions or other natural disasters (i.e., blizzards, hurricanes, earthquakes, and other similar events), or

28.B.2.

Hazardous or impassable roads resulting from severe weather, accidents, or natural disasters, or

28.B.3.

Mechanical problems while on the way to work, or

28.B.4.

Unexpected airport disruption(s) or closures, or

28.B.4.a.

Flight Attendants who commute by automobile, bus, train, or public surface transportation will be afforded the same privileges contained in this Section for unforeseen events related to severe unforecasted weather conditions or natural disasters which render roads hazardous or impassable, or enroute mechanical problems, provided that they call their Inflight Duty Office as soon as the unforeseen event becomes known and it appears they will not make it to the airport to arrive at their Domicile in time for their scheduled report (e.g., road accident, mechanical breakdown, severe weather). Flight Attendants are expected to exercise prudent judgment and planning regarding checking load factors, flight availability, forecast weather, traffic reports, and otherwise generally “planning ahead” to avoid commuting problems. For example, it is not sufficient to utilize a flight(s) whose arrival/departure time is likely to be adversely impacted by forecasted weather events.

28.B.4.b.

A Flight Attendant commuting by air, must exercise good judgment and exert every reasonable effort to report for work. In all cases the flight(s) must be scheduled to arrive at their Domicile or the point of their duty assignment at least one hour (1:00) prior to their report time for such assignment. The primary flight may either be a flight for which the seats are controlled by the Company or it may be a flight operated by another carrier (OAL). The secondary flight must be a flight for which the seats are controlled by the Company.

28.B.4.b.(1).

A Flight Attendant commuting on an airline whose seats are controlled by the Company, must have a legitimate reasonable potential to commute on at least one (1) flight listed through the Company's reservations systems, including accounting for non-revenue space available travelers that are listed and have either a higher boarding priority or greater seniority than the Flight Attendant. Within the twenty-four (24) hours prior to the flight departure time the flight must have available capacity as displayed on the Company's reservations system.

28.B.4.b.(2).

A Flight Attendant commuting on an airline whose seats are not controlled by the Company, must have a legitimate reasonable potential to commute on the flights for which they are listed. Within the twenty-four (24) hours prior to the flight's departure time the flights must have available capacity as displayed on that company's reservations system/interline booking system. It will be the responsibility of the Flight Attendant to provide the necessary documentation to show the available capacity.

28.B.4.b.(3).

Flight Attendants choosing to commute with a revenue ticket with a confirmed seat on any commercial carrier will qualify as long as the flight is scheduled to arrive at their Domicile or the point of their duty assignment at least one hour (1:00) prior to their report time for such assignment.

28.B.4.c.

Upon actual assignment, a jumpseat(s) (Mainline and United Express) is considered an available seat for commuting purposes.

28.C.

This Section applies to Flight Attendants whose mode(s) of transportation to report for work are rendered unavailable by any of the conditions in Paragraph 28.B. only if there are no other reasonable alternative means of timely reporting for their scheduled assignments. A Flight Attendant may utilize two (2) or more airports in proximity to each other for purposes of satisfying the two (2) flights requirement of this Section (e.g., one (1) flight from Tampa, one (1) flight from Orlando, or one (1) flight from Sarasota) as long as the scheduled departure times between the two (2) flights reasonably allow the Flight Attendant to travel by surface transportation (i.e., automobile, bus, train or taxi) from one (1) airport to the other and physically check in at the gate in time for the scheduled departure of each flight. The commuting Flight Attendant must be at the gate and have checked in for the flights(s) to be utilized for purposes of this Section.

28.D.

This Section does not apply to any other circumstance or condition related to a Flight Attendant's failure to report for their scheduled assignment, or to timely report for their scheduled assignment, including personal emergencies.

28.E.

When an unforeseen event takes place (e.g., no available seat, weight restriction, delay or cancellation due to unforeseen significant weather at the intended airport of departure or arrival, ATC or aircraft maintenance), affecting the Flight Attendant's first commuting flight, they must immediately contact Crew Scheduling. A Flight Attendant commuting by air will notify Crew Scheduling of the airline and flight number of their primary flight and that they

will be utilizing the back-up flight, when applicable, immediately upon discovering that they are unable to commute using the primary flight, regardless of the reason for such inability. They shall also recontact Crew Scheduling immediately upon discovering that they will be unable to commute on their back-up flight, when applicable. In the case where a Flight Attendant is physically onboard their first or back-up flight and the flight diverts in route, the Flight Attendant shall contact Crew Scheduling as soon as they are able to do so. Upon notification to Crew Scheduling, the Flight Attendant shall continue on to their Base if possible, unless released by Crew Scheduling/ Coordination. Upon arrival at their Base, the Flight Attendant shall promptly contact Crew Scheduling/Coordination to advise them that they are there. They will be subject to assignment, as follows:

28.E.1.

They may be directed to report to their original pairing or to a portion of the original pairing, joining it at a later point; or

28.E.2.

They may be assigned a substitute pairing scheduled to fly on the same days as the original pairing; or

28.E.3.

They may be assigned a substitute pairing which begins on any day following the start of the original pairing, as follows:

28.E.3.a.

For domestic pairings, the substitute pairing may not be scheduled to end later than the final day.

28.E.3.b.

For international pairings, the substitute pairing may not be scheduled to end later than the calendar day following the day on which the original pairing was scheduled to end. The Flight Attendant may advise the Company that they do not want to be assigned to a pairing scheduled to terminate the day after the original pairing was scheduled to terminate. In such cases, the Flight Attendant will not be entitled to a hotel room under Paragraph 28.E.5, and they will still be subject to assignment under Paragraphs 28.E.1, 28.E.2. and 28.E.4.

28.E.3.c.

A Flight Attendant whose assigned substitute pairing is scheduled to end on the calendar day following the day on which the original pairing was scheduled to end will not be entitled to have that day off restored.

28.E.4.

They may be given any other substitute assignment which is mutually agreeable to the Flight Attendant and Crew Scheduling; and

28.E.5.

Except as provided in paragraph 28.E.3., if requested by the Flight Attendant, the Company will provide a hotel room for a Lineholder Flight Attendant who commutes by air and who is in compliance with this Section if the Lineholder receives no immediate assignment or receives an assignment with a report time more than five (5) hours after the Flight Attendant arrives at their Base. The Company shall not be obligated to provide more than the number of nights in a hotel than would otherwise have been provided on the Flight Attendant's original pairing.

28.F.

A Flight Attendant given an assignment pursuant to Paragraph 28.E. will be compensated as if the original assignment had never occurred, and the substitute assignment had in fact been their original assignment. If no substitute assignment is given, the original assignment shall be treated as a personal drop, and the Flight Attendant shall receive no pay or credit relating to it.

28.G.

This Section shall be applicable to all Flight Attendants, whether Lineholders or Reserves.

28.H.

Upon request, Flight Attendants shall be responsible for providing documentation required by the Company to establish their compliance with the terms of this Section.

28.I.

Nothing in this Section shall be construed to limit or abridge the Company's existing rights to make assignments/reassignments as necessary, and consistent with the Collective Bargaining Agreement to protect the operational integrity of the schedule.

28.J.

A Flight Attendant who is unable to meet their scheduled report time as a direct result of any of the circumstances listed in Paragraph 28.B., and who has complied fully with all of the terms of this Section shall be considered to have an authorized absence without pay, and shall not be subject to discipline (assessed points) as result of their inability to report, unless such inability occurs repeatedly. The parties have intentionally not specified a precise number of instances that will be afforded the protections of this Section. Each invocation of this Section will be considered an independent event and judged on its own unique circumstances, however repeated invocations of this Section may be considered in evaluations of a Flight Attendant's overall attendance/reliability.

29.A.1. INSURANCE BENEFITS AND PLANS TO BE PROVIDED

29.A.2.c.(1).

They are related to the Flight Attendant (or the Flight Attendant's spouse) by blood or marriage;

29.A.2.c.(2).

29.A.2.c.(3).

The child is living with the Flight Attendant in a parent-child relationship; and

29.A.2.c.(4).

The child is primarily dependent upon the Flight Attendant for support.

29.A.2.d. DOMESTIC PARTNERS

Except as otherwise prohibited by state or federal law, a Flight Attendant's domestic partner will be treated the same as a spouse for purposes of any benefits described in this Section 29. A domestic partner is an individual who is the same sex as the Flight Attendant for whom the Flight Attendant has submitted proof of domestic partnership in accordance with the rules and procedures as may be established by the Company from time to time, and provided the domestic partnership has not been terminated. Income will be imputed to the Flight Attendant for any domestic partner benefits elected by the Flight Attendant as required by state or federal law.

29.A.2.e. SURVIVORS

The Company shall use reasonable efforts to obtain insurance policies that do not include such limitations or exclusions. The Company will continue to extend family medical and dental coverage to a Flight Attendant on leave pending grievance on the same basis as for an active employee; and, if such Flight Attendant is discharged, they will be able to receive medical and dental coverage for eighteen (18) months at their own expense under COBRA.

All decisions and actions taken by the Retirement Board shall be by the affirmative vote or agreement of not less than three (3) members. Such affirmative vote or agreement shall be in writing if given other than during a meeting of the Retirement Board. All decisions of the Retirement Board shall be final and binding upon the Company, the Union, and any other person having an interest in, under or derived from the Retirement Programs, including the trustee, to the extent permitted by law. No ruling or decision of the Retirement Board in one case shall create a basis for a retroactive adjustment in any prior case.

ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO**

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the "Company") and the Association of Flight Attendants – CWA, AFL- CIO (the "Union").

WHEREAS during the negotiations between the Company and the Union (collectively, the "parties") leading to the 2016-2021 Agreement (the "Agreement"), the parties agreed to address currency exchange rates for International Domicile Flight Attendant compensation.

ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO**

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the "Company") and the Association of Flight Attendants - CWA, AFL-CIO (the "Union").

**LETTER OF AGREEMENT
BETWEEN
UNITED AIRLINES, INC.
AND
THE FLIGHT ATTENDANTS
IN THE SERVICE OF
UNITED AIRLINES, INC.
AS REPRESENTED BY
ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO**

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the “Company”) and the Association of Flight Attendants – CWA, AFL-CIO (the “Union”).

WHEREAS during the negotiations between the Company and the Union (collectively, the “parties”) leading to the 2016 – 2021 Agreement (the “Agreement”), the parties agreed upon layover hotel guidelines and a process for hotel selection.

NOW THEREFORE, the parties to this Letter of Agreement hereby agree on the following terms:

WHQPP/AFA PROCESS DOCUMENT

1. MONTHLY MEETING

A conference call or a joint meeting between WHQPP and AFA will be held once a month to discuss cities needing visits and outstanding hotel issues based on agenda provided to WHQPP no less than 72 hours prior to meeting. Both WHQPP and AFA can request a joint site inspection. Either party requesting such shall provide justification for the request. If the justification is based on complaints, it must be a “reasonable level” of complaints.

2. SOURCING

- a. The Company will create a list of hotels to be sent Requests for Proposals (RFPs) and send to AFA.
- b. The Company will consider variable sourcing RFPs (i.e.: 10.40 fin case hotel may wish to bid on Flight Attendants-only)
- c. The RFP shall include a statement informing hotels that bids for less than the requested room volume may be considered.
- d. AFA may provide additional hotels and the Company will include these in the RFP process, however, the AFA agrees not to include luxury (ex. Ritz-Carlton, Four Seasons, Mandarin Oriental, etc.), high end lifestyle/boutique or all inclusive hotels for RFP. The Company will send AFA a final list of all hotels which have been sent RFPs.
- e. Upon conclusion of RFP process, and prior to conferring on site inspections, under paragraph 3, below, Company shall provide AFA with list of responses, including returned questionnaires.

3. LIST OF HOTELS TO BE INSPECTED

The parties shall confer as to which properties shall be considered for site inspection.

4. AFA TO BE PROVIDED INSPECTION LIST PRIOR TO INSPECTION

A written list of prospective properties to be inspected will be provided to AFA for their review 10 days ahead of the inspection. The list must contain, at a minimum, the hotel name, address and phone number.

5. The Company will be the primary direct contact and official voice of UA to the hotels regarding sourcing, soliciting bids, selection process, and contract administration. AFA's communication with hotels should not be restricted from fact-finding, but will be coordinated with the Company. AFA shall not contact hotels to affect negotiations from the time of receiving an inspection list from the Company until the end of negotiations.

6. HOTEL EVALUATION FORM TO BE COMPLETED PRIOR TO INSPECTION

WHQPP will provide the "Crew Hotel Inspection Questionnaire" as completed by the hotel in advance of the proposed final hotel inspection list. It is expected that numerous services, available items, and general information should be available and annotated on the form in advance.

7. HOTEL SELECTION

A consensus should be reached on hotel selections. If a consensus is not reached the Hotel Dispute Process can be invoked by either party.

8. INSPECTION CURRENCY

Any jointly approved property, regular or overflow, where United Flight Attendants stay, shall be considered to maintain its inspection currency for 12 months from the last time Flight Attendants used the facility, or longer by mutual consent. However, it is understood there may be instances where a change in hotel brand and/or management company or other significant changes could require an additional inspection earlier than 12 months.

9. OVERFLOW USAGE

Properties that WHQPP and AFA jointly inspect and approve, but are not chosen by WHQPP for primary usage are approved for limited overflow use. WHQPP will determine the number of properties to be designated for overflow purposes on a city-by-city basis. AFA and WHQPP will then agree to the order of preference to be followed for overflow usage and this order will

be reflected in the hotel computer CCS display. The parties understand that in irregular operations in the interest of obtaining hotel rooms as quickly as possible, this preferred order may not be honored. The inspection currency shall be the same with these facilities as with the primary facility.

10. DISPUTE RESOLUTION

It is agreed that hotel/transportation decision disagreements will be resolved in the following manner:

- a. The WHQPP Director and AFA MEC Hotel Chairperson or designee will jointly prepare and agree upon standards and procedures to be followed for the selection of hotels, transportation and crew lounge facilities.
- b. Each MEC Hotel Chairperson or designee and WHQPP Director will have responsibility for dispute resolution and to seek a resolution acceptable to both parties.
- c. Failing a mutually agreeable solution, the dispute may then be processed to the Senior VP Inflight Services.
- d. If the dispute is still not resolved, it may be submitted directly to expedited arbitration in accordance Section 24.R Expedited Arbitration.
- e. The Expedited Arbitration hearing will take place at the disputed hotel and the System Board will be permitted to review the hotel, its location, facilities and the surrounding area before rendering its decision.
- f. AFA Site Inspection Evaluations must be revised to show the hotel as approved if the disqualification criterion is resolved.

**LETTER OF AGREEMENT
BETWEEN
UNITED AIRLINES, INC.
AND
THE FLIGHT ATTENDANTS
IN THE SERVICE OF
UNITED AIRLINES, INC.
AS REPRESENTED BY
ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO**

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the “Company”) and the Association of Flight Attendants – CWA, AFL-CIO (the “Union”).

WHEREAS, the Company and the Union are parties to the 2026-2031 collective bargaining agreement (“the Agreement”), which will set forth and combine rates of pay, rules and working conditions of the Flight Attendant group, and

WHEREAS, the parties desire that the Agreement be completely implemented as soon as possible consistent with the limitations imposed by technical restrictions that cannot be dealt with by the Date of Signing of the Agreement (“DOS”), and

WHEREAS, the Agreement contains numerous provisions that will require substantial programming to place into effect, and

WHEREAS, the parties wish to set forth the process, sequence, and timeline by which the provisions of the Agreement will be implemented,

NOW THEREFORE, the parties hereto agree as follows:

A. General

1. This Implementation Agreement contains the full understandings and complete agreement of the parties regarding the implementation of the terms of the Agreement.

2. Any disputes regarding this Implementation Agreement that the Joint Implementation Team is unable to resolve shall be referred to the MEC President and the Vice President of Inflight and if the matter still cannot be resolved, to the dispute Implementation Agreement resolution procedure identified in Paragraph D of this Implementation Agreement.

3. This Implementation Agreement will be effective on the date of signing. The individual provisions of this Implementation Agreement shall not become permanent, but shall sunset when implementation of the Agreement is accomplished.

4. The earliest implementation of the Agreement is desired by both parties, and they pledge to work diligently towards that goal. The parties acknowledge that by its nature, predicting implementation is imprecise, and recognize that technology and operational imperatives can affect any implementation schedule. It is the parties’ intention and desire that all implementation dates and targets be met as planned. However, if technology allows, earlier implementation shall occur.

B. Joint Implementation Team

1. The parties shall establish a Joint Implementation Team ("JIT") consisting of six members (three Union members and three Company members). This team will determine what changes need to be made in order to implement the scheduling provisions and comply with the intent of the Agreement. Additionally, the JIT will resolve any scheduling issues that arise due to implementation that are not covered by the Agreement. This team will meet as needed during the implementation period. The three Union members will be provided flight pay loss by the Company; such flight pay loss shall not be counted against the flight pay loss credit provided to the Union in accordance with Paragraph P. of the Agreement, Section 30 (Union Activities).

2. The JIT shall have responsibility for the timely and effective implementation of the Agreement. To satisfy its responsibility for timely and effective implementation the JIT shall have active ongoing involvement in development of systems integration and processes and the decisions relating thereto, including adjustments to the implementation schedule as contemplated by paragraph A.4., above.

3. The JIT shall have authority to set its own schedule, meeting as often, in such locations, and for as long as it deems necessary to complete the Agreement implementation. It may also utilize the services of such subject matter experts from the Union and the Company as it deems necessary or advisable. If the JIT agrees Union subject matter experts are required, their flight pay loss will be provided by the Company. Such flight pay loss shall not be counted against the flight pay loss credit provided to the Union in accordance with Paragraph P. of the Agreement, Section 30 (Union Activities).

4. The JIT shall work as a collaborative team. To that end, JIT decisions regarding the implementation schedule and the manner of implementation shall be by mutual agreement of the JIT members. The Union JIT members shall report directly to the MEC President.

5. The JIT shall oversee and monitor all Flight Attendant scheduling and related aspects of implementation, as well as any other elements of the Agreement that the Company and the Union choose to refer to the JIT. The JIT shall have authority to establish and amend all timelines for implementation by mutual agreement.

In the event there is an impasse over the implementation schedule or any other aspect of implementation, the matter shall be referred to the MEC President and the Senior V.P. of Inflight for resolution. In the event the matter cannot be resolved within thirty (30) days from the initial impasse it can be referred by either party to the mediation/arbitration process established in Paragraph D of this Letter of Agreement. The parties will attempt to identify all unresolved issues so that only one mediation/arbitration process with respect to implementation is required. If the matter is referred to arbitration, the arbitration panel shall have the authority to establish and amend timelines and to provide relief to any party harmed by delay in implementation including any Flight Attendant or group of Flight Attendant affected by the unresolved issues, regardless of whether the individual Flight Attendant(s) can demonstrate a specific harm related to the delay.

6. The JIT shall have access to the areas of the Company and the Union, and

information and data needed for such oversight, provided it does not interfere with the ongoing operation and provided that appropriate confidentiality agreements have been executed for access to confidential or sensitive information and data.

7. The JIT shall be responsible for compiling information to be published to the Flight Attendants explaining the terms of the new Agreement and their implementation.

8. The JIT shall report on the progress of the implementation and on their activities in support thereof to the MEC President and the Senior Vice President, Inflight no less than once per month until the MEC President and the Senior Vice President agree that monthly reports are no longer necessary. The JIT may, at the request of the MEC President, hold informational meetings with Flight Attendants to discuss the timing and progress of implementation.

C. Implementation Status Review

Every quarter after DOS, the Parties will convene an implementation status review meeting to review and discuss the implementation process relative to the implementation dates. Included in the meetings will be representatives from Labor, Inflight and IT DT from the Company and from the union members of the implementation team as well as others involved in the implementation process. The Managing Director of Labor Relations shall attend on behalf of the Company and the MEC President shall attend on behalf of AFA. If the parties cannot agree on specific solutions to address delayed implementation, the matter will be referred to Paragraph D, below.

D. Mediation/Arbitration Process

1. Not later than sixty (60) days after Date of Signing, the parties will select a neutral mediator/arbitrator (the "neutral") to mediate and/or arbitrate any unresolved issue(s). The parties will bear equally the neutral's compensation and expenses.

2. Mediated Negotiations

a. The parties will engage in negotiations mediated by the neutral as to all identified issues for a minimum of three (3) days and a maximum of five (5) days.

b. These mediated negotiations will commence at a mutually agreed upon date and location.

c. If the parties are unable to reach an agreement through mediated negotiations, each party's proposals shall be submitted to the neutral.

3. Arbitration

a. The neutral will take oral and written evidence in support of and in opposition to these respective proposals.

b. The neutral may award the proposal of either party as to an open issue (if the issue has not been resolved before the award), or may award a compromise

between the proposals of the parties. The neutral's award should conform to the terms and intent of the Agreement as closely as possible.

c. The neutral will not award a proposal that modifies the rates, rules and working conditions specified in the Agreement.

d. The neutral may provide additional relief to the Association or any Flight Attendant or group of Flight Attendants affected by the unresolved issues, regardless of whether the individual Flight Attendant(s) can demonstrate a specific harm related to the delay.

e. If the neutral determines that the positions of both parties on an open issue modifies the terms of the Agreement, the neutral will so advise the parties, explaining the basis of the determination, and the parties will then submit revised proposals.

f. Arbitration hearings before the neutral will be conducted at a mutually agreed upon time and will be transcribed if the parties agree.

g. The neutral's award as to an open issue will be final and binding.

E. Implementation Plan

**LETTER OF AGREEMENT
BETWEEN
UNITED AIRLINES, INC.
AND
THE FLIGHT ATTENDANTS
IN THE SERVICE OF
UNITED AIRLINES, INC.
AS REPRESENTED BY
ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO**

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the “Company”) and the Association of Flight Attendants – CWA, AFL-CIO (the “Union”).

W I T N E S S E T H:

Whereas, the Company and the Association have entered into a Joint Collective Bargaining Agreement (the “JCBA”); and

Whereas, the Company and the Union wish to state the agreement they have reached with respect to the annual rate setting process applicable to the Flight Attendants’ medical, dental and prescription drug programs;

Now, Therefore, the Company and the Union mutually agree as follows, effective on the effective date of the Collective Bargaining Agreement:

I. The following provisions apply to Medical rate setting under Section 29.B.4.:

A. In the implementation of the provisions of Section 29.B.4. of the Collective Bargaining Agreement, the determination of the Required Monthly Contributions for years after the One-time Cost Share Reset as defined in the last sentence of Section 29.B.4.c.(1)., the Company and the Union will annually follow the procedures set forth in this Letter of Agreement, subject to any transitional rules in the Collective Bargaining Agreement that override the terms of this Letter of Agreement.

B. Contributions For Calendar Years After One-time Cost Share Reset for Flight Attendants in Active Service. For each calendar year, the Required Monthly Contribution in a Core Medical Option, the Traditional Medical PPO Option or the Select Regional Medical Plans shall not exceed 20% of the actuarially-determined “Total Projected Cost” of the Option or Plan for such calendar year, for each Coverage Tier, subject to the adjustments, limitations and permitted variances hereinafter set forth. Total Projected Cost shall be determined in accordance with Paragraph I.D. below and the Experience True-up to correct for deviations of actual from projected cost as provided in Paragraph I.E. below. The rate of Required Monthly Contributions is subject to the permitted deviation and the limitation on maximum year-over-year increases in Required Monthly Contributions provided in Paragraph I.F. below.

C. Definitions. For purposes of Paragraphs I.A. through I.G. the following terms will have the meanings ascribed to them:

(1) “Claims Experience”: For purposes of determining Total Projected Cost of any self-insured medical plan or program in which active employees of the Company and/or pre-Medicare retirees of the Company are eligible to participate, the term “Claims Experience” means the per-capita rate of actual claims paid and incurred plus unpaid claim liability during the Experience Period by all active employees of the Company and pre-Medicare retired employees of the Company, enrolled in a domestic medical plan (U.S. and territories) including employees enrolled in the medical plans set forth in Sections 29.B.1.b. and 29.B.1.c. For any insured plan or the insured portion of any plan, “Claims Experience” is 85% of the most recent available gross premium rate. Total Projected Cost of any medical program offered to Medicare-eligible retired employees of the Company will be determined as a separate risk pool.

(2) “Costs of Administration”: For self-insured plans or programs, and for the self-insured component of any hybrid plan or program, “Costs of Administration” means the actual charges of any third-party claims administrator, pharmacy benefits manager, behavioral health manager, disease management/smoking cessation vendor, and wellness vendor including any “load” or other charge for administration of the wellness initiatives. For fully-insured plans or programs, and for the insured components of any hybrid plan or program, “Costs of Administration” shall be a maximum of 15% of the gross premium paid. “Costs of Administration” include any excise tax relating to medical plans imposed upon the Company pursuant to Section 49801 of the Internal Revenue Code of 1986, as amended by Section 9001 of the Patient Protection and Affordable Care Act of 2010, Public Law 111.148 (the “Excise Tax”). “Costs of Administration” does not include any other cost, fee, charge or expense of the Company in connection with maintaining the plan or program, including, without limitation, any charge or expense of any third-party vendor (other than the vendors listed in the first sentence of this subparagraph) or for wages or benefits of Company employees providing ancillary, administrative, record keeping or other support services for the plan or program. Should the Company pursue a re-insurance (stop-loss) coverage, the expected net cost of coverage, which is calculated as gross premium minus expected recoveries, will be included in the costs of administration. For purposes of determining Total Projected Costs, Costs of Administration for fully-insured and self-insured options are pooled and applied as a level percentage of Total Projected Cost.

(3) “Determination Year”: The year prior to the Rating Year, during which the Company Actuary determines Total Projected Cost and contribution rates to be effective during the Rating Year.

(4) “Experience Period”: The “Experience Period” is a period of 24 consecutive months divided into historical segments of 12 consecutive calendar months each and given equal weight

assuming consistent experience.

(5) **“Look-Back Year”**: The year immediately preceding the Determination Year.

(6) **“Margin”**: “Margin” refers to any intentional difference between a measure or quantity as used and the same measure or quantity reflecting “best estimate” assumptions. Margins may be implicit (derived using modified assumptions or elements) or explicit (derived by modifying the end result).

(7) **“Offsets”**: “Offsets” shall include discounts and manufacturer, vendor and other rebates and payments, together with any other amounts determined by the Company Actuary as being properly treated as an offset to costs. Government subsidies received by the Company, such as subsidies under the federal Medicare Part D Retiree Drug Subsidy Program administered by the Centers for Medicare and Medicaid Services (“CMS”) pursuant to the Medicare Prescription Drug Improvement and Modernization Act of 2003, Public Law 108.173, shall be applied as offsets at such time as any Excise Tax becomes includible in Costs of Administration.

(8) **“Rating Year”**: The “Rating Year” is the year for which total costs are being projected, and in which the contribution rates being established, by the methodology provided in this paragraph I, will be charged to Flight Attendants.

(9) **“Total Projected Cost”**: “Total Projected Cost” means the Claims Experience for the Experience Period, drawn from all health care programs offered by the Company during the Experience Period, across all Coverage Tiers, adjusted for differences in plan design between the Experience Period and the Rating Year, normalized using relative values, consolidated, trended to reflect reasonably anticipated changes in health costs, and actuarially projected to the Rating Year, subject to such other adjustments, if any, as are determined by the Company Actuary to be actuarially appropriate, plus expected Costs of Administration, less Offsets, without explicit or implicit Margin. Rates per unit of coverage in the Core Medical Options and Traditional Medical PPO shall be derived from Total Projected Cost. True-up amounts in accordance with Paragraph E are separately determined amounts and are not part of Claims Experience or Total Projected Cost.

D. Determination of Total Projected Cost and Rates Per Unit of Coverage. The methodology and procedure the parties will follow each Determination Year to determine Total Projected Cost for the Rating Year, and to derive from Total Projected Cost the rates of contribution for each Core Medical Option and the Traditional Medical PPO (including the prescription drug component of such Core Medical Option and the Traditional Medical PPO) and Coverage Tier for the Rating Year, will be as set forth herein.

E. Experience True-Up. In each Determination Year, actual costs

incurred in the Look-Back Year are compared to the Total Projected Cost for the Look-Back Year to determine if adjustment is required under the following rules:

(1) Adjustment for Deviations of Actual Enrollment from Expected Enrollment. The Total Projected Cost that was used to set contribution rates for the Look-Back Year shall be adjusted to correct for deviation of actual enrollments in the various medical plans, options and programs from the anticipated enrollments originally used to determine Total Projected Costs for the Look-Back Year (“Enrollment-adjusted Total Projected Costs”).

(2) Gains and Losses. Historical gains and losses (the difference between the Enrollment-adjusted Total Projected Costs and actual incurred costs for the Look-Back Year) are identified and quantified.

(3) Amortization of Gains and Losses. For any Look-Back Year in which there are gains or losses, the portion of such gain or loss shall be halved and applied per capita to Flight Attendants in Active Service and retired Flight Attendants in the Before-Medicare Medical Benefits without interest to decrease (in the case of gains) or increase (in the case of losses) the Total Projected Cost levelly over two Rating Years beginning with the Rating Year immediately following the Determination Year in which the True-Up calculation is made. For example, the first true-up Determination Year hereunder will be 2018, with 2017 as the first Look-Back Year and, if an adjustment is required because 2017 gains or losses were $\pm 1\%$, one-half of one percent (0.5%) of the enrollment-adjusted Total Projected Cost for the Look-Back Year (which is half of such excess gain or loss) would be applied to adjust Total Projected Costs for the 2019 Rating Year, and the remaining excess gain or loss for 2017 as remeasured in 2019 Determination Year would be applied to adjust Total Projected Costs for the 2020 Rating Year. Due to additional runout claims, the second year amortization of the excess 2017 gain or loss may not exactly match the first year amortization. Amortization schedules will be maintained so that, for each Rating Year after 2019, the accumulated net amortizable gain or loss required to be taken into account in that Rating Year shall be subtracted from, or added to, Total Projected Cost for purposes of determining contributions.

(4) Aggregate Contribution Adjustments. Required contributions for non-retired Employees for coverage under all medical plans offered by the Company excluding the Core HDHP option, shall be subject to the further limitation that the Company shall pay not less than 80% in the aggregate of the Enrollment-adjusted Total Projected Cost of all medical plans offered by the Company to its employees, provided “employees” for this purpose means in addition to Flight Attendants any other workgroups that subscribed to all of the Flight Attendant medical plan offerings and contributions, in accordance with the following:

- a. Each year beginning with 2020, Enrollment-adjusted Total Projected Costs (excluding Total Projected Costs

for the Core HDHP Option), shall be compared to the aggregate contributions, using year-to-date data through October, for coverage under all medical plan options offered by the Company, excluding the Core HDHP.

b. The contributions for all Company-offered medical options (excluding the HDHP) will be normalized to reflect the assumed level of participation in the wellness credits. This provision will not be used to subvert the basic Aggregate 80%/20% Contribution Limit.

c. If aggregate employee contributions (excluding the Core HDHP Option) are 20% or less of the Enrollment-adjusted Total Projected Costs (excluding Total Projected Costs for the Core HDHP Option), no adjustment will be made. However, if aggregate employee contributions (excluding the Core HDHP Option) exceed 20% of Enrollment-adjusted Total Projected Costs (excluding Total Projected Costs for the Core HDHP Option), an aggregate contribution adjustment, for the full year, equal to the excess, on a level percentage basis, will be made to employees by the end of the plan year. Such adjustment does not apply to the employees enrolled in the Core HDHP Option, nor those who have left the plan prior to the aggregate contribution adjustment.

F. Limitation on Year-Over-Year Increases in Required Monthly Contributions for Flight Attendants in Active Service. Any increase in the Required Monthly Contribution for the Core Medical Options, Traditional PPO Medical Plan and Select Regional Medical Plans, from one calendar year to the next, will not exceed 9.25% of the prior year's contribution (except that this percentage will vary for the individual Flight Attendant after taking into account credits and surcharges), rounded to the nearest penny, consistent with the Core Option and Traditional PPO Medical Plan 80%/20% Limit, in accordance with the following:

(1) In no event will the Participant's contribution by Coverage Tier on a composite basis exceed the lesser of: (A) 20% of Total Projected Cost, with an upward variation tolerance of 0.1%, such variance permitted, not as a matter of routine, but in order to accommodate rounding, or (B) 109.25% of the prior year's contribution by Coverage Tier on a composite basis. Composites for the purposes of this Paragraph combine the separate rates for tobacco users and those Flight Attendants who incur spousal surcharges into an overall rate.

(2) The limitations provided in this Paragraph I.F.(2) will be applied after all computations and adjustments described in Paragraphs I.D. and I.E. above have been carried out.

G. Determination of Total Projected Cost for Retiree Medical Benefits. For purposes of determining the Total Projected Cost for Before- and After-Medicare Medical benefits for all retired Flight Attendants (other than pre-7/1/03 sUA retired Flight Attendants) the

procedures described in Paragraphs I.D. through I.F. will apply, except that, for Flight Attendants retiring on or after the effective date of the Agreement, wellness credits and spousal surcharges will be included for Before-Medicare Medical Benefit Coverage and excluded for After-Medicare Medical Benefit coverage.

II. The following provisions apply to Dental rate setting under Section 29.C.4.:

A. In the implementation of the provisions of Section 29.C.4. of the Collective Bargaining Agreement, the determination of the Required Monthly Contributions for years after the One-time Cost Share Reset, the Company and the Union will annually follow the procedures set forth below.

B. Contributions For Calendar Years After One-time Cost Share Reset. For each calendar year, the Required Monthly Contribution in the Core Dental Option shall not exceed 20% of the actuarially-determined "Total Projected Cost" of the Coverage Tier elected for such calendar year, subject to the adjustments, limitations and permitted variances hereinafter set forth. Total Projected Cost shall be determined in accordance with Paragraph II.D. below. The rate of required contributions is subject to the permitted deviation and the limitation on maximum year-over-year increases in Required Monthly Contributions provided in Paragraph II.E. below.

C. Definitions. For purposes of Paragraphs II.D. through II.E., the definitions in Paragraph I.C. shall apply, except as follows:

(1) "Claims Experience": For purposes of determining Total Projected Cost of any self-insured dental plans or programs in which active employees of the Company are eligible to participate, the term "Claims Experience" means the actual claims paid and incurred plus unpaid claim liability during the Experience Period by all active employees of the Company. In the event the Company offers an insured plan, excluding dental HMOs, such plan or the insured portion of any plan, "Claims Experience" is 85% of the most recent available gross premium.

(2) "Costs of Administration": For self-insured plans or programs, and for the self-insured component of any hybrid plan or program, "Costs of Administration" means the actual charges of any third-party claims administrator. For fully-insured plans or programs, and for the insured components of any hybrid plan or program, "Costs of Administration" shall be 15% of the gross premium paid. "Costs of Administration" include any excise tax relating to dental plans imposed upon the Company pursuant to Section 49801 of the Internal Revenue Code of 1986, as amended by Section 9001 of the Patient Protection and Affordable Care Act of 2010, Public Law

111.148 (the “Excise Tax”). “Costs of Administration” does not include any other cost, fee, charge or expense of the Company in connection with maintaining the plan or program, including, without limitation, any charge or expense of any third-party vendor (other than the vendors listed in the first sentence of this Paragraph) or for wages or benefits of Company employees providing ancillary, administrative, record-keeping or other support services for the plan or program.

(3) “Offsets”: “Offsets” shall include discounts and manufacturer, vendor and other rebates and payments, together with any other amounts determined by the Company Actuary as being properly treated as an offset to costs.

(4) “Total Projected Cost”: “Total Projected Cost” means the Claims Experience for the Experience Period, drawn from all dental care programs, excluding dental HMOs (insured or self-insured), offered by the Company during the Experience Period, across all Coverage Tiers, adjusted for changes in plan design from the Experience Period to the Rating Year, normalized using relative values, consolidated, trended to reflect reasonably anticipated changes in dental costs, and actuarially projected to the Rating Year, subject to such other adjustments, if any, as are determined by the Company Actuary to be actuarially appropriate, plus Costs of Administration, less Offsets, without explicit or implicit Margin. Rates per unit of coverage in the Core Dental Option shall be derived from Total Projected Cost.

D. Determination of Total Projected Cost and Rates Per Unit of Coverage. The methodology and procedure the parties will follow each Determination Year to determine Total Projected Cost for the Rating Year, and to derive from Total Projected Cost the rates of contribution for the Core Dental Option and Coverage Tier for the Rating Year, will be as set forth herein.

E. Limitation on Year-Over-Year Increases in Required Monthly Contributions. Any increase in the Required Monthly Contribution for the Core Dental Option, from one calendar year to the next, will not exceed 9.25% of the prior year’s contribution, rounded to the nearest penny. In no event will the Participant’s contribution by Coverage Tier exceed the lesser of: (A) 20% of Total Projected Cost, with an upward variation tolerance of 0.1%, such variance permitted, not as a matter of routine, but in order to accommodate rounding, or (B) 109.25% of the prior year’s contribution by Coverage Tier.

III. The following General Provisions apply to Medical and Dental rate setting:

A. Annual Rate-Setting and Aggregate Contribution Adjustments Schedule. The parties shall adhere to the following timeline each year, unless otherwise agreed:

By This Date	Action to Be Taken
September 1	Company shall provide to AFA: - All final Methodology Documents - Rate charts for • Actives • Post-7/1/2003, Pre-65 retirees
	Company shall provide to AFA: - Rate charts for • Pre-7/1/2003, Pre-65 retirees • All post-65 retirees including Medicare HMOs
October 31	Company shall provide Aggregate Contribution Adjustment data and calculations to AFA (Medical only)
November 15	AFA shall provide the Company with written notice of final agreement or disagreement on Aggregate Contribution Adjustments (Medical only)

B. Rate Setting and True-Up Disputes. Any final determination in an arbitration filed by the Air Line Pilots Association under its Rate Setting Letter of Agreement shall be applied to Flight Attendants under this Agreement, as applicable.

C. Definition of Company. Notwithstanding anything herein to the contrary, for purposes of this Letter of Agreement the terms “United Airlines” and “Company” include Continental Micronesia, Inc. and any other affiliate of such entities which sponsors any medical or dental plan referred to herein.

This Letter of Agreement will be effective on the Effective Date of the Collective Bargaining Agreement and will remain in full force and effect concurrent with the provisions of Section 29, Benefits .

The parties hereto have signed this Letter of Agreement this 31st day of May, 2026.

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the "Company") and the Association of Flight Attendants – CWA, AFLCIO (the "Union").

WHEREAS during the negotiations between the Company and the Union (collectively, the "parties") leading to the 2016 – 2021 Agreement (the "Agreement"), the parties recognized that there are certain issues specifically related to the International Domiciles.

THEREFORE the parties to this Letter of Agreement hereby agree as follows regarding International Domiciles.

4. When vacancies are posted for International Domiciles, the Company will include an informational packet detailing information about the nation/city, immigration requirements, the tax information related to working out of the International Domicile, and other information helpful to the Flight Attendant's potential relocation.
5. Should United open an additional International Domicile(s), representatives of the Company and the Union will meet to address the issues set forth in above Paragraph 4, as well as the taxation information and tax reporting relationships between the relevant countries and any issues specific to the country, prior to the opening of the International Domicile. United must do everything within its power to assist Flight Attendants in getting the necessary visas and immigration approvals needed to exercise their seniority in the transfer process.

6. The parties to this Letter of Agreement hereby agree that it shall run concurrently with the 2026-2031 Agreement, and shall be concurrently subject to the provisions pertaining to duration and amendment contained therein.

**LETTER OF AGREEMENT
BETWEEN
UNITED AIRLINES, INC.
AND
THE FLIGHT ATTENDANTS
IN THE SERVICE OF
UNITED AIRLINES, INC.
AS REPRESENTED BY
ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO**

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the "Company") and the Association of Flight Attendants – CWA, AFLCIO (the "Union").

WHEREAS during the negotiations between the Company and the Union (collectively, the "parties") leading to the 2016 – 2021 Agreement (the "Agreement"), the parties agreed upon terms for Flight Attendants who will rotate on Reserve in Bases as set forth in Section 8.A.

NOW THEREFORE, the parties to this Letter of Agreement hereby agree on the following terms regarding Reserve Rotation.

1. A Reserve pool shall be established at each Base or applicable sub-Base to provide Reserve coverage according to each Base's (or sub-Base's) Reserve quota in the following manner:

- a. With the exception of the top twenty-five per cent (25%) of each Base, who are exempt from Reserve rotation, every Flight Attendant will be designated either "A" or "B" for identification. Such letter designation does not necessarily place a Flight Attendant within the Reserve rotation. All Reserve quotas will be assigned from the junior most Flight Attendant upward.
- b. Where an International Purser sub-Base exists, International Purser(s) will be designated for Reserve rotation within their sub-Base according to the formula in Paragraph a. above.
 - i. International Purser(s) who opt out pursuant to Section 9.D.3.f. will carry with them the designator assigned within the sub-Base;
 - ii. When the Company offers opt outs in excess of 2% in accordance with Section 9.D.3.f., it may bypass International Purser(s) in their designated Reserve rotation month who are requesting to opt out in seniority order if necessary to ensure adequate Reserve coverage within the sub-Base.
- c. At each Base (or sub-Base), the most junior Flight Attendants will serve on Reserve in accordance with their designated letter in the following month:

"A"	"B"
January	February
March	April
May	June
July	August
September	October
November	December

- d. Notwithstanding Paragraphs 1.a. and b. above, all Flight Attendants will serve on continuous Reserve status for five (5) years or until such time as their seniority allows them to be awarded a line of flying. After such five (5) year period, they shall be designated "A" or "B" and will serve on Reserve status in accordance with their seniority and group designation.
- e. Any Flight Attendant who preferences Reserve will be awarded the Reserve line according to their seniority. If a Lineholder on A/B rotation does preference a Reserve assignment during their Lineholder month, it will not affect their assignment to Reserve the following month.
- f. A designated Reserve shall not, by virtue of their seniority, force a designated Lineholder into Reserve status.
 - 1. During the month prior to the bidding of vacations, the "A/B" letter designations will be revised at each Base for the following year to be effective from February through January.
 - 2. A Flight Attendant who transfers into a Base covered by A/B rotation, shall be designated by the Company as "A" or "B" unless they fall within the top twenty-five per cent (25%) of their new Domicile on the effective date of the transfer.
 - 3. During the year, should any Base experience a significant imbalance in the relative seniority of the senior Reserves in each group, the MEC President or designee and the WHQSK Manager of Advance Scheduling Operations/designee, by mutual agreement shall take appropriate action to restore a proper balance.
 - 4. In any given month, the most senior designated Reserves and the most junior Lineholders of the same letter should preference both schedule and Reserve positions.
 - 5. A Flight Attendant shall be allowed to trade their Reserve rotation "A" designation for "B" or vice versa, provided the trade is with another Flight Attendant considered as coming within the Reserve rotation. Once accomplished, however, the Flight Attendant may not trade back to their original letter designation for the balance of the bid year unless action is taken pursuant to Paragraph 4. above.
 - 6. The parties to this Letter of Agreement hereby agree that it

shall run concurrently with the 2026-2031 Agreement, and shall be concurrently subject to the provisions pertaining to duration and amendment contained therein.

The parties hereto have signed this Letter of Agreement this 31st day of May, 2026.

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the "Company") and the Association of Flight Attendants – CWA, AFLCIO (the "Union").

WHEREAS during the negotiations between the Company and the Union (collectively, the "parties") leading to the 2016 – 2021 Agreement (the "Agreement"), the parties agreed upon terms for the establishment of Flight Attendant satellite bases ("Satellite Bases"),

NOW THEREFORE, the parties to this Letter of Agreement hereby agree that the Satellite Bases may be established as follows:

A. The Company may establish Satellite Bases that will be considered sub-Bases of the existing Flight Attendant Bases ("geographical Bases").

1. The Company may establish special qualifications for bid within each Satellite Base to include Flight Service Leader and Language Qualified Flight Attendants, based on the needs of the service.

Remaining vacancies will be offered and awarded, in seniority order, to Flight Attendants affected by Base reductions within any geographic Bases, or by new hires.

C. In the event of a reduction-in-force at any Satellite Base, Flight Attendants staffed within such Base through the award of a vacancy, but excluding new hires, shall have preference over any voluntary transfers then on file to return to the geographic Base from which they originally transferred.

ASSOCIATION OF FLIGHT ATTENDANTS-CWA, AFL-CIO**

This Letter of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the "Company") and the Association of Flight Attendants – CWA, AFL-CIO (the "Union").

WHEREAS during the negotiations between the Company and the Union (collectively, the "parties") leading to the 2016 – 2021 Agreement (the "Agreement"), the parties agreed upon an orderly process to resolve issues regarding the scope of Flight Attendant bargaining unit and duties,

NOW THEREFORE, the parties to this Letter of Agreement hereby agree as follows:

1. Except as specifically provided in the Foreign National Letter of Agreement, neither UAL, Inc., United Airlines, nor a successor, assign, or subsidiary thereof (hereinafter referred to as the "Company"), will, if such entity has a controlling interest, whether acting individually or jointly with any of the above entities, conduct any commercial flight operations of the type historically performed by United Airlines Flight Attendants, unless it performs such work with Flight Attendants on the United Airlines System Seniority List. Such flying shall be performed in accordance with the terms and conditions of the existing agreement or any other applicable agreement or agreements between the Company and the Union.
2. Without limiting the foregoing, the Company agrees not to establish or purchase an alter-ego airline in whole or in part.
3. Notwithstanding Paragraph 1. above, to the extent permitted by law, the Company will recognize the Union as the exclusive bargaining representative for the Flight Attendants on any commuter airline (primary 135 carrier) which it establishes or purchases in whole or in significant part. Upon recognition, the Union and the Company agree to negotiate in a timely fashion a competitive agreement no less favorable than area standard contracts for similar flying operations.
4. In addition to the protections provided in Section 1 and in this Letter of Agreement 16, all flights operated by Pilots covered by the United Airlines/ALPA collective bargaining agreement ("United Pilot Agreement") and which require Flight Attendants will be staffed with United Flight Attendants covered by this Agreement.
5. United Express Flying
 - a. The Company may create or acquire a controlling interest in and Control of a regional carrier conducting United

As an exception to Paragraph 1, above, flights of such United Express carrier may be staffed by Flight Attendants of such carrier unless the flights are operated by United Pilots covered by the United Pilot Agreement in which case they will be staffed by United Flight Attendants covered by this Agreement.

- b. All protections and limitations regarding United Express Flying provided in Section 1 of the United Pilot Agreement, as it may be amended, shall apply to Flight Attendants covered by this Agreement.

THE LETTER OF AGREEMENT
BETWEEN UNITED AIR LINES, INC.
AND
THE FLIGHT ATTENDANTS
IN THE SERVICE OF UNITED AIR LINES, INC.
AS REPRESENTED BY
THE ASSOCIATION OF FLIGHT ATTENDANTS

This Letter Of Agreement is made and entered into in accordance with the Railway Labor Act by and between United Airlines, Inc. (the "Company") and the Association of Flight Attendants - CWA, AFL-CIO (the "Union").

WHEREAS The Company and the Union are committed to a culture focused on the safe operation of every flight, every day; and

WHEREAS The Company and the Union recognize that from time to time safety incidents may occur; and

WHEREAS The Company and the Union are committed to working collaboratively for a shared safety purpose; and

WHEREAS When these incidents occur, The Company and the Union will thoroughly investigate these incidents as warranted in a timely manner to understand what happened and why it happened, and take corrective actions, if necessary, to prevent a future occurrence,

NOW THEREFORE, the parties to this Letter of Agreement hereby establish the following protocols for conducting investigations designed to ensure the Company and the Union:

- Obtain all information required by UA, FAA, NTSB and foreign government agencies
- Establish a standardized de-briefing procedure
- Define roles and responsibilities
- Sets consistent expectations as to investigation process

Roles and Responsibilities

Aviation Safety Department

The Aviation Safety Department is responsible to monitor flight operations to assess events and determine if a United Flight Safety Investigation will be launched. Aviation Safety then conducts a thorough, independent investigation of these accidents/incidents and serves as United's focal point and Party Coordinator to the NTSB and technical advisor to the NTSB for foreign accident investigative authorities.

Aviation Safety shall have the primary responsibility to determine if a Flight Safety Investigation (FSI) is warranted. If an investigation is warranted, Aviation Safety shall serve as the Investigator in Charge (IIC), coordinating the investigation according to these established protocols. Aviation Safety shall also be responsible for briefing the NTSB or foreign government agencies, as necessary; shall prepare a written Flight Safety Investigation report, including recommendations about how to avoid future incidents of the type investigated. When the focus of an investigation includes flight attendants or Inflight personnel, Aviation Safety shall also be responsible to review the draft investigation report with the Inflight Division and the AFA MEC Safety

Chairperson or designee; however, such review will not delay timely submission of the final report and Aviation Safety is solely responsible for the final content of the Flight Safety Investigation report.

The purpose of a Flight Safety Investigation is to identify and communicate hazards/threats, mitigate risk, prevent accidents, and promote safety awareness to the operating divisions and employees of United Airlines in support of the United Safety Management System (SMS) in support of United's compliance with 14 CFR Part 5 'Safety Management Systems'. The information contained within shall not be used for disciplinary or punitive actions unless such information indicates criminal activity, substance abuse, use of a controlled substance, intentional falsification or intentional disregard for safety.

Should Aviation Safety determine an investigation is not required, that determination will not prevent Inflight Services from conducting its own investigation.

In the event of a government investigation, this process is subject to change as required by law, regulation, court order, or legally binding directives of responsible government agencies.

Inflight Services Division

Inflight Services is responsible for the day-to-day management of United's flight attendants, establishment of in-flight procedures, development of safety and emergency procedures, and training of flight attendants. As such, Inflight Safety will be responsible to: participate in, and provide support to, any investigation deemed warranted by Aviation Safety; participate as a working group member to any NTSB Survival Factors investigation, at the discretion of the NTSB; make recommendations with regard to corrective actions; review the final report; respond to Hazard Identifications, conduct as necessary hazard identifications regarding issues related to Inflight Services, make any necessary changes to procedures and training in order to seek to avoid a future incident of the type investigated, and notify Aviation Safety of corrective actions or changes implemented. With input from AFA, Inflight Services shall also be solely responsible for determining if individual flight attendant corrective action is required.

Should Aviation Safety determine that an investigation is not required, Inflight Services will review the incident and conduct any necessary investigation according to its own investigative procedures. If Inflight Services determines an investigation is warranted, Inflight Safety will partner with the Union MEC Safety Chair or designee in the debrief of flight attendants. The information pertinent to the safety operations of the flight attendants obtained through the investigation shall not be used for disciplinary actions unless such information indicates criminal activity, substance abuse, use of a controlled substance, intentional falsification or intentional disregard for safety.

Inflight Safety, in coordination with the Inflight Duty Manager and base management, is responsible for making arrangements relating to crew disposition, such as removing a crew from assigned flying, assessing the crew's emotional state, coordinating EAP support, etc.

Inflight Safety and/or Inflight base management shall also be responsible to take appropriate systemic corrective action based on the recommendations from Inflight Services leadership following review of the Flight Safety Investigation report.

Association of Flight Attendants

The Association of Flight Attendants ("the Union") is the legal bargaining representative for United Airlines flight attendants. As such, the Union will be responsible to participate in, and provide support to, any investigation deemed warranted by Aviation Safety; apply for NTSB Party status and participate as a working group member to any NTSB Survival Factors investigation, at the discretion of the NTSB; make recommendations with regard to corrective actions; and review the final Flight Safety Investigation report.

Should Aviation Safety determine that an investigation is not required, Inflight Services will review the incident and conduct any necessary investigation according to its own investigative procedures. If Inflight Services determines an investigation is warranted, Inflight Safety will partner with the Union MEC Safety Chair or designee in the debrief of flight attendants. At the conclusion of an investigation, Inflight Safety will consider the input of the union as part of the hazard identification process.

Investigation of Accidents/Incidents - Flight Attendant Debriefing

In the event of an accident/incident, the Director of System Network Control (NOC) is responsible for notifying Aviation Safety and Inflight Safety of events involving cabin safety (e.g. turbulence injuries, cabin fires, etc.). The Company shall promptly notify the Union in accordance with 19.B.1 of the JCBA.

When Aviation Safety determines that an investigation is warranted, Inflight Safety will coordinate with base management and/or the Inflight Duty Manager to arrange for the flight attendants involved and the Union to participate in the debriefing, either face-to-face or via telephonic conference call, at a time and date specified by Aviation and Inflight Safety, and in coordination with AFA.

The Flight Safety Investigation flight attendant debriefing will be led by the Aviation Safety Investigator in Charge (IIC), assisted by a representative from Inflight Safety and the Union MEC Safety Chair or designee. Other subject matter experts may also attend at the request of the IIC, Inflight Services or the Union, but attendees must be approved by the IIC.

The flight attendant debriefing will be conducted as a fact-finding meeting, with crewmembers providing their recollection of events as a means of understanding what occurred. The flight attendants will also be encouraged to identify methods to prevent a recurrence of the accident/incident. While preferable to conduct a single crew de-briefing, additional de-briefings may be conducted if deemed necessary.

Upon the conclusion of the investigation, Inflight Safety, the flight attendants involved and the Union shall be informed that the investigation has been concluded.

A copy of the final Flight Safety Investigation report will be provided to Inflight Safety and the Union MEC Safety Chair or designee. Inflight Safety will brief the Senior Vice President/Wice President of Inflight Services on the final investigation. The Union MEC Safety Chair will brief the MEC President or designee on the final investigation. Distribution of Flight Safety Investigation reports is limited to the Union MEC Safety Chair and Vice-Chairperson(s), Inflight Safety, the Senior Vice President/Wice President of Inflight and the MEC President or designee.

Distribution to any other individual or group is strictly prohibited without the express written consent of the Managing Director of Aviation Safety.

The parties hereto have signed this Letter of Agreement this 31st day of May, 2026.
